Dear Mr. Sean Brusegar,

I appreciate sending the letter with consideration for the fitness court that will impact where my lot backs up to this area.

I personally feel as if a 6-foot wall along with advertisements etc. and a fitness court seems as if it would be an awful eyesore and something that I would see looking out of my window. These lots and homes weren't cheap and therefore, adding some sort of fitness court with a 6-foot wall.

I don't know how the ultimate decision is made on what will happen but I would greatly appreciate understanding next steps because I'm passionate enough to be pretty loud on this as I do not think that this is in the best interest of the homeowners that see this out of back windows of our homes.

Thanks for reaching out and I look forward to hearing from you on how to proceed.

Hi Sean,

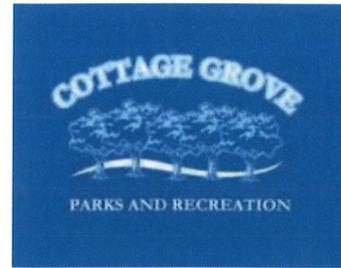

I received your information on the National Fitness Court being proposed for behind my house. I took a look at the website and would be fine with that being installed. My only question or concern is if anyone will really use it or not. It looks like there are the options for classes being taught, and competitions to be held there. I think if that happened, more people would use it. If not, it may become a structure that doesn't have a purpose.

What are the other options for using the space? I know at the last meeting I attended there were several options brainstormed about, but I never really heard any more after that, until now. I think park benches for butterfly watching, gazebo, and grilling stations or fire pits were all brought up.

Thank you for keeping me in the loop.

**BACKGROUND:**

In 2020, a shelter and a splash pad will be constructed at Bakken Park. With the construction of this shelter, security cameras to monitor the shelter and splash pad will be included. We would like to be able to monitor the cameras remotely. In order to do that, an internet connection must be provided. TDS will bring service into Bakken Park at no charge. The Village will need to enter into a contract with TDS for a monthly charge of \$109.00. This will minimally affect the 2020 budget. Likely to be only for 2 months. The 2021 budget will include an increase for the service.

**STAFF RECOMMENDATION:**

Staff recommends entering into a contract with TDS for internet service at Bakken Park.

**PARKS, RECREATION and FORESTRY COMMITTEE  
Meeting Minutes for Thursday November 21, 2019**

1. **Call to order meeting at Municipal Services Building.** The meeting was called to order by Heidi Murphy at 6:30 pm.
2. **Roll call and confirm that the meeting was properly posted.**

It was determined that a quorum was present, and that the agenda had been properly posted. Present for the meeting were Heidi Murphy (chair), Jay Kiefer and Jennifer Pickel. Kevin Laufenberg and Penny Aguilera were absent and excused. Also present were Parks, Recreation and Forestry Director Sean Brusegar, Parks and Recreation Administrative Assistant Kristen Krause and Village Forester James Rothman.
3. **Public appearance: Public's opportunity to speak about any subject that is not a specific agenda item.**

No public appearances.
4. **Discuss the tree planting on Highway N.**

Village Forester James Rothman spoke to the committee regarding the recent request to plant trees along the new bike path on Hwy N, between Parkview Street and Northlawn Drive. Rothman's main concerns were with visual obstruction. He said that planting trees between Parkview Street and Northlawn Drive would hinder visibility for motorists pulling out onto Hwy N. Utilities, snow plowing and damage to the new asphalt bike path were some other issues he said would be complicated with the planting of trees in the terrace. At this time, Rothman said that both he and the Public Works Department are recommending that no trees are planted by the new stretch of bike path along Hwy N. Brusegar said that the committee can revisit the planting of trees after the next stretch of bike path is completed. **Motion** by Pickel, seconded by Kiefer, to recommend not planting trees along Hwy N next to the new bike path at this time under the advisement of the Village Forester and revisit the option to plant trees once the entire bike path is complete. Motion carried with a unanimous voice vote of 3-0-0.
5. **Discuss taking Bakken Park soccer fields offline for 2020.**

Brusegar is recommending that the Bakken Park soccer fields are taken offline for the entirety of 2020 for repairs and maintenance. Committee members agreed that this is needed and asked that Brusegar update the rugby club, lacrosse club and soccer club about the fields being taken offline for next year. **Motion** by Pickel, seconded by Kiefer, to take Bakken Park soccer fields offline for all of 2020. Motion carried with a unanimous voice vote of 3-0-0.
6. **Discuss National Fitness Campaign in 4<sup>th</sup> Addition to Westlawn.**

Brusegar explained that the Village has received a \$30,000 grant to be disbursed in 2021 towards the construction of a fitness court in the 4<sup>th</sup> Addition to Westlawn neighborhood. The National Fitness Group that is responsible for getting fitness courts in communities across the nation, liked the location of the proposed fitness court in Cottage Grove. The group needs a proclamation from the Village by January that lists the amount the Village will match in funds, to those that are fundraised or sponsored, for the remaining \$80,000 to \$90,000. Brusegar

emphasized that the Village match of funds listed in the proclamation is non-binding. He recommended an amount of \$50,000 to show the fitness group that the Village is serious about pursuing the fitness court. He also stated that fundraising and sponsorship are a big part of funding a fitness court. Committee members discussed the proposed location between houses on Red Hawk Trail and Mourning Dove Drive. Murphy also mentioned the 1-acre park in the neighborhood as a possible location. The committee thought it best to first reach out to the homeowners that would back up to the fitness court at its initial proposed location between Red Hawk and Mourning Dove and ask for their input. **Motion** by Pickel, seconded by Murphy, to recommend putting \$50,000 for the local match contribution amount in the proclamation to the National Fitness Campaign. Motion carried with a unanimous voice vote of 3-0-0.

**7. Discuss Cottage Grove School PTO request for a gift certificate.**

The Cottage Grove School PTO is seeking prizes to award during a jog-a-thon event for students and requested a donation in the form of a gift certificate for a specific amount or rec program. Brusegar recommended a gift certificate in the amount of \$50. **Motion** by Pickel, seconded by Kiefer, to recommend and approve a gift certificate in the amount of \$50 to be given as a donation to Cottage Grove School Jog-a-Thon. Motion carried with a unanimous voice vote of 3-0-0.

**8. Update on the budget.**

The budget was approved without any changes and Program Coordinator Sam Frederickson will be full-time as of January 1, 2020.

**9. Update on Bakken Park shelter and splash pad.**

The shelter and splash pad will break ground in 2020, with a completion and opening in 2021. Soil borings have been completed at Bakken Park for both projects. Wood chips have been laid on the ground where the shelter and splash pad will be constructed to help keep the ground warmer in preparation for spring construction. Splash pad components will be purchased prior to January 1, before prices increase. Brusegar also showed committee members the latest renderings of the shelter and splash pad designs. At this time, Brusegar is working on picking out amenities (garbage barrels, benches, drinking fountain, etc.). There will be a meeting on December 11 to go over the final designs.

**10. Parks and Recreation Director's Report.**

Numbers have been good for programs/events that have recently occurred or are occurring in the near future. The recent Youth Sewing class had 7 of 8 spots filled for its October session. More sewing classes will be added in the future. With 12 kids enrolled, the Babysitting class maxed out right away. The new Chess League had 8 participants at Taylor Prairie and 12 at Cottage Grove School. Brick Builders (aka STEM) for grades 2<sup>nd</sup> – 4<sup>th</sup> had 8 participants enrolled. Another class that maxed out was the GDS Coding and Maker Club that began on November 5 and maxed out at 20 students. The spring session of this club is already half full. The senior Stepping on Falls Prevention class had 12 out of 15 spots filled. The new Cookie Decorating class maxed out within a couple of hours with 12 adults for the first class and 15 adults for the second class which will be held at Oakstone Recreation. Paint and Sip at Door Creek Golf Course recently had 15 participants for the Country Scarecrow and there are 15 enrolled in the December 12 Let it Snow Paint and Sip at the Oaks Golf Course. In October, the Touch-a-Truck event had 22 vehicles present for its first year. There was a consistently full

parking lot at Cottage Grove School where the event was held from 10am-12pm. This event will continue annually. On November 16, the annual Thanksgiving Turkey Shoot was held and had 80 participants. 10 turkeys were given away, with Piggly Wiggly sponsoring five of the turkeys and the CG Parks & Recreation Department sponsoring the other five. Another new event this year is the Santa on the Line. Cottage Grove Lions Club members are the helping with the calls and will call children who sign-up online. Pizza Hut is sponsoring the pizza for the Santas. This event is for children age 2-10.

Pickleball courts are being considered for Community Park. Brusegar asked for committee interest in these courts and it was all positive. The new shelter at Bakken Park has been approved and Brusegar would like to see a professionally made plaque installed that would list the committee members, Village Board members and staff that were responsible for helping make the shelter possible. The committee was receptive to this idea.

Brusegar asked the committee to consider when and how they would like the grand opening of the Bakken Park shelter and splashpad to happen. He also wanted them to start thinking about possibly delaying new reservations in 2021 and what the new costs for reserving the shelter will be.

**11. Approve the minutes of the September 19, 2019 meeting.**

**Motion** by Pickel, seconded by Kiefer, to approve the minutes from the September 19, 2019 meeting as presented. Motion carried with a voice vote of 3-0-0.

**12. Future Agenda Items**

- Discuss MG Soccer Club agreement and field reservations 5<sup>th</sup> Addition to Westlawn Master Plan.
- Update on Bakken Park shelter and splashpad
- The next PRFC meeting is scheduled for **Thursday, January 16, 2019 at 6:30 pm.**

**13. Adjournment.**

**Motion** by Pickel, seconded by Murphy, to adjourn the meeting at 7:50 pm. Motion carried with a voice vote of 3-0-0.

Respectfully submitted by Kristen Krause, Utility Clerk.
