There may be a quorum of the Village Board of Trustees present at the Deer-Grove EMS Commission meeting

On Thursday, January 18th the Deer Grove EMS Commission will be hosting two important events that we hope you will consider attending.

- At 5:30 P.M. there will be a gathering to recognize former Chief Duane Erschen's contributions to the Deer Grove EMS District, along with a swearing in of new Chief Jeffrey Matcha. Some light refreshments will be provided, so we would appreciate an RSVP by January 15th if you plan to attend this portion.
- The regular commission meeting will begin at 6:30 P.M., and the first order of business will be a presentation from the Robert M. LaFollette School of Public Affairs regarding their Local EMS Consolidation Study.

There will not be any action taken on official Village business.
