**VILLAGE OF COTTAGE GROVE
VILLAGE BOARD OF TRUSTEES
Monday, March 2, 2020**

MINUTES

1. Call to order

Village President John Williams called the Village Board of Trustees to order at 6:30 pm.

2. Determination of quorum and that the agenda was properly posted.

It was determined that there was a quorum of members present and that the agenda was properly posted. Village Board members present were: John Williams, Troy Allen, Jeff Lennberg, Heidi Murphy, Melissa Ratcliff, Jon Russell, Sarah Valencia. Staff present were Village Administrator Matt Giese, Village Clerk Lisa Kalata, Village Planner Erin Ruth, Public Works Director JJ Larson, Village Treasurer Deb Winter, Chief Dan Layber, Deer-Grove EMS Chief Eric Lang and Village Attorney Rick Manthe.

3. Pledge of Allegiance.

4. PUBLIC APPEARANCES – Public’s opportunity to speak about any subject that is not a specific agenda item.

None

5. Discuss and Consider the Minutes of The Regular Village Board Meeting on February 17, 2020.

Motion by Lennberg to approve the minutes from February 17, 2020, seconded by Ratcliff. **Motion** carried with a voice vote of 7-0-0.

6. Unfinished Business

a. Discuss and consider potential dates for next Joint Village/Town meeting (this item was tabled at the January 6, 2020 Village Board meeting).

No action was taken

7. New Business

a. Discuss and consider Estoppel Certificate relating to 1998 Arrowwood Green Agreement for Subdivision Improvements and 2007 Agreement for Hustons Olde Town Development.

Attorney Manthe indicated that the Hustons have a buyer for the properties and this document is to verify that there are no other restrictions in the developer agreement. Village staff did verify that the improvements are completed and recommends approval. **Motion** by Lennberg to approve the Estoppel Certificate relating to 1998 Arrowwood Green Agreement for Subdivision Improvements and 2007 agreement for Hustons Olde Town Development, seconded by Allen. **Motion** carried with a voice vote of 7-0-0.

b. Discuss and consider proposal to complete soil borings in Commerce Park.

Giese reported that this had been discussed as far back as a year ago, and that the issue has come up with other potential buyers of the lots and the cost associated with getting the lots buildable. The information could make the lots more desirable if this work has already been completed. Village Engineer Lord indicated that the quote is straight forward the only added cost would \$500 to have MSA stake the sites for the borings. Valencia questioned if there is enough time to get this done before the TID close, which Giese indicated that it would be good to get it done sooner than later. Murphy asked if the deliverable will be reports which Lord indicated that they would take the reports to Public Works once completed. **Motion** by Murphy to approve the proposal for the soil borings in Commerce Park up to \$14,000, seconded by Ratcliff. **Motion** carried with a voice vote of 7-0-0.

c. Discuss and consider providing direction to staff regarding creation of a Housing Task Force.

Giese indicated that this was part of the Village Board priorities and it was also discussed during Giese’s review, so they have been researching housing task force with other municipalities and could bring more information to the next meetings if this is the direction of the Board. Ruth indicated there are different ways on how to put together the Housing Task Force as it could be for a year or it could be for a longer period of time. Williams asked if this would be an addendum to the Comprehensive Plan, which Ruth indicated that it would not, but it could help with the planning. Russell indicated that the list of committee members was good but would take off the developers so it does not show favoritism. **Motion** by Williams to direct staff to continue working on creating a Housing Task Force, seconded by Murphy. **Motion** carried with a voice vote of 7-0-0.

d. Discuss and consider Operator License application for Amanda Browne and Josh Ray for licensing year July 2019-June 2020.

Motion by Russell to approve Operator License for Amanda Browne and Josh Ray for licensing year July 2019-June 2020, seconded by Lennberg. **Motion** carried with a voice vote of 7-0-0.

8. Reports from Village Boards, Commissions & Committees

8.I. Parks, Recreation & Forestry Committee

Murphy reported they discussed the 5th Addition to Westlawn Master Plan and they will have the next meeting at Village Hall on March 19th to discuss the outcome of the survey. They also discussed the purchase of a Parks vehicle from the savings of planned equipment purchases, the committee approved the purchase. Ratcliff is glad that they are saving money however was some of the equipment not purchased that was planned. Giese indicated they did not need the size of tractor that they thought and that was a savings. Allen questioned if they should use the savings toward the splash pad, which Williams indicated that it does not help with the shortage of vehicles for the Parks Department.

a. Discuss and consider purchase of a new Parks Maintenance vehicle with savings from CIP purchases.

Motion by Ratcliff to approve the purchase of a new Parks Maintenance vehicle with savings from the CIP purchases, seconded by Russell. **Motion** carried with a voice vote of 6-1-0 with Allen voting No.

Murphy reported they also discussed vaping and smoking in public places and they wanted to pass it along to Law Enforcement Committee. Chief Layber indicated that they would need a legal opinion on vaping in public. Attorney Manthe indicated that they could look into the issue and report back to the board. Murphy also reported that Willow Run is on deck to get updated equipment and the Miracle League lease is being worked on.

b. Discuss and consider Bakken Park shelter and splash pad bids.

Kevin Lord Village Engineer from MSA was present to discuss the Bakken Park shelter and splash pad bids, which he apologized for the lack of communication on this project and will take the responsibility of keeping the board informed moving forward. Dan Schmitt with MSA was also present to give a breakdown of the bid and where the overages occurred. The main overage was the change from the flow-thru system to the recirculating system because of the insufficient stormwater management system, the soils are poor in the buildable area and that added to the costs of the project along with the increases in the market bidding. They do not see cost savings if they rebid the project and recommend, they award the bid to Harmony Construction as they are the lowest bid and they are a responsible bidder as they have worked with them previously. Valencia questioned where we are at in the financing process, which Giese indicated that the financing is done when the project is nearing completion, because of issues like this, Ehlers will be coming to future meetings to discuss the financing. Giese questioned the contingency amount of \$25,000 if that is enough, which it was indicated by Dan Schmitt that it was built in the bid and given the conditions and scope that amount should be fine. Allen indicated that it may be a good time to get public input on the additional cost of the project. Murphy asked what impact this would have on the borrowing, which Giese indicated that after talking with Ehlers it would be an increase of \$3.80 per year over the 20-year borrowing period. Ratcliff indicated that she does not like that it is over what they had budgeted but she also does not want to wait on the project. Valencia indicated that they had already approved the 1.3 million for the project so this should not stop the project. Williams also commented that we have made the commitment to Miracle League and Rugby to build bathroom facilities. Valencia asked if there is anything MSA can do financially to help with the costs of the project, which Lord indicated that the design fees are way over the \$70,000 which MSA will be covering the additional costs. **Motion** by Ratcliff to approve the bid for Harmony Construction with the alternate bid items for a total of \$995,006 for the Bakken Park Shelter, seconded by Valencia. **Motion** carried with a voice vote of 6-1-0 with Allen voting No.

8.II. Deer-Grove EMS Commission

Allen reported they approved the agreement with MTM for Medicaid payments of interfacility transfers, they approved the orientation program in the employee handbook, and calls were up from same time last year. Chief Lang was present to thank the board for the support of the department and answer any questions they have or if they would like different information on the monthly report or if they would like to meet, he is available. The next meeting will be March 19th in Deerfield.

8.III. Law Enforcement Committee

Williams reported they discussed the wellness program and employees are using the equipment. They were updated on the vandalism issue and it has been cleaned up and they continue the investigation. They discussed the success of the food drive for parking tickets. Chief Layber also reported that the radar sign is up on County N and they will be moving it around the Village. Russell also reported that Chief had submitted the application for the COPS grant.

9. Reports from Village Officers

a. Attorney Larry Konopacki

i. Legal briefings/status updates

No updates

10. Communications and Miscellaneous Business

a. Consider approval of vouchers.

Motion by Valencia to approve the Village portion of the vouchers in the amount of \$279,876.52, seconded by Allen. The check sequence goes from check #46804 to check #46857.

Motion carried with a voice vote of 7-0-0.

b. Correspondence-Williams indicated that the Board received a letter from Steve and Bonnie Campbell addressing concerns about a hotel in Commerce Park.

c. Upcoming community events- Southern Dane County Resource Forum in Oregon April 22nd at Village Hall from 8-12:30pm, Park survey to be completed. Miracle League will have a volleyball fundraiser at Oakstone on March 7th, The Annual Dinner for the Chamber is Friday, The Optimist will have the annual Easter Egg Hunt on April 4th at 10 am.

d. Future agenda items- Housing Task Force, Vaping inforamton

10. Adjournment

Motion by Lennberg to adjourn at 7:58 p.m., seconded by Allen. **Motion** carried with a voice vote of 7-0-0.

Subject: Monona Grove Elementary School Improvements
Date: March 12, 2020

The recommendations included in the Monona Grove Elementary School TIA were reviewed along with the site layouts provided. The following infrastructure recommendations should be considered as the minimal improvements necessary as part of the interim condition until the full approved and required build out is completed on Buss Road:

- The operational analysis in the TIA shows acceptable delay and queueing at the South Driveway of the School Site. However, it is recommended that at a minimum, a 150-ft northbound right turn lane and a 150-ft southbound left turn lane be constructed at the intersection. The addition of the left turn lane provides the preferred safety benefits required by the Village.
- Volume is anticipated to be low and operations are acceptable at the North Driveway. However, due to the close proximity to the South Driveway, and the North Driveway being located within a shifting taper, southbound left turns should be prohibited as a safety improvement and a continuation of the northbound turn lane to the north entrance is recommended.
- Speed Limits adjacent to the school and within Village boundaries should be reduced to at least 35 MPH.
- Any reconstruction or modification to Buss Road should include the pulverization of the entire cross section of Buss Road with 5-inches of new HMA pavement. A minimum of 3 foot shoulders should be added (2-foot paved, 1-foot gravel) in improvement areas.
- All access paths should be minimum of 10-ft to accommodate both pedestrian and bicycle users. A roadway connection from the entrance along Buss Road to the Glacial Drumlin School and a path connection to Pheasant Run is required.
- A minimum 10-ft multiuse path should be constructed along the east side of Buss Road adjacent to the school property. All curb ramps must be ADA compliant. Type 1 Curb Ramps should not be utilized.
- A 10-ft multiuse path should extend to Lane Street and a ADA compliant cross walk across Buss Road be constructed with a concrete sidewalk access with curb ramps on the west side of Buss Road to allow for a safer crossing of students coming from the neighborhood. Due to the rural nature of the corridor, a Rectangular Rapid Flashing Beacon is required this location to improve driver compliance when pedestrians are in the crosswalk.
- Intersection Sight Distances and Vision Triangles should be confirmed and designs adjusted for compliance at both driveway locations.

Hi Dan & Dave,
Attached is an alcohol license application for School Grounds, they currently hold a Class "B" and Class "C" license, however this would be for a "Class B" liquor license, so we will need a back ground check and a compliance check on the property. This will be going to the Village Board on March 16, 2020. If you have any questions, please let me know.
Thank you,

Village Response to Coronavirus Disease (COVID-19)

There have been confirmed cases of Coronavirus Disease (COVID-19) in Dane County. You can read the press release from the Wisconsin Department of Health Services here:

<https://www.dhs.wisconsin.gov/news/releases/031220.htm>

Responding to COVID-19 requires all of us working together:

Steps we are asking employees and citizens to take now:

- Stay home when you are sick
- Avoid close contact with people who are sick
- Avoid touching your eyes, nose, and mouth
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash
- Clean and disinfect frequently touched surfaces
- Wash your hands often with soap and water for at least 20 seconds
- Go online and request an absentee ballot by mail for the April 7 election. We are strongly encouraging residents vote by mail for this election.
<https://myvote.wi.gov/en-us/VoteAbsentee>
- Access Village services online or by phone instead of in person when feasible. You can request permits, fill out license applications, pay taxes, etc. on our website
<http://www.village.cottage-grove.wi.us/>
- Follow the Village of Cottage Grove, Cottage Grove, WI Police, or Cottage Grove Parks & Recreation on Facebook. Any critical information or information on event cancellation, building closures etc. will be provided through those channels and posted on the Village website.

Steps we are taking as a Village:

- Village Officials are working with the Dane County Public Health Department and the Dane County Emergency Management Department. The Public Health Department is the best source for local information on COVID-19: <https://www.publichealthmdc.com/>
- The Fire Department, Police Department, DeerGrove EMS, other first responders and all Village Departments are making plans and preparing. These departments have been given personal protective equipment and have policies in place to deal with potentially effected individuals
- We will follow the guidelines of the State and County Public Health Departments on public gatherings. We will keep the public informed of any cancellations on social media and our website.

Dedicated to Keeping Our Community Safe Through Partnership and Professional Service

- We are planning to increase the frequency of cleaning of common areas, door handles, railings etc. at all Village buildings to make them as safe as possible.
- The safety of our citizens is our highest priority. We are committed to maintaining essential public safety services throughout the COVID-19 pandemic. In order to protect our citizens, the vulnerable populations we serve and our employees, we ask that if you need to call 9-1-1 you tell the dispatchers if you have been diagnosed with or have reason to believe you have been exposed to COVID-19. This information is subject to the Health Information Privacy and Portability Act (HIPPA) and will be protected accordingly.

This is a rapid changing and evolving situation. In coordination with the Dane County Public Health Department and the Dane County Emergency Management Department we will work to keep you updated on the situation in Cottage Grove.

Kindly,

Lt. Matt Wagner

Emergency Government Director

**RESOLUTION NO. 2020-01
VILLAGE OF COTTAGE GROVE**

A resolution authorizing Village President and Village Administrator to have joint executive authority to implement necessary measures in response to COVID-19

WHEREAS, On March 12, 2020 Wisconsin Governor Tony Evers declared a public health emergency in response to the COVID-19 outbreak, and

WHEREAS, the Village will be continuing preparedness efforts and response to the outbreak for weeks and potentially months to come, and

WHEREAS, the scope and circumstances regarding the outbreak are fluid in nature and often times can change on short notice, and

WHEREAS, the Village may need to take quick action and make rapid decisions during this public health emergency, and

WHEREAS, the Village President and Village Administrator would implement measures deemed necessary for the Village based on information and guidelines as they're made available by the Federal Government and Centers for Disease Control and State Government and Department of Health Services, among other sources, and

WHEREAS, the Village President and Village Administrator would also seek counsel from Village Emergency Government Director Matthew Wagner and Village Legal Counsel, and

WHEREAS, the Village President and Village Administrator will evaluate measures and response from other cities and governments in Wisconsin, as available, to assist in determining the direction the Village may follow, and

WHEREAS, if the Village President and Village Administrator were to become incapacitated or otherwise unable to serve in the aforementioned role, the following staff (in order listed) would assume these duties: Police Chief, Police Lieutenant, Director of Public Works and Utilities, and

WHEREAS, the Village Board of Trustees would reconvene to discuss this resolution if there is a time where all of the aforementioned staff became incapacitated or otherwise unable to serve in said capacity, and

WHEREAS, this resolution shall serve as the Board's direction until such time that the State's public health emergency declaration is lifted,

NOW, THEREFORE, BE IT RESOLVED, the Village Board of Trustees authorizes the Village President and Village Administrator to have joint executive authority to implement measures they determine to be necessary in response to the COVID-19 outbreak.

Adopted this 16th day of March 2020.

VILLAGE OF COTTAGE GROVE

Attest:

Lisa Kalata, Clerk

VILLAGE OF COTTAGE GROVE

DECLARATION OF EMERGENCY

WHEREAS, the 2019 novel strain of coronavirus, known as COVID-19 is a respiratory virus that is extremely contagious and can be fatal;

WHEREAS, COVID-19 has spread throughout numerous countries including the United States and numerous cases have been identified in Wisconsin;

WHEREAS, the President of the United States has declared a national emergency and the Governor of Wisconsin has declared a public health emergency in the State of Wisconsin because of the spread of COVID-19;

WHEREAS, the spread of COVID-19 in Dane County presents an imminent threat of a disaster that may impact medical care and other critical systems within the County;

WHEREAS, a multi-agency, multi-jurisdictional response is necessary to undertake efforts to prevent the spread of COVID-19;

NOW THEREFORE, IT IS HEREBY PROCLAIMED, that pursuant to Wis. Stat. § 323.11, in order to protect the public peace, health and safety, preserve lives and property, economic stability, and ensure cooperation and coordination, a Declaration of Local State of Emergency is imposed for sixty (60) days, subject to an extension authorized by the village board;

BE IT FURTHER PROCLAIMED, that the full allocation of village resources be available to ensure the continuation of core village services amid the pandemic;

BE IT FURTHER PROCLAIMED, that in anticipation of federal relief and reimbursement becoming available, all village departments shall track expenses related to efforts to protect the public and prevent the spread of COVID-19, and other public sector entities are encouraged to do the same.

BE IT FINALLY PROCLAIMED that the Village of Cottage Grove Board shall be notified by the filing of the written declaration with the Village Clerk on the first regular business day following the declaration and the Village Clerk shall present the written declaration to the Village board for ratification at its first meeting following such a declaration.

Dated this 16th day of March 2020

John Williams-Village President

Chapter 305. Vehicles and Traffic

§ 305-7. Emergency snow removal regulations.

- A. ~~President~~ Director of Public Works may declare a ~~general or limited~~ snow emergency. Whenever the ~~President~~ Director or the ~~President~~ Director's designee, ~~after consultation with the Chief of Police and/or Director of Public Works,~~ determines that an emergency exists because of existing or threatened snow or ice conditions which necessitate prompt removal of accumulations of ice and snow from ~~such~~ streets and highways, the ~~President~~ Director or the ~~President~~ Director's designee may by appropriate public media declare a ~~general or limited~~ snow emergency during which the following emergency snow parking regulations shall be in force in the Village.
- B. ~~General snow emergency.~~ During a declared general snow emergency no person shall park any vehicle at any time on a ~~designated snow emergency route~~ and no person shall park any ~~vehicle on any other street within the Village.~~
- C. ~~Limited snow emergency.~~ During a declared limited snow emergency no person shall park any ~~vehicle at any time on a designated snow emergency route.~~
- D. ~~Designated snow emergency routes.~~ The following streets or portions thereof within the Village are ~~designated snow emergency routes: Highway N and Highway BB.~~
- E. Termination of emergency. A snow emergency may be terminated by public announcement in the appropriate public media declaring the termination.
- F. ~~Signs and posting.~~ The Director of Public Works shall place appropriate "Snow Emergency Route" signs on or along the streets or portions thereof designated in Subsection ~~D~~ and shall also place appropriate signs at or reasonably near the Village limits on all state and County trunk highways and connecting highways informing motorists that snow emergency parking regulations may be in effect in the Village.
- G. Alternate side parking.
[Amended 10-17-1994]
- (1) Alternate side parking regulations shall be in effect on all Village streets from December 1 to March 15 of each year. Parking shall be on the even side of the street on even-numbered days and the odd side of the street on odd-numbered days. The numerical date as of 12:01 a.m. shall be in effect until 8:00 a.m.
[Amended 9-5-2006 by Ord. No. 10-2006]

Engineer's Report

A Review of Projects in the Community

Village of Cottage Grove, WI

PREPARED BY: Kevin Lord PE/PLS

DATE: March 2020 Report

klord@msa-ps.com

BUSS ROAD / COTTAGE GROVE ROAD INTERSECTION PLAN – MSA contacted land owner's to prepare the improved geometry plans for the intersection. MSA traffic team is working on schematic to verify land needs.

5TH ADDITION TO WESTLAWN ESTATES – Contractor continuing to install utilities as weather permits. MSA is working with MMSD on deed restrictions for future phases at this time.

COTTAGE GROVE COMMONS – Contractor said they are a bit behind schedule so public utilities will start in a couple of weeks so in early March.

VILAS ROAD SEWER AND WATER – MSA is planning to bid both the path and the water and sewer projects in hopes of having bids for April meeting. MSA has been verifying the permits and depths to reduce project costs as well as provide for the future drainage area planned.

GLOBAL INFORMATION SYSTEM – MSA is working on the mapping in order to verify the information from the field and determine capacity at key points in the Village. Flow meters have been installed in key sanitary sewer locations to determine the existing flows in Village interceptor sewers and areas to further investigate for inflow and infiltration. These work items will help determine the level of development whether in the west or north that trigger the need for the farm interceptor.

WEST PARKVIEW LRIP – Bids to be received on February 28th and recommendation at March meeting.

MAIN STREET BIKE PATH PARC GRANT – MSA contacted Dane County to verify funding and discuss the second phase of the project.

MGSD SITE PLAN – MSA provided comments on the site plans based on previous comments for utility extensions. Watermain and sanitary sewer connections along with street connections received comments. MSA submitted documents for the MMSD annexation of the school district property.

GLACIAL DRUMLIN PATH/CLARK STREET – MSA prepared a conceptual map to be shared with the Bike Path Committee on March 16th. MSA is looking at parking options and additional street improvements beyond the path limits.

Department of Public Works

Director's Monthly Report to the Public Works & Properties Committee

March 3rd, 2020

Snow & Ice

- February saw a number of significant events; and weather forecasts were off a lot.
- Staff reacted well to all; even with little accurate forecast notice.

Staff Update

- Both of our newest hires now have the CDLs; street plow routes are now fully staffed for first time this season.

W. Parkview repaving

- Bids opening was Friday.

Capital Equipment Update

- 2019 Plow Truck ETA - July.
- 2020 Plow Truck ordered last week; ETA for cab & chassis is April, completely built truck by December or January.
- Street Sweeper should be delivered late spring, early summer.

Stormwater Intern position

- Phone interviews a few weeks ago
- Interviewed 2 candidates last week

Glacial Drumlin Bike Path Project (TAP Grant)/Clark St. reconstruction/potential Grove St.

- Ad Hoc Bike Path Committee set a meeting date in mid-March to begin planning
- 2021 construction in conjunction with Clark St.
- MSA looking into options to offer street parking
- Grove St. reconstruction may be planned as part of these projects; scope TBD.

**VILLAGE OF COTTAGE GROVE PUBLIC WORKS & PROPERTIES COMMITTEE
MEETING MINUTES OF FEBRUARY 4, 2020**

1. **Call to Order at the Former Public Works Building.** The meeting was called to order at 6:00 p.m. by John Williams.
2. **Determine that a quorum is present and that the agenda was properly posted.**
It was determined that a quorum was present and that the agenda had been properly posted. Committee members present were Andy Eberhardt, Larry Kieck, Scott Schuerman and John Williams (chair). Mike Hackel was absent and excused. Also present were Public Works Director JJ Larson, Utility Clerk Kristen Krause, Village Engineer Kevin Lord of MSA and Village Trustee Melissa Ratcliff.
3. **Public Appearances – Public’s opportunity to speak to Committee Members about any item that is not a specific agenda item.**
None.
4. **Old Business**
 - a. **Discuss Village road salt use and potential pilot program.**
Larson explained that the delay in implementing the road salt use pilot program is due to still being down one CDL driver. He wants to make sure that all Public Works staff are on their regular routes before putting the program in action. There is a plan for the program in place, however, it is looking like it will not start up until next winter season. When implementation gets closer, Larson stated that he plans to notify residents in the neighborhoods where the modified salt use will occur. No formal action was taken.
 - b. **Discuss potential Village leaf collection program.**
With positive feedback about a leaf collection program, Larson reached out to other communities that already provide this service. Many established communities similar in size to Cottage Grove already provide leaf collection. After speaking with Monona Public Works, Larson found that the Village could potentially get a decent leaf collection vehicle for about what a new dump truck costs. There is a new dump truck budgeted for this year, and Larson was wondering if the committee would like him to pursue switching the dump truck out for a leaf collection vehicle this year. The committee discussed this and decided it would be better to budget for a leaf collection vehicle in 2021 and leave the dump truck in for this year. Another issue is staffing the vehicle. Larson said he would keep this year’s dump truck in the budget and push back the 2021 dump truck to allow for budgeting of a leaf collection vehicle. He also noted that the DNR has not yet specified a date for when leaf collection will become mandatory.
5. **New Business**
 - a. **Discuss and consider addition of “No Parking” signs on Commerce Parkway.**
This issue was brought to Larson’s attention through a complaint from Stihl. They are concerned with the amount of street parking directly in front of their business, which at times, blocks their mailbox and has caused a lot of issues for semis entering/turning into their lot. Larson and Police Chief Dan Layber went out to the Stihl and noticed parking violators in front of Stihl. Larson also pointed out that Matt Pass, which is right around the corner, has plenty of on-street parking available and only a few businesses. **Motion** by Eberhardt, seconded by Kieck, to approve the installation of “No Parking” signs on Commerce Parkway at both the entrances to Stihl and in front of their mailbox. . Motion carried with a unanimous voice vote of 4-0-0.
 - b. **Discuss potential modification of Ordinance §305-7 Emergency Snow Removal Regulations.**
Larson surveyed ten other area communities to find out who or which entity declared snow emergencies. The results ranged from a Public Works Director, Police Chief, Mayor, City Manager, Street Superintendent to no one, just set rules for when an emergency can be declared. The best

discussion he had was with the Deerfield Public Works Director who said he is in charge of declaring snow emergencies. He also said that he has only declared one such emergency in over 20 years because they have alternate side parking in place through the winter season. This would be a similar situation for Cottage Grove. Committee members have no issue with Larson being designated as the person who can declare a snow emergency if the need arises. They feel like the person who is in charge of clearing the streets of snow, should also be the person to declare an emergency. Larson will work on updating the language for the ordinance and bring it back to the committee next month. No formal action was taken at this time.

6. Engineers Report

Quarry Ridge Subdivision

Surety is reduced from \$850,000 to \$350,000 with asphalt surface course, sidewalk and restoration remaining for the spring. A new annual Land Disturbance Permit was released for the quarry area. The permit provides limited operational hours and requires an added gate on Matt Pass to prevent random access and dumping from occurring.

Buss Road/Cottage Grove Road Intersection Plan

James Bongard of MSA will be communicating with landowners to prepare the improved geometry plans for the intersection.

5th Addition to Westlawn Estates

Contractor called and noted the typical roadway section on the plans was incorrect. MSA approved the typical section from the previous additions.

Cottage Grove Commons

Preconstruction meeting was held, and public construction will begin the end of February.

Vilas Road Sewer and Water

The soils report was completed and nothing out of the ordinary was noted. MSA completed the survey of the area and discussed alignments of the path to utilize the existing gravel path and work with the culvert extension along with minimizing wetland impacts. The path extends between Weald Bridge and Progress Drive. MSA will have more information about the plans and bidding in the future. Lord and Bongard will meet with Larson on Thursday this week to discuss the project and hopefully set a schedule for bidding.

Phoebe Bakken Park

MSA has the documents out to bid. The bid opening will be held on February 12. MSA is also checking with the DOT about the potential of reducing the speed limit in front of the park on Vilas Road.

Global Information System

MSA is near completion of the structure measurements of the sanitary and storm system for mapping capacity calculations. MSA is working on the mapping in order to verify the information from the field. We ordered flow meters to install in key sanitary sewer locations to determine the existing flows in Village interceptor sewers. These work items will help determine the level of development whether in the west or north that trigger the need for the farm interceptor.

West Parkview LRIP

MSA is preparing plans for the LRIP project of pulverizing and relaying West Parkview Street in the Village. The Village will receive approximately \$27,000 for the work through the program. MSA will have the project bid opening on February 28, in time for the March Public Works meeting.

Main Street Bike Path PARC Grant

MSA contacted Dane County to verify funding and discuss the second phase of the bike path project. Dane County indicated that there is no PARC Grant funding in 2020. They also noted that funding for the PARC Grant has typically been every other year, although there are no guarantees. If there is funding in 2021, Dane County will not take applications until summer of 2021. This would mean that if the Village waits for

the funding, the second phase of the bike path project would not begin until late fall of 2021. Lord also stated that the costs for the second phase of the project were higher than originally expected. The Village also hasn't yet applied for the \$182,500.00 reimbursement for phase one of the bike path. Another item that is still pending from the first phase is the "way finding" signage that is supposed to be placed along the bike path.

7. Directors Report

Snow & Ice

January made up for December in snow events. The staff have done a remarkable job, especially considering working around vacations, unexpected time off and still being down one CDL driver.

West Parkview Repaving Project

Plan to bid project out in February with a completion date of early July. This project will use \$27,000 of State LRIP (Local Roads Improvement Program) funds.

Changes to CDL License requirements

CDL License holders are now required to register with the Federal Clearinghouse. New entry drivers will have training requirements prior to obtaining a license, however, the start of this requirement has now been postponed until 2022 due to a lot of questions by participants.

ROW permit changes 2020

Larson would like to update the ROW permit. He has begun gathering information from other municipalities. The intention is to develop a formal cost for ROW permits based on size and scope and develop a more formalized process of approval, inspection and close-outs.

Construction specs

Larson, Lord and Bongard have begun working on updating the construction specs.

Stormwater Quality Plan update complete

The Village is in good shape in both of our watersheds. This updated plan identifies future projects; it quantifies their TSS and TP removals and estimated costs and keep them on the radar for financial planning. Presentation to the Village Board is planned following elections this spring.

Bike path along CTH N/Main Street

See Engineer's Report for an update on potential funding for phase 2.

Glacial Drumlin Bike Path Project (TAP Grant)

The Ad Hoc Committee has set a meeting date in mid-March to begin planning. A 2021 construction is being planned in conjunction with Clark Street. The Village portion of this path will be complete and ready when Dane County connects the path to Madison.

Facility Needs Study – 2020

Since the roof and HVAC at the old Public Works shop haven't been causing problems lately, Larson is not inclined to update either. Instead he would rather invest in a lighting upgrade at both the Village Hall and Municipal Services Building (MSB). The local company he has been working with for lighting would handle the upgrades and the payback would be 3 ½ years for the MSB and 7 ½ years for Village Hall. He wanted to gauge committee interest in pursuing both upgrades.

8. Approve the minutes of the January 7, 2020 Public Works & Properties Committee meeting.

Motion by Kieck, seconded by Eberhardt, to approve the January 7, 2020 Public Works and Properties Committee meeting minutes as presented. Motion carried with a voice vote of 4-0-0.

9. Set tentative date for next meeting.

The next meeting is tentatively scheduled for Tuesday, March 3, 2020 at 6:00 pm.

10. Future Agenda Items

- Update on lighting improvements.

- Discuss LRIP and West Parkview bids.
- Discuss and consider Snow Emergency Removal Ordinance language.

11. Adjournment

Motion by Eberhardt, seconded by Kieck, to adjourn at 7:18 pm. Motion carried with a voice vote of 4-0-0.

Respectfully submitted by Kristen Krause, Utility Clerk.

TO:	Village Board
FROM:	JJ Larson, Director of Public Works & Utilities
RE:	2020 Village Street Repaving

BACKGROUND

The Capital Budget includes an allocation for street repaving work annually (\$121,000 in 2020). Our Department identified the area we deemed most appropriate given the condition, traffic, visibility and budget.

OVERVIEW

The area identified is a section of West Parkview St. between CTH N/Main St. and the intersection with Westlawn. The street is showing signs of serious wear, failed maintenance treatments and increasing potholes. It is also a heavily travelled route to & from Taylor Prairie School. On November 5, 2019 the Public Works & Properties Committee voted unanimously to approve the 2020 street repaving plan.

The Village was also awarded Local Road Improvement Funds (LRIP) towards this work in the amount of \$27,316.28.

We requested bids to do full-depth pulverization and repaving of the roadway and received three bids; with Tri-County Paving, Inc. as the lowest bidder. The Public Works & Properties Committee unanimously recommended approving award to Tri-County at the meeting on March 3rd, 2020.

STAFF RECOMMENDATION

I recommend that the Board award the 2020 Village of Cottage Grove Street Repaving work to Tri-County Paving, Inc.

ORDINANCE 03-2020
AMENDING CHAPTER 305-7 EMERGENCY SNOW REMOVAL
OF THE
VILLAGE OF COTTAGE GROVE MUNICIPAL CODE

The Village Board for the Village of Cottage Grove, Dane County Wisconsin, does hereby ordain as follows:

SECTION I. – BACKGROUND RATIONALE

The ordinance amendment will allow for efficient snow removal when a snow emergency is happening.

SECTION II. – CURRENT LANGUAGE

Section A currently reads:

President may declare a general or limited snow emergency. Whenever the President or the President's designee, after consultation with the Chief of Police and/or Director of Public Works, determines that an emergency exists because of existing or threatened snow or ice conditions which necessitate prompt removal of accumulations of ice and snow from such streets and highways, the President or the President's designee may by appropriate public media declare a general or limited snow emergency during which the following emergency snow parking regulations shall be in force in the Village.

Section A shall be amended to read as follows:

Director of Public Works may declare a snow emergency. Whenever the Director or the Director's designee determines that an emergency exists because of existing or threatened snow or ice conditions which necessitate prompt removal of accumulations of ice and snow from streets and highways, the Director or the Director's designee may by appropriate public media declare a snow emergency during which the following emergency snow parking regulations shall be in force in the Village.

Section B currently reads:

General snow emergency. During a declared general snow emergency no person shall park any vehicle at any time on a designated snow emergency route and no person shall park any vehicle on any other street within the Village.

Section B shall be amended to read as follows:

During a declared snow emergency, no person shall park any vehicle at any time on any street within the Village.

Section C currently reads:

Limited snow emergency. During a declared limited snow emergency no person shall park any vehicle at any time on a designated snow emergency route.

Section C shall be amended to read as follows:

Termination of emergency. A snow emergency may be terminated by public announcement in the appropriate public media declaring the termination.

Section D currently reads:

Designated snow emergency routes. The following streets or portions thereof within the Village are designated snow emergency routes: Highway N and Highway BB.

Section D shall be amended to read as follows:

Alternate side parking.

[Amended 10-17-1994]

(1) Alternate side parking regulations shall be in effect on all Village streets from December 1 to March 15 of each year. Parking shall be on the even side of the street on even-numbered days and the odd side of the street on odd-numbered days. The numerical date as of 12:01 a.m. shall be in effect until 8:00 a.m.

[Amended 9-5-2006 by Ord. No. 10-2006]

(2) The following streets/portions of streets of the Village shall be exempt from the terms of this subsection:

(a) All of Uphoff Drive.

(b) South Main Street from the railroad tracks to Reynolds Street.

(c) All of Reynolds St.

(d) Commerce Parkway, Limestone Pass, Landmark Drive from Commerce Parkway north and Matt Pass from Limestone north.

Section E currently reads:

Termination of emergency. A snow emergency may be terminated by public announcement in the appropriate public media declaring the termination.

Section E shall be amended to read as follows:

Penalties and enforcement. Any person violating Subsection(s) B, C, or G shall, upon conviction thereof, be subject to a forfeiture of not less than \$25 nor more than \$100 together with costs of prosecution and penalty assessments and in default of payment

thereof shall be imprisoned until such forfeiture has been paid, but not to exceed 90 days. Vehicles parked in violation of this section may be ticketed and towed in accordance with § 305-5B of this chapter.

[Amended 2-19-2018 by Ord. No. 01-2018] Section F shall be deleted.

Section F will be removed

Section G will be removed

Section H will now be Section E

SECTION III. - CONFLICT AND SEVERABILITY

Section 305-7 of the MUNICIPAL CODE OF THE VILLAGE OF COTTAGE GROVE shall apply to this ordinance.

SECTION IV. - EFFECTIVE DATE

This ordinance shall take effect upon compliance with the publication/posting requirements of the Wisconsin Statutes.

Adopted this 16 day of March 2020.

VILLAGE OF COTTAGE GROVE NOTICE OF PUBLIC MEETING

LIBRARY PLANNING COMMITTEE

Wednesday, February 5, 2020 Municipal Services Building

6:30 p.m. 210 Progress Drive

DRAFT MEETING MINUTES

- 1) **Call Meeting to Order - by Melissa Ratcliff at 6:30 pm**
- 2) **Quorum and roll call - Present: Tiffany Haas, Cindi Kelm-Nelson, Melissa Ratcliff, Anne Schoenemann, David Peterson**
- 3) **Public Appearances:** Public's opportunity to speak about any subject that is not a specific agenda item. **None.**
- 4) **Presentation:** Mark Ibach with South Central Library System (SCLS) and Tracy Herold with Dane County Library Service (DCLS) with information on possible costs of operating and building a library and discussion regarding features in libraries.
 - a. Mark presented the 2018 state annual report. Hard to define operating costs for a brand new library but this is a start. Includes population, square footage, municipal appropriation and total operating expenditures for libraries in SCLS. Stats vary widely. Building costs take into account staffing space, shelving, spaces created to benefit the community. Standards include collection size and staffing, hours open, public internet materials/expenditures and items added each year. State Statute Chapter 43 directs library governance and includes state suggestions.
 - b. Tracy presented a sample operating budget using Dane County standards which include state suggestions. The standards provide funding based on population and a predetermined level of robust service (can't exempt from Dane County Library tax for a small storefront building). If you follow Dane County standards, you are following the state suggestions. The Village population (6720 Jan. 2019) bracket is 5,000-9,999 so the range for requirements is in that bracket. Collection - Add 5% each year for items. Plan for short and long term expenses each year and create a 5 year timeline so the budget doesn't have a dip or high increase.
 - c. Is there data to help us understand the future growth to determine size and services? The school data included all residents they tax. Whereas, the library is serving the Village and any Dane County resident who uses their library card at the library. Need to look at a few sets of data.

- d. In 2008, the library was to cost \$245 square foot to build. Today is estimated at \$300 square foot or 7.4 million at 24,000 square feet (a guesstimate) and starting collection \$750,000.
- e. The library will be funded on more than the county library tax reimbursement - consider that extra funding because the reimbursement varies from year to year. CG pays \$255,000 to the county tax (2018). Volunteers are a bonus but not to be expected to complete library work. They cannot access catalog. Recommend something different than a computer lab. Counter with 2-3 public stations. Teaching with technology can be done in small rooms. Most people bring their own devices. No new school has a computer lab (Tiffany Haas MGSD). Be careful you do not staff with too few people. For example, one person at night. Consider whether to open on Sundays before opening a library.
- f. The actual capital campaign target will be estimated once we know what the community needs and wants via future Library Board survey. Building: \$7-9 million but additional rooms change costs that may not increase operational costs. Certain services can raise operating costs. Work with Parks and Rec, Police/Fire/EMS/ other organizations to create collaborative projects to build community relationships.

5) Old Business:

- a. Little Free Libraries: Facebook and Website Posts, Responses, and Parks Map - Parks and Rec will maintain the map once we add independent boxes. Add addresses and number each box. Anne and Abby can work on the map. Add Park and Recs and Friends on map

6) New Business. None

7) Approve minutes:

- a. January 13, 2020, Library Planning Committee Minutes. Dave Peterson motions to approve, Cindi Kelm-Nelson seconds. Motion carries 5-0.

[1-13-20 Library Planning Committee Minutes.docx](#)

8) Friends of Cottage Grove Library Report:

- a. Monthly meetings - Next meeting February 13th at Monona State Bank - 6-8 pm; Give number of Friends' attendees to Melissa for presentation at Madison Community Foundation and tour at Central Library on March 4th.
- b. Activities-
 - Selecting an App and Creating Donor/Volunteer/Resource Database;
 - Melissa, Nancy Engle and Anne attend Monona Friends' winter fundraiser;
 - National Bookmobile Day planning February 26th 6:30-7:30 at Anne's house;

- Pinney Gala February 29th and Pinney Grand Opening March 12th at 5pm;
- National Library Week April 19-25, 2020.

9) **Set tentative date for next meeting:** Wednesday, March 4, 2020, at 4:30 p.m. at Madison Community Foundation, 111 N. Fairchild Street, Suite 260, Madison, and then Madison Public Library, 201 W. Mifflin Street, in Madison after the presentation at Madison Community Foundation. Wednesday, March 25th 6:30-8 p.m. for survey planning at Municipal Building

10) Future Agenda items

- a. April meeting: panel of elementary school librarians for information on needs of students, Monday, April 13th. Send questions to Tiffany for librarians.
- b. Request GDS and MGHS librarians present another time. High school is changing library design in the near future. Interesting to find out what is happening and why they are changing their design.
- c. May meeting, survey work?
- d. March 25th meet to discuss focus groups and survey work with Michelle.
 - i. What is the structure and timeline of a survey? What data do we need to contact people?
 - ii. Can we see a previous survey?
 - iii. How do we set up for focus groups and what is the process?
 - iv. How do we start building survey questions?
 - v. Which measurables do we use and report back to the Village Board?

11) **Adjournment** Dave Peterson motions to adjourn, Anne Schoenemann seconds. Motion passed 5-0. Meeting ends at 7:59 pm

VILLAGE ACTION REPORT

PROJECT: Miracle League Field in Bakken Park

APPLICANT: Andy Meesmann – Snyder & Associates

PROJECT LOCATION: Bakken Park

REPORT DATE: March 12, 2020

PROJECT DESCRIPTION: The applicant is seeking approval of a site plan for an ADA accessible baseball field to players with disabilities.

PLAN COMMISSION MEETING: March 11, 2020

STAFF REPORT PROVIDED BY: X Planner, X Engineer, ___ Public Works

MOTION: by Pickel (1st), Brinkmeier (2nd)

The Site Plan was APPROVED WITH CONDITIONS with the following conditions:

Planning

1. Plant three additional canopy trees between the south side of the field and the existing pedestrian/bike path to provide additional screening for the field lighting.
2. The Parks Dept. and Miracle League shall coordinate the most effective use of the parking lot on game nights to ensure the needs of the field's users are accommodated.

Engineering

1. Storm sewer noted on Sheet L203 is noted as having rims however I do not see anything that details what these structures are intended to be. Please provide if these are manholes and what grates are being used.
2. The piping is noted to be perforated which is indicative of infiltrating soils. No details of the soils are included and should be determined if the intent is to make these areas infiltrating.
3. Developer should provide calculations showing the areas draining to each drain to provide pipe capacity calculations and show the storage areas used during large storm events.
4. Connections are shown to the existing storm sewer. However, it is not noted but should be planned to connect to the existing storm sewer with structures for maintenance purposes. (Possibly connect to the existing structure on the east side of the field.)
5. The watermain being placed for the splashpad should be extended through the Miracle Field at the time of construction on Sheet L204.
6. The landscaping shown on Sheet L206 shows landscaping above the perforated drains. These should be verified as roots will be prone to go to the perforated pipes and cause clogging issues.

7. The landscaping areas are shown as rock mulch and this should be verified with the grates and structures that are on the storm plans.
8. The lighting plans do not show the light beyond the field area and based on the orientation of the lighting I assume this is minimal but would be good to show if there is any trespass on the neighboring amenities and how much.

VOTE: 6 Aye, 0 Nay, 0 Abstain

APPLICANT COMMENTS:

- (Andy Meesmann – Landscape Architect, Snyder & Associates) – provided an overview of the project and available for questions.

PUBLIC COMMENTS:

- None

PLAN COMMISSION COMMENTS:

- (Williams) – Is knowledge from other projects being leveraged for this one? Meesmann replied that Snyder & Associates have worked on several Miracle Fields in other states. Miracle League is a national organization with hundreds of facilities.
- (Jushchyshyn) – What is the size of the field relative to a major league field? Meesmann replied it is much smaller – smaller than a typical little league field.
- (Schulze) – confirmed that the field has lighting? Meesmann replied yes.
- (Pickel) – asked how late the games typically go? Miracle League representatives replied they typically have games at 5:30 and 7. Lights will probably not be used often – mostly in the fall. Field in Milwaukee rarely uses their lights.

STAFF COMMENTS:

RE: **Site Plan for Miracle League Baseball Field at Bakken Park**

BACKGROUND

Property Owner: Village of Cottage Grove

Location: Bakken Park

Area: 28.6 acres

Agent: Bill Schultz – Miracle League of Dane County
Sean Brusegar – Director of Parks & Rec., V. of Cottage Grove
Andy Meesmann – Snyder & Associates

Existing Zoning: Park & Open Space

Proposed Zoning: Park & Open Space

Future Land Use Plan: Park & Open Space

OVERVIEW

The Miracle League is a national entity with 240 member organizations. They build specialized baseball fields with rubberized (wheelchair accessible) surfaces to allow participation by children and adults with physical and mental disabilities. They use a “buddy system” to match each player with an able-bodied peer.

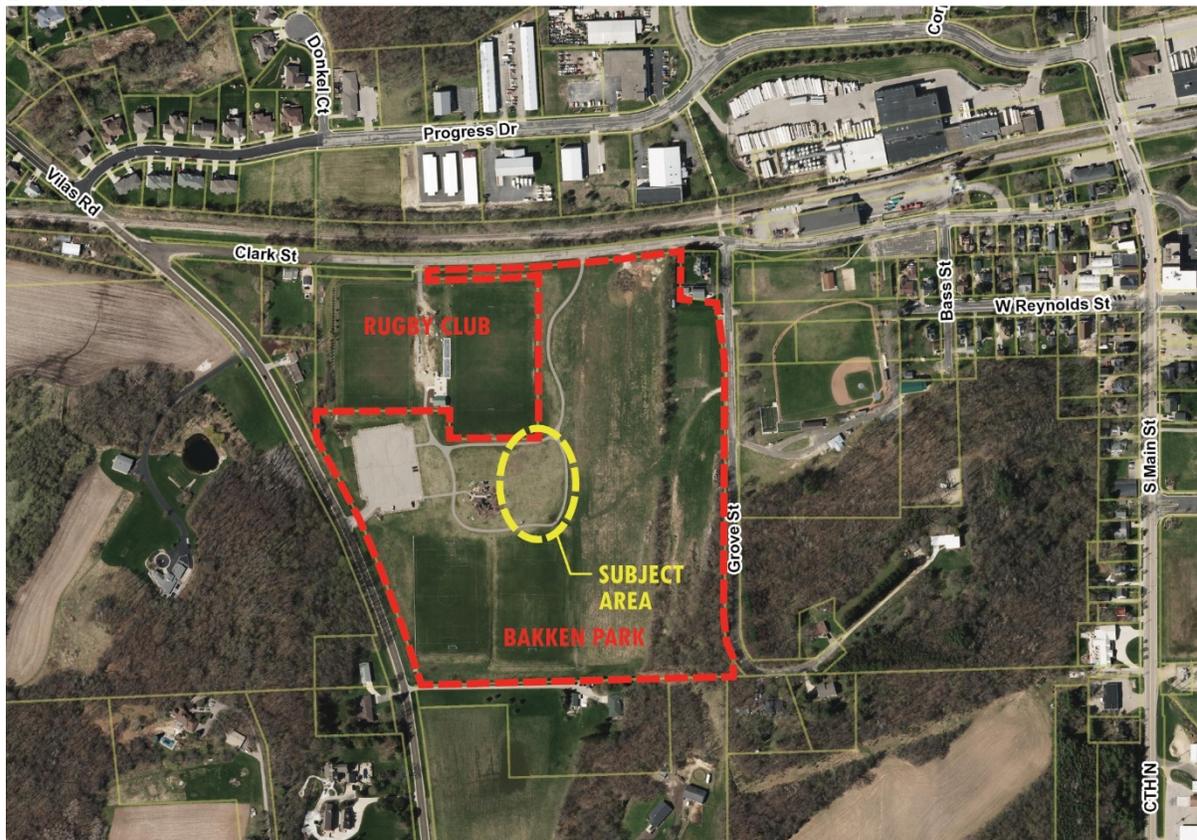

Miracle League of Dane County is collaborating with the Village to build a facility in Bakken Park. It would be the first such facility in the Madison region. Existing facilities in Wisconsin can be found in Milwaukee and Manitowoc.

The proposed facility will be located immediately east of the existing playground and forthcoming splash pad. The facility includes the rubberized field, dugouts, bleachers, picnic tables, a drinking fountain, fencing, lights, and landscaping.

Occupancy is expected to include 36 to 50 users and an additional 30 to 40 spectators during games. The field will be used by Miracle League on Tuesday, Wednesday, and Thursday evenings from 5:30 to 9 from May to mid-August.

LOCATION MAP

COMPREHENSIVE PLAN CONSISTENCY

The property is designated as Park and Open Space on the Future Land Use Map. The proposed site plan amendment is consistent with that designation.

The Park and Open Space Plan approved in 2018 included a master concept plan for Bakken Park. This specific opportunity was unknown at the time the plan was drafted and

approved. However, additional baseball/softball fields are part of the master plan. The specific location proposed for the Miracle League Field contains tennis courts in the master plan, but the courts can easily be accommodated nearby in the future. The Miracle League Field is a unique opportunity that is expected to provide a positive feature for Bakken Park that will complement the adjacent playground, splash pad, and shelter.

In the opinion of staff, the proposed site plan is consistent with the Comprehensive Plan.

ZONING ORDINANCE CONSISTENCY

The Bakken Park parcel is zoned Park and Open Space, as regulated by 325-42 of the zoning ordinance.

Per 325-42(2)(a), both active outdoor public recreation land uses are permitted by right within the district.

The proposed project meets all intensity and bulk requirements of the district.

The baseball field is considered an 'active public outdoor recreation' land use per 325-49(C)(2), which has the following requirements:

(a)(1) Facilities using lighting and adjoining a residentially zoned property shall install and continually maintain a bufferyard with a minimum opacity of 0.6. Said bufferyard shall be located at the property line adjacent to said residential property.

The proposed Miracle League Field does include field lighting, and the park parcel is adjacent to residential parcels on the west, south, and northeast sides. However, the park parcel is quite large (38 acres) and the respective property lines are all more than 600' from the field. So while the parcel is technically adjoining, the field itself is not. In the opinion of staff the bufferyard should not be required. The proposal includes substantial landscaping on the west and northeast sides. While the full bufferyard should not be required the project could benefit from additional canopy trees to the south of the field. Staff recommends three located between the south side of the field and the pedestrian/bike path.

(a)(2) All structures and active recreational areas shall be located at least 50 feet from any residentially zoned property.

As noted above, the field is more than 600' from any residentially zoned property.

(a)(3) Facilities that serve a community-wide function shall be located with primary vehicular access on a collector or arterial street.

The parking lot serving the field is accessed from Vilas Road.

(a)(4) Facilities serving a community-wide function shall provide an off-street loading area if the majority of the users are children.

(b) Parking requirement: 1 space per 4 expected patrons at maximum capacity.

The Miracle League Field will be served by the existing Bakken Park parking lot, which contains 148 spaces. Per the applicant the maximum capacity is expected to be 50 users and 40 spectators, totaling 90 which would require 23 parking spaces. Therefore the existing parking lot should be adequate to handle the field in addition to the playground and splash pad. The field's organizers plan to coordinate schedules with the rugby facility (Miracle Field games will mostly occur on weeknights and most rugby tournaments occur on weekends).

The parking lot has enough accessible spaces per ADA. However, given the specific nature of the Miracle Field there may be demand for more than the minimum amount of ADA spaces. The Parks Dept. should coordinate with the Miracle League on signing standard spaces as ADA spaces during games, maintaining a clear drop off area within the lot, or other accommodations as necessary. This may require some trial periods during the first season to determine the best approach.

STAFF RECOMMENDATIONS

Staff recommends that the proposed Site Plan be **APPROVED WITH CONDITIONS**, with the following conditions:

1. Plant three additional canopy trees between the south side of the field and the existing pedestrian/bike patch to provide additional screening for the field lighting.
2. The Parks Dept. and Miracle League shall coordinate the most effective use of the parking lot on game nights to ensure the needs of the field's users are accommodated.

Proposed Miracle Field at Phoebe Bakken Memorial Park

REVIEW COMMENTS

MSA has reviewed the site plans submitted February 26, 2020 for the proposed Miracle Field at Phoebe Bakken Memorial Park.

INCLUDED

1. Lighting Plans
2. Grading Plans
3. Utility Plans
4. Landscape Plans

MSA reviewed the drainage and site civil for the project following the submittal and has the following comments.

Site Plans

1. Storm sewer noted on Sheet L203 is noted as having rims however I do not see anything that details what these structures are intended to be. Please provide if these are manholes and what grates are being used.
2. The piping is noted to be perforated which is indicative of infiltrating soils. No detail of the soils are included and should be determined if the intent is to make these areas infiltrating.
3. Developer should provide calculations showing the areas draining to each drain to provide pipe capacity calculations and verify any show the storage areas used during large storm events.
4. Connections are shown to the existing storm sewer however it is not noted but should be planned to connect to existing storm sewer with structures for maintenance purposes. (Possibly connect to the existing structure on the east side of the field.)

PROJECT REVIEW

5. The watermain being placed for the splashpad should be extended through the Miracle League field at the time of construction on Sheet L204.
6. The landscaping shown on Sheet L206 shows landscaping above the perforated drains. These should be verified as roots will be prone to go to the perforated pipes and cause clogging issues.
7. The landscaping areas are shown as rock mulch and this should be verified with the grates and structures that are on the storm plans.
8. The lighting plans do not show the light beyond the field area and based on the orientation of the lighting I assume that is minimal but would be good to show if there is any trespass on the neighboring amenities and how much.

SUBMITTAL REQUIREMENTS PER 325-112(C): Required items that are deemed to be not applicable to the proposed project may be waived by the Zoning Administrator. Detailed site analysis per 325-112(C)(8) may be required; verify with Village staff. Submittal materials may be submitted as pdf files via email in lieu of printed copies by arrangement with the Village Planning Director.

(1) Written description of the intended use describing in reasonable detail the:

(a) Existing zoning district(s) [and proposed zoning district(s) if different].

The proposed improvement and site are located on land currently zoned parks and open space. Zoning is not expected to change.

(b) Land use plan map designation(s).

See attachment 'A'.

(c) Description of existing environmental features.

Village Park that includes a parking lot, playground and shade shelters, sports fields, bleachers, maintenance building, and walking and bicycle paths. The park is bordered by Vilas Road to the west, Clark Road at the north, Fireman's park to the north east, vegetated hillside to the east, and private property to the south. The site is generally flat with minimal trees and shrubs. There are no wetlands, environmental corridors, open waterways, or other environmentally sensitive areas.

(d) Current land uses present on the subject property.

Park facilities. See description in 'c', above.

(e) Proposed land uses for the subject property.

Park – Miracle League Field. Miracle League is an organization that helps develop baseball fields that provide opportunities for children and adults with disabilities to play baseball unencumbered on a field specifically designed to meet their needs. The proposed field is consistent with the Master Park Plan.

(f) Projected number of residents, employees and daily customers.

There are no residents or employees for the improvements. The field and dugouts are designed to accommodate 36-50 users. Bleachers are designed to accommodate an additional 30-40 spectators.

(g) Proposed amount of dwelling units, floor area, impervious surface area and landscape surface area and resulting site density, floor area ratio, impervious surface area ratio and landscape surface area ratio.

There are no proposed dwelling units.

(h) Operational considerations relating to hours of operation, projected normal and peak water usage, sanitary sewer or septic loadings and traffic generation.

Typical hours of operation are Tuesday, Wednesday, and Thursday from 5:30pm to 9:00pm between May to mid-August. There will be no weekend games except on opening day and end of the season. The proposed park will not likely result in significant increases in water usage, sanitary sewers or septic loadings. Event schedules will be staggered with other activities (Rugby, for instance) so as not to conflict with parking and excess traffic.

(i) Operational considerations relating to potential nuisance creation pertaining to noncompliance with the performance standards addressed in Article VI, including street access, traffic visibility, parking, loading, exterior storage, exterior lighting, vibration, noise, air pollution, odor, electromagnetic radiation, glare and heat, fire and explosion, toxic or noxious materials, waste materials, drainage and hazardous materials. If no such nuisances

will be created (as indicated by complete and continuous compliance with the provisions of Article VI), then the statement "The proposed development shall comply with all requirements of Article VI" shall be provided.

The proposed development shall comply with all requirements of Article VI. A lighting plan is included within the proposal to document footcandle usage and trespass.

(j) Exterior building and fencing materials.

Black vinyl coated chain link fencing will be installed at the perimeter of the field. A windscreen will be installed on the outfield fencing. A 6x8 metal shed is included at the southwest corner of the field

(k) Possible future expansion and related implications for § 325-112C(1)(a) through (j) above.

No expansion of the field is planned.

(l) Any other information pertinent to adequate understanding by the Plan Commission of the intended use and its relation to nearby properties

The addition of the Miracle League Field follows the Park Master Plan. The field will help serve an under recognized user (disabled children and adults) or Cottage Grove parks and allow disabled users to freely play on a field that meets their unique needs.

(2) A small location map scalable at 11 inches by 17 inches showing the subject property, all properties within 300 feet and illustrating its relationship to the nearest street intersection. (A photocopy of the pertinent section of the Village's Official Zoning Map with the subject property clearly indicated shall suffice to meet this requirement.)

Refer to sheet L100 of attached Site Plan.

(3) A property site plan drawing (and reduction scalable at 11 inches by 17 inches) which includes:

All site plan items below are depicted in the Site Plan (Exhibit 'B') unless otherwise noted. Lighting plans can be found in Exhibit 'C'. Additional graphics are provided in Exhibit 'D'.

(a) A title block which indicates the name, address and phone number(s) of the current property owner and/or agent(s) (developer, architect, engineer, planner) for the project.

(b) The date of the original plan and the latest date of revision to the plan.

(c) A North arrow and a graphic scale. Said scale shall not be smaller than one inch equals 100 feet.

(d) A legal description of the subject property.

(e) All property lines and existing and proposed right-of-way lines with bearings and dimensions clearly labeled.

(f) All existing and proposed easement lines and dimensions with a key provided and explained on the margins of the plan as to ownership and purpose.

(g) All required building setback lines.

(h) All existing and proposed buildings, structures and paved areas, including building entrances, walks, drives, decks, patios, fences, walls and utility and drainage systems, connections and fixtures.

(i) The location and dimension (cross section and entry throat) of all access points onto public streets.

(j) The location and dimension of all on-site parking (and off-site parking provisions if they are to be employed), including a summary of the number of parking stalls provided versus required by this chapter.

- (k) The location and dimension of all loading and service areas on the subject property and labels indicating the dimension of such areas.
 - (l) The location of all outdoor storage areas and the design of all screening devices.
 - (m) The location, type, height, size and lighting of all signage on the subject property.
 - (n) The location, height, design/type, illumination power and orientation of all exterior lighting on the subject property, including the clear demonstration of compliance with a limit of 1.0 footcandles at nonresidential property lines and 0.5 footcandles at residential property lines.
 - (o) The location and type of any permanently protected green space areas.
 - (p) The location of existing and proposed drainage facilities.
 - (q) In the legend, data for the subject property: [1] Lot area; [2] Floor area; [3] Floor area ratio (b/a); [4] Impervious surface area; [5] Impervious surface ratio (d/a); and [6] Building height.
- (4) A detailed landscaping plan of the subject property, at the same scale as the main plan (and reduction scalable at 11 inches by 17 inches), showing the location of all required bufferyard and landscaping areas and existing and proposed landscape point 4/11/16 fencing and berm options for meeting said requirements. The landscaping plan shall demonstrate complete compliance with the requirements of Village landscaping requirements. (NOTE: the individual plant locations and species, fencing types and heights and berm heights need to be provided.)
See Site Plan sheets L205 and L206
- (5) A grading and erosion control plan at the same scale as the main plan (and reduction scalable at 11 inches by 17 inches) showing existing and proposed grades, including retention walls and related devices, and erosion control measures per Wisconsin Administrative Code, COMM Chapter 21, Uniform Dwelling Code, and Chapter 65, Commercial Construction.
See Site Plan sheets L202 and L203
- (6) Elevation drawings of proposed buildings or proposed remodeling of existing buildings showing finished exterior treatment shall also be submitted, with adequate labels provided to clearly depict exterior materials, texture, color and overall appearance. Perspective renderings of the proposed project and/or photos of similar structures may be submitted, but not in lieu of adequate drawings showing the actual intended appearance of the buildings.
Not applicable.
- (7) A certified survey may be required by the Zoning Administrator in instances where he determines compliance with setback requirements may be difficult. The survey shall be prepared by a registered land surveyor and shall depict property lines and proposed buildings, structures and paved areas.
See Site Plan sheet L100

5. CONTRACTOR SHALL CONFIRM THAT SITE CONDITIONS ARE SIMILAR TO THE PLANS, WITHIN TOLERANCES STATED IN THE CONTRACT DOCUMENTS, AND SATISFACTORY TO THE CONTRACTOR PRIOR TO START OF WORK. SHOULD SITE CONDITIONS BE DIFFERENT THAN REPRESENTED ON THE PLANS OR UNSATISFACTORY TO THE CONTRACTOR, THE CONTRACTOR SHALL CONTACT THE OWNER'S REPRESENTATIVE FOR CLARIFICATION AND FURTHER DIRECTION.
6. THE CONTRACTOR IS RESPONSIBLE TO PAY FOR, AND OBTAIN, ANY REQUIRED APPLICATIONS, PERMITTING, LICENSES, INSPECTIONS AND METERS ASSOCIATED WITH WORK.
7. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENALTIES ASSESSED TO THE OWNER RELATING TO ANY VIOLATIONS OR NON-COMFORMANCE WITH THE PLANS, SPECIFICATIONS, CONTRACT DOCUMENTS, JURISDICTIONAL CODES, AND REGULATORY AGENCIES.
8. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATION OF ALL UTILITY LOCATES PRIOR TO ANY EXCAVATION. REFER TO UTILITY PLANS FOR ALL PROPOSED UTILITY LOCATIONS AND DETAILS. NOTIFY OWNER'S REPRESENTATIVE IF EXISTING OR PROPOSED UTILITIES INTERFERE WITH THE ABILITY TO PERFORM WORK.
9. UNLESS IDENTIFIED ON THE PLANS FOR DEMOLITION OR REMOVAL, THE CONTRACTOR IS RESPONSIBLE FOR THE COST TO REPAIR UTILITIES, ADJACENT OR EXISTING LANDSCAPE, ADJACENT OR EXISTING PAVING, OR ANY PUBLIC AND PRIVATE PROPERTY THAT IS DAMAGED BY THE CONTRACTOR OR THEIR SUBCONTRACTOR'S OPERATIONS DURING INSTALLATION, ESTABLISHMENT OR DURING THE SPECIFIED MAINTENANCE PERIOD. ALL DAMAGES SHALL BE REPAIRED TO PRE-CONSTRUCTION CONDITIONS AS DETERMINED BY THE OWNER'S REPRESENTATIVE. CONTRACTOR SHALL BE RESPONSIBLE FOR LOGGING ANY DAMAGES PRIOR TO START OF CONSTRUCTION AND DURING THE CONTRACT PERIOD.
10. ALL WORK SHALL BE CONFINED TO THE AREA WITHIN THE CONSTRUCTION LIMITS AS SHOWN ON THE PLANS. ANY AREAS OR IMPROVEMENTS DISTURBED OUTSIDE THESE LIMITS SHALL BE RETURNED TO THEIR ORIGINAL CONDITION AT THE CONTRACTOR'S EXPENSE. IN THE EVENT THE CONTRACTOR REQUIRES A MODIFICATION TO THE CONSTRUCTION LIMITS, WRITTEN PERMISSION MUST BE OBTAINED FROM THE OWNER'S REPRESENTATIVE PRIOR TO ANY DISTURBANCE OUTSIDE OF THE LIMITS OF WORK.
11. THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE REPAIR OF ANY OF THEIR TRENCHES OR EXCAVATIONS THAT SETTLE.
12. THE CONTRACTOR SHALL BE RESPONSIBLE TO PREPARE AND SUBMIT A TRAFFIC CONTROL PLAN TO THE APPROPRIATE JURISDICTIONAL AGENCIES AND THE OWNER'S REPRESENTATIVE IF THEIR WORK AND OPERATIONS AFFECT OR IMPACT THE PUBLIC RIGHTS-OF-WAY. OBTAIN APPROVAL PRIOR TO ANY WORK WHICH AFFECTS OR IMPACTS THE PUBLIC RIGHTS-OF-WAY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENAL TIES ASSESSED TO THE OWNER RELATING TO THIS REQUIREMENT DURING THE CONTRACT PERIOD.
13. SIGHT TRIANGLES AND SIGHT LINES SHALL REMAIN UNOBSTRUCTED BY EQUIPMENT, CONSTRUCTION MATERIALS, PLANT MATERIAL OR ANY OTHER VISUAL OBSTACLE DURING THE CONTRACT PERIOD AND AT MATURITY OF PLANTS PER LOCAL JURISDICTIONAL REQUIREMENTS.
14. NO PLANT MATERIAL OTHER THAN GROUND COVER IS ALLOWED TO BE PLANTED ADJACENT TO FIRE HYDRANTS AS STIPULATED BY JURISDICTIONAL REQUIREMENTS.
15. COORDINATE SITE ACCESS, STAGING, STORAGE AND CLEANOUT AREAS WITH OWNER'S REPRESENTATIVE.
16. CONTRACTOR IS RESPONSIBLE FOR PROVIDING TEMPORARY SAFETY FENCING AND BARRIERS AROUND ALL IMPROVEMENTS SUCH AS WALLS, PLAY STRUCTURES, EXCAVATIONS, ETC. ASSOCIATED WITH THEIR WORK UNTIL SUCH FACILITIES ARE COMPLETELY INSTALLED PER THE PLANS, SPECIFICATIONS AND MANUFACTURER'S RECOMMENDATIONS.
17. CONTRACTOR SHALL BE RESPONSIBLE FOR PROTECTION OF THEIR MATERIAL STOCK PILES AND WORK FROM VANDALISM, EROSION OR UNINTENDED DISTURBANCE DURING THE CONSTRUCTION PERIOD AND UNTIL FINAL ACCEPTANCE IS ISSUED.
18. THE CONTRACTOR SHALL KNOW, UNDERSTAND AND ABIDE BY ANY STORM WATER POLLUTION PREVENTION PLAN (SWPPP) ASSOCIATED WITH THE SITE. IF A STORM WATER POLLUTION PREVENTION PLAN IS NOT PROVIDED BY THE OWNER'S REPRESENTATIVE, REQUEST A COPY BEFORE PERFORMANCE OF ANY SITE WORK.
19. MAINTAIN ANY STORM WATER MANAGEMENT FACILITIES THAT EXIST ON SITE FOR FULL FUNCTIONALITY. THE CONTRACTOR SHALL INSTALL AND MAINTAIN ANY NEW STORM WATER MANAGEMENT FACILITIES THAT ARE IDENTIFIED IN THE SCOPE OF WORK TO FULL FUNCTIONALITY. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENALTIES ASSESSED TO THE OWNER FOR FAILURE TO MAINTAIN STORM WATER MANAGEMENT FACILITIES DURING THE CONTRACT PERIOD.
20. THE CONTRACTOR SHALL PREVENT SEDIMENT, DEBRIS AND ALL OTHER POLLUTANTS FROM EXITING THE SITE OR ENTERING THE STORM SEWER SYSTEM DURING ALL DEMOLITION OR CONSTRUCTION OPERATIONS THAT ARE PART OF THE INSTALLATION. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENALTIES ASSESSED TO THE OWNER RELATING TO THESE REQUIREMENTS DURING THEIR CONTRACTED COURSE OF WORK.

GENERAL NOTES CONTINUED

- 21. THE CONTRACTOR SHALL BE RESPONSIBLE TO PREVENT ANY IMPACTS TO ADJACENT WATERWAYS, WETLANDS, OR OTHER ENVIRONMENTALLY SENSITIVE AREAS RESULTING FROM WORK DONE AS PART OF THIS PROJECT. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENALTIES ASSESSED TO THE OWNER RELATING TO THESE STANDARDS DURING THEIR CONTRACTED COURSE OF WORK.
22. THE CONTRACTOR AND/OR THEIR AUTHORIZED AGENTS SHALL ENSURE THAT ALL LOADS OF CONSTRUCTION MATERIAL IMPORTED TO OR EXPORTED FROM THE PROJECT SITE SHALL BE PROPERLY COVERED TO PREVENT LOSS OF MATERIAL DURING TRANSPORT. TRANSPORTATION METHODS ON PUBLIC RIGHT-OF WAYS SHALL CONFORM TO JURISDICTIONAL REQUIREMENTS. THE CONTRACTOR SHALL BE RESPONSIBLE FOR ANY FINES OR PENALTIES ASSESSED TO THE OWNER RELATING TO THESE REQUIREMENTS.
23. THE CLEANING OF EQUIPMENT IS PROHIBITED AT THE JOB SITE UNLESS AUTHORIZED BY THE OWNER'S REPRESENTATIVE IN A DESIGNATED AREA. THE DISCHARGE OF WATER, WASTE CONCRETE, POLLUTANTS, OR OTHER MATERIALS SHALL ONLY OCCUR IN AREAS DESIGNED FOR SUCH USE AND APPROVED BY THE OWNER'S REPRESENTATIVE.
24. THE CLEANING OF CONCRETE EQUIPMENT IS PROHIBITED AT THE JOB SITE EXCEPT IN DESIGNATED CONCRETE WASHOUT AREAS. THE DISCHARGE OF WATER CONTAINING WASTE CONCRETE IN THE STORM SEWER IS PROHIBITED.
25. LOCAL, STATE AND FEDERAL JURISDICTIONAL REQUIREMENTS, RESTRICTIONS OR PROCEDURES SHALL SUPERSEDE THESE PLANS, NOTES AND SPECIFICATIONS WHEN MORE STRINGENT. NOTIFY THE OWNER'S REPRESENTATIVE IF CONFLICTS OCCUR.

CONSTRUCTION SEQUENCE

- 1. INSTALL AND MAINTAIN THE TEMPORARY GRAVEL CONSTRUCTION ENTRANCE/EXIT'S AS DESCRIBED IN THE DANE COUNTY EROSION CONTROL AND STORMWATER MANAGEMENT MANUAL. ADDITIONALLY INSTALL CONSTRUCTION EQUIPMENT PARKING AREAS. STABILIZE BARE AREAS IMMEDIATELY WITH GRAVEL AND TEMPORARY VEGETATION AS CONSTRUCTION TAKES PLACE. THE TEMPORARY ACCESS POINT SHALL BE PLACED IN THE LOCATION SHOWN ON THE GRADING AND EROSION CONTROL PLAN. THE ENTRANCE/EXITS WILL BE INSPECTED DAILY. IF THE AGGREGATE WITHIN THE TEMPORARY ACCESS PADS BECOMES COVERED WITH SOIL OR IF SIGNIFICANT QUANTITIES OF SOIL ARE TRACKED ONTO THE EXISTING ROADWAY THEN ADDITIONAL AGGREGATE WILL BE INSTALLED TO ALLOW THE ENTRANCE/EXITS TO FUNCTION PROPERLY.
2. INSTALL EROSION AND SEDIMENT CONTROL BARRIERS (SILT FENCE) IMMEDIATELY DOWNSLOPE OF AREAS TO BE DISTURBED DURING CONSTRUCTION AS SHOWN ON THE APPROVED GRADING PLAN. THE BARRIERS MUST BE INSTALLED PARALLEL TO THE SITE CONTOURS TO THE EXTENT PRACTICABLE WITH THE ENDS EXTENDED UPSLOPE ONE TO TWO FEET TO PREVENT FLANKING OF THE RUNOFF. AT NO TIME FROM THE START OF ROUGH GRADING UNTIL SITE STABILIZATION SHALL AN UNBROKEN SLOPE EXIST BETWEEN DISTURBED AREAS AND THE RECEIVING WATERS. THE DANE COUNTY EROSION CONTROL AND STORMWATER MANAGEMENT MANUAL WILL BE REFERENCED FOR THE PROPER INSTALLATION AND MAINTENANCE OF SILT FENCE AND ALL OTHER EROSION CONTROL MEASURES ON THE SITE.
3. SEDIMENT BASIN SHALL BE CONSTRUCTED PRIOR TO ANY LAND DISTURBANCE ACTIVITIES AND SHALL BE RESTORED AT THE TIME OF SITE STABILIZATION.
4. STRIP TOPSOIL FROM THE AREAS OF THE SITE THAT WILL BE GRADED WITHIN 48 HOURS. ANY AREAS THAT WILL NOT BE IMMEDIATELY GRADED MUST NOT BE STRIPPED OF TOPSOIL UNTIL THE PRECEDING AREAS ARE TOPSOILED, SEEDED AND MULCHED. PLACE SOIL STOCKPILES AT LEAST 25 FEET AWAY FROM ANY DOWNSLOPE STREET, DRIVEWAY, OR DITCH. ALL TOPSOIL PILES WILL HAVE SILT FENCE PLACED ON THEIR DOWNSLOPE SIDES. TOPSOIL PILES WILL BE SEEDED WITH ANNUAL RYE IF THEY ARE IN PLACE FOR MORE THAN 7 DAYS. ANY AREAS LEFT INACTIVE FOR MORE THAN 7 DAYS WILL BE STABILIZED IMMEDIATELY WITH SEED AND MULCH.
5. GRADING WILL BE PHASED TO THE EXTENT PRACTICABLE TO LIMIT THE AMOUNT OF THE EXPOSED SOIL AT ANY ONE TIME AND TO PROVIDE A BUFFER BETWEEN THE GRADED AREAS AND THE RECEIVING WATERS. THE INTENT OF THESE GRADING RESTRICTIONS IS TO PROVIDE AN UNDISTURBED BUFFER AREA ALLOWING ADDITIONAL EROSION AND SEDIMENTATION PROTECTION DURING CONSTRUCTION.
6. TOPSOIL, SEED AND MULCH ALL AREAS WHICH ARE AT FINAL GRADE AND WHICH WILL NOT BE DISTURBED DURING SUBSEQUENT PHASES OF CONSTRUCTION. ANY AREAS LEFT INACTIVE FOR MORE THAN 7 DAYS MUST BE STABILIZED IMMEDIATELY.
7. INSTALL SANITARY SEWER, WATER MAIN, & STORM SEWER.
8. COMPLETE FINAL GRADING FOR ROADWAY AND STABILIZE WITH GRAVEL.
9. COMPLETE FINAL GRADE OF THE SITE.
10. UTILITY TRENCHES SHALL BE FILLED WITH SUITABLE BACKFILL MATERIAL AND COMPACTED AS NEEDED. TOPSOIL SHALL BE REPLACED, FERTILIZED, SEEDED AND PROTECTED AS CALLED FOR BELOW IN ITEMS 11 AND 12. UTILITY CONSTRUCTION SHALL BE COORDINATED WITH OTHER GRADING ACTIVITIES SO THAT RESTORATION CAN BE COMPLETED AS SOON AS POSSIBLE AFTER CONSTRUCTION.
11. WITHIN 7 DAYS OF THE COMPLETION OF FINAL GRADING, A MINIMUM OF 4 INCHES OF TOPSOIL SHALL BE REPLACED ON ALL DISTURBED SURFACES THAT ARE TO BE REVEGETATED. TOPSOIL SHALL BE UNIFORMLY PLACED, GRADED SMOOTH AND SCARIFIED FOR SEEDING.
12. FERTILIZE ALL AREAS TO BE SEEDED OR SODDED WITH 500LBS. PER ACRE OF 16-8-8 (MINIMUM). INCORPORATE THE FERTILIZER INTO THE SOIL BY SCARIFYING AS INDICATED ABOVE IN ITEM 11. SEED ALL DISTURBED AREAS WITH THE FOLLOWING SEEDING MIXTURE:
108.9 LBS/ACRE OF KENTUCKY BLUEGRASS
54.45 LBS/ACRE OF CREEPING RED FESCUE
54.45 LBS/ACRE OF TURF-TYPE PERENNIAL RYE GRASS

THE OWNER RESERVES THE RIGHT TO REVISE THE SEEDING MIXTURE SUBJECT TO APPROVAL BY THE VILLAGE OF COTTAGE GROVE.

SOD MAY BE SUBSTITUTED FOR SEEDING ON ALL AREAS TO BE SEEDED AND IS RECOMMENDED FOR ALL AREAS WITH SLOPES OF 5:1 OR STEEPER.

CONSTRUCTION SEQUENCE CONTINUED

- MULCH ALL SEEDED AREAS WITH 1.5 TONS PER ACRE OF CLEAN STRAW. STRAW SHALL BE ANCHORED IN PLACE WITH SUITABLE EQUIPMENT OR STAKING WITH TWINE.
FOR AREAS ON WHICH GRADING IS COMPLETED AFTER SEPTEMBER 30, TEMPORARY SEED SHALL INCLUDE A SOIL STABILIZING POLYMER AND COVER CROP OF WINTER RYE (AT A RATE OF 75#/ACRE) AND MUST BE APPLIED AS SOON AS THESE AREAS REACH THEIR FINAL GRADE. ADDITIONAL EROSION CONTROL BARRIERS MAY BE NEEDED DOWNSLOPE OF THESE AREAS UNTIL FINAL SEEDING OR SODDING IS COMPLETED IN SPRING (BY JUNE 1). ANY AREAS WITH SLOPES GREATER THAN 6:1 MUST BE SEEDED AND MULCHED BUT NOT TOPSOILED. AREAS WITH SLOPED LESS THAN 6:1 MUST BE TOPSOILED, SEEDED AND MULCHED. ALL AREAS MUST BE TOPSOILED, SEEDED AND MULCHED AS DESCRIBED ABOVE IN THE FOLLOWING SPRING.
13. WHENEVER POSSIBLE, PRESERVE EXISTING TREES, SHRUBS, AND OTHER VEGETATION. TO PREVENT ROOT DAMAGE, DO NOT GRADE, PLACE SOIL PILES, OR PARK VEHICLES NEAR TREES MARKED FOR PRESERVATION.
14. SILT FENCE MAINTENANCE: EROSION CONTROL BARRIERS (SILT FENCE) MUST BE INSPECTED WITHIN 24 HOURS AFTER EACH RAINFALL OF 0.5-INCHES OR MORE, AND DAILY DURING PERIODS OF PROLONGED RAINFALL. REPAIRS OR REPLACEMENT SHALL BE MADE IMMEDIATELY. SEDIMENT DEPOSITS ON THE UPSLOPE SIDE ON THE SILT FENCES SHALL BE REMOVED WHEN THE DEPOSITS REACH HALF THE HEIGHT OF THE SILT FENCE.
15. GRAVEL TRACKING PAD MAINTENANCE: ADDITIONAL STONE IS REQUIRED IF EXISTING STONE BECOMES BURIED OR IF SEDIMENT IS NOT BEING REMOVED EFFECTIVELY FROM TIRES. SEDIMENT THAT IS TRACKED ONTO THE ROADWAY MUST BE REMOVED IMMEDIATELY. TRACKING PADS MAY REQUIRE PERIODIC CLEANING TO MAINTAIN THE EFFECTIVENESS OF THE PRACTICE, WHICH MAY INCLUDE THE REMOVAL AND RE-INSTALLATION OF THE STONE.

DEMO NOTES

- 1. ALL UTILITIES INDICATED ON THE DRAWINGS REFLECT APPROXIMATE LOCATIONS. THE CONTRACTOR IS TO VERIFY EXACT LOCATIONS OF BOTH EXISTING AND PROPOSED UTILITIES PRIOR TO BEGINNING CONSTRUCTION OPERATIONS.
2. THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE REPAIR OF ANY DAMAGE TO EXISTING UTILITIES, WALKWAYS OR OTHER EXISTING STRUCTURES AND IMPROVEMENTS THAT IS A RESULT OF THEIR WORK. THE REPAIR OF SUCH DAMAGE WILL BE AT NO ADDITIONAL COST TO THE OWNER. DOCUMENT ALL EXISTING DAMAGES PRIOR TO BEGINNING WORK. ANY DAMAGES NOT DOCUMENTED SHALL BE REPAIRED AT THE CONTRACTOR'S EXPENSE.
3. THE EXISTING CONDITIONS PLAN INDICATES THE APPROXIMATE LOCATIONS OF WORK ITEMS WHICH WILL BE REQUIRED AS PART OF THIS CONTRACT. IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO FAMILIARIZE THEMSELV WITH THE SITE AND TO VERIFY THE QUANTITIES AND LOCATIONS OF ITEMS TO BE CLEANED UP AND REMOVED.
4. ALL USEABLE SALVAGED MATERIALS TO BE TURNED OVER TO THE OWNER'S REPRESENTATIVE UNLESS OTHERWISE INDICATED.
5. THE CONTRACTOR SHALL TAKE MEASURES TO PROTECT THE EXISTING TREES ON THE SITE FROM ANY DAMAGES DURING THE PROGRESS OF WORK.
6. THE CONTRACTOR IS RESPONSIBLE FOR SECURITY OF THE SITE WHEN LEFT UNATTENDED. FENCES AND OR BARRICADES SHALL BE MAINTAINED ALONG THE LIMITS OF CONSTRUCTION.
7. KEEP THE PREMISES CLEAN AND ORDERLY DURING CONSTRUCTION. DISPOSE OF ALL REMOVED MATERIALS AT AN APPROVED DUMP SITE WITHIN 24 HOURS OF REMOVAL. STOCKPILING ON THE SITE WILL BE ALLOWED ONLY WITH APPROVAL FROM THE OWNER'S REPRESENTATIVE. SCHEDULE REMOVALS TO INSURE THAT NO PARTIALLY DISASSEMBLED EQUIPMENT'S LEFT ON SITE OVERNIGHT.
8. ALL ADJACENT LANDSCAPE, UTILITIES, SIGNS AND HARDSCAPE SHALL REMAIN UNDISTURBED UNLESS SPECIFICALLY AUTHORIZED BY THE OWNER'S REPRESENTATIVE.
9. IF UNEXPECTED CONDITIONS ARE ENCOUNTERED DURING DEMOLITION, NOTIFY THE OWNER'S REPRESENTATIVE IMMEDIATELY FOR RESOLUTION.

UTILITY NOTES

- 1. THE CONTRACTOR SHALL VERIFY THE LOCATION OF ALL EXISTING UTILITIES PRIOR TO THE START OF CONSTRUCTION.
2. THE PROPOSED IMPROVEMENTS SHALL BE CONSTRUCTED ACCORDING TO WISCONSIN ADMINISTRATIVE CODE. SECTION SPS 382-384, LATEST EDITION, THE STANDARD SPECIFICATIONS FOR SEWER AND WATER CONSTRUCTION IN WISCONSIN, LATEST EDITION, AND THE LOCAL ORDINANCES AND SPECIFICATIONS.
3. BEFORE PROCEEDING WITH ANY UTILITY CONSTRUCTION, THE CONTRACTOR SHALL EXCAVATE EACH EXISTING LATERAL OR POINT OF CONNECTION AND VERIFY THE LOCATION AND ELEVATION OF ALL UTILITIES. IF ANY EXISTING UTILITIES ARE NOT AS SHOWN ON THE DRAWINGS, THE CONTRACTOR SHALL NOTIFY THE ENGINEER IMMEDIATELY FOR POSSIBLE REDESIGN.
4. ALL CONNECTIONS TO EXISTING PIPES AND MANHOLES SHALL BE CORED CONNECTIONS.
5. MATERIALS FOR SANITARY SEWER SHALL BE AS FOLLOWS
SANITARY SEWER PIPE SHALL BE PVC, ASTM D-3034, SDR-35 WITH RUBBER GASKETED JOINTS, CONFORMING TO ASTM D-3212.
TRENCH SECTION SHALL BE CLASS "B" BEDDING. CRUSHED STONE CHIPS SHALL BE USED FOR BEDDING MATERIAL.
PREFABRICATED WYE CONNECTIONS ARE REQUIRED FOR SANITARY LATERALS
CONFORM TO VILLAGE OF COTTAGE GROVE STANDARD SPECIFICATIONS FOR PUBLIC WORKS IMPROVEMENTS, LATEST EDITION.

UTILITY NOTES CONTINUED

- 7. MATERIALS FOR WATER SERVICE SHALL BE AS FOLLOWS:
WATER SERVICE SHALL BE PVC, AWWA C900, WITH A DIMENSION RATIO (DR) OF 18 OR LESS.
ALL FITTINGS SHALL BE MECHANICAL JOINT, DUCTILE IRON CONFORMING TO AWWA C-110.
GATE VALVES SHALL BE IN ACCORDANCE WITH THE VILLAGE OF COTTAGE GROVE STANDARD SPECIFICATIONS FOR PUBLIC WORKS IMPROVEMENTS, LATEST EDITION.
TRENCH SECTION SHALL BE IN ACCORDANCE WITH THE VILLAGE OF COTTAGE GROVE STANDARD SPECIFICATIONS FOR PUBLIC WORKS IMPROVEMENTS, LATEST EDITION.
8. EXTREME CAUTION MUST BE FOLLOWED REGARDING THE COMPACTION OF ALL UTILITY TRENCHES. MECHANICALLY COMPACTED GRANULAR BACKFILL IS REQUIRED UNDER AND WITHIN 5 FEET OF ALL PAVEMENT INCLUDING SIDEWALKS. FLOODING OF BACKFILL MATERIAL IS NOT ALLOWED. THE COST OF THIS GRANULAR MATERIAL AND ITS COMPACTION IS CONSIDERED INCIDENTAL AND SHALL BE INCLUDED IN THE COST OF THE PROPOSED UTILITY.
9. UPON COMPLETION OF FINAL PAVING OPERATIONS, THE UTILITY CONTRACTOR SHALL ADJUST ALL MANHOLE AND INLET RIMS AND VALVE BOXES TO FINISHED GRADE.
10. THE CONTRACTOR IS RESPONSIBLE FOR PROVIDING THE OWNER WITH A SET OF MARKED-UP PRINTS SHOWING ALL CHANGES MADE DURING THE CONSTRUCTION PROCESS. ANY CHANGES TO THE DRAWINGS OR ADDITIONAL ITEMS MUST BE REPORTED TO THE OWNER.
11. TRACER WIRE SHALL BE INSTALLED ON ALL BURIED NON-METALLIC SANITARY SEWERS, PRIVATE SANITARY INTERCEPTOR MAIN SEWERS, STORM BUILDING SEWERS, AND PRIVATE STORM INTERCEPTOR MAIN SEWERS THAT DISCHARGE TO MUNICIPAL MAINS. TRACER WIRE SHALL BE IN ACCORDANCE WITH COMM 82.30(11)(h)(1). TRACER WIRE SHALL BE A MINIMUM OF 18-GAUGE, INSULATED, SINGLE-CONDUCTOR COPPER WIRE OR EQUIVALENT. TRACER WIRE COLOR SHALL BE BLUE FOR POTABLE WATER, GREEN FOR SANITARY SEWER, AND BROWN FOR STORM SEWER.

LAYOUT NOTES

- 1. WRITTEN DIMENSIONS WILL TAKE PRECEDENCE OVER SCALED DIMENSIONS.
2. SHOULD SITE CONDITIONS BE DIFFERENT THAN WHAT IS INDICATED ON THE DRAWINGS, CONTACT THE LANDSCAPE ARCHITECT IMMEDIATELY FOR CLARIFICATION.
3. CURVED WALKS AND CURB EDGES ARE INTENDED TO BE CONSTRUCTED WITH SMOOTH FLOWING CURVES. ANYTHING OTHER THAN SMOOTH FLOWING CURVES WILL BE REJECTED.
4. THE CONTRACTOR SHALL OBTAIN, AT HIS EXPENSE, ALL PERMITS WHICH ARE NECESSARY TO PERFORM THE PROPOSED WORK.
5. THE CONTRACTOR SHALL PROVIDE A STAKED LAYOUT OF ALL SITE IMPROVEMENTS FOR INSPECTION BY THE OWNER'S REPRESENTATIVE AND MAKE MODIFICATIONS AS REQUIRED AT NO ADDITIONAL COST TO THE OWNER. ALL LAYOUT INFORMATION IS AVAILABLE IN DIGITAL FORMAT FOR USE BY THE CONTRACTOR.
6. LAYOUT WALKS, SCORE JOINTS AND PAVING PATTERNS AS CLOSELY AS POSSIBLE TO PLANS, DETAILS, AND SPECIFICATIONS. DO NOT DEVIATE FROM PLANS UNLESS SPECIFIC APPROVAL IS OBTAINED FROM THE OWNER'S REPRESENTATIVE.
7. ALL WORK SHALL BE CONFINED TO THE AREA WITHIN THE CONSTRUCTION LIMITS AS SHOWN ON THE PLANS. ANY AREAS OR IMPROVEMENTS DISTURBED OUTSIDE THESE LIMITS SHALL BE RETURNED TO THEIR ORIGINAL CONDITION AT THE CONTRACTOR'S EXPENSE. IN THE EVENT THE CONTRACTOR REQUIRES A MODIFICATION TO THE CONSTRUCTION LIMITS, WRITTEN PERMISSION MUST BE OBTAINED FROM THE LANDSCAPE ARCHITECT PRIOR TO ANY DISTURBANCE OUTSIDE OF THE LIMITS OF WORK.
8. WHEN APPLICABLE CONTRACTOR IS RESPONSIBLE FOR PROVIDING TEMPORARY FENCING AROUND ALL PLAY STRUCTURES UNTIL PROPER FALL SURFACE IS COMPLETELY INSTALLED PER MANUFACTURER'S SPECIFICATIONS.
9. CONTRACTOR IS RESPONSIBLE FOR SUPERVISING ALL SAFETY SURFACING AND PAVEMENT DURING THE CURING PROCESS.

GRADING NOTES

- 1. THE CONTRACTOR IS TO REVIEW, UNDERSTAND AND ADHERE TO SPOT ELEVATIONS AND CONTOURS AS INDICATED ON THE GRADING PLAN UNLESS SPECIFICALLY AUTHORIZED BY THE OWNERS REPRESENTATION. CONTRACTOR SHALL VERIFY THAT ALL MINIMUM AND MAXIMUM SLOPES IDENTIFIED ON THE PLANS ARE ACHIEVABLE IN THE FIELD PRIOR TO START OF WORK.
2. THE CONTRACTOR SHALL BE RESPONSIBLE FOR COORDINATION OF ALL STAKING NECESSARY TO COMPLETE THE WORK. THIS SHALL INCLUDE ANY RE-STAKING IF NECESSARY. THE CONTRACTOR SHALL PAY FOR ALL STAKING FOR THE PROJECT UNLESS SPECIFICALLY AGREED TO OTHERWISE IN THE CONTRACT DOCUMENTS.
3. ALL AREAS SHALL BE GRADED TO ACHIEVE POSITIVE DRAINING. MINIMUM SLOPE ON THE LANDSCAPED AREAS SHALL BE 2%. MAXIMUM SLOPE SHALL BE 25% (4:1) UNLESS OTHERWISE INDICATED ON THE PLANS. MAXIMUM ALLOWED FINAL GRADES FOR LONGITUDINAL SLOPE ON WALKS AND PAVED AREAS SHALL BE 5% UNLESS OTHERWISE INDICATED ON THE PLANS.
5. ALL FINAL GRADES FOR WALKS SHALL HAVE A MINIMUM 1% CROSS SLOPE AND MAXIMUM 2% CROSS SLOPE UNLESS OTHERWISE INDICATED ON THE PLANS.
6. EXCAVATION INCLUDES ALL MATERIAL ENCOUNTERED TO WHATEVER DEPTH INDICATED ON THE PLANS. EXCAVATE TO ALLOW FOR PROPER FILL MATERIAL, SLABS, VOIDS, FORMS, AND FOUNDATIONS.

GRADING NOTES CONTINUED

- 7. REFER TO SPECIFICATIONS FOR ADDITIONAL INFORMATION REGARDING GRADING AND EXCAVATION INCLUDING GUIDELINES AND RESTRICTIONS FOR EARTHWORK AND PLACING OF PAVEMENT AND LANDSCAPE SURFACING FOR THIS PROJECT.
8. CONTRACTOR SHALL ENSURE EXISTING GRADES ARE WITHIN 0.1 OF A FOOT PRIOR TO START OF WORK, AND SHALL NOTIFY OWNER'S REPRESENTATIVE IF CONDITIONS ARE DIFFERENT, PRIOR TO THE START OF WORK.
9. CONTRACTOR SHALL ENSURE THEIR COMPLETED GRADES ARE WITHIN 0.01 OF A FOOT WHEN COMPLETED WITH WORK.
10. FINISH GRADE SHOWN ON THESE PLANS SHALL REPRESENT COMPACTION REQUIREMENTS AS DEFINED BY PLANS, DETAILS, AND SPECIFICATIONS.

EROSION CONTROL NOTES

- 1. THE CONTRACTOR IS RESPONSIBLE FOR OBTAINING COPIES OF ALL PERMITS, INCLUDING WISDNR WPDES DISCHARGE PERMIT (IF APPLICABLE), COUNTY AND LOCAL EROSION CONTROL PERMIT. CONTRACTOR IS RESPONSIBLE FOR ABIDING BY ALL PERMIT REQUIREMENTS AND RESTRICTIONS.
2. ALL EROSION CONTROL MEASURES SHALL BE INSTALLED PRIOR TO LAND DISTURBING ACTIVITIES.
3. ALL INSTALLATION AND MAINTENANCE OF EROSION CONTROL PRACTICES SHALL BE IN ACCORDANCE WITH THE APPLICABLE WISCONSIN DEPARTMENT OF NATURAL RESOURCES (WDNR) TECHNICAL STANDARD, FOUND AT: http://dnr.wi.gov/topic/stormwater/standards/const_standards.html OR THE WISCONSIN CONSTRUCTION SITE BEST MANAGEMENT PRACTICE HANDBOOK IF A TECHNICAL STANDARD IS NOT AVAILABLE.
4. ALL EROSION CONTROL FACILITIES SHALL BE MAINTAINED THROUGHOUT THE DURATION OF THE PROJECT AND WARRANTY PERIOD IN CONFORMANCE WITH ALL APPLICABLE PERMITS ISSUED FOR THE PROJECT.
5. ALL EROSION AND SEDIMENTATION CONTROL PRACTICES SHALL BE INSPECTED WEEKLY AND WITHIN 24 HOURS AFTER EVERY PRECIPITATION EVENT THAT PRODUCES 0.5 INCHES OF RAIN OR MORE DURING A 24 HOUR PERIOD. REPAIRS SHALL BE MADE IMMEDIATELY TO EROSION CONTROL PRACTICES AS NECESSARY.
6. TEMPORARY STOCKPILES SHALL BE STABILIZED IF NOT REMOVED IN 10 DAYS. PERIMETER CONTROL ON THE DOWNHILL SIDE SHALL BE IN PLACE AT ALL TIMES (SILT FENCE OR APPROVED EQUAL).
7. ALL WATER FROM CONSTRUCTION DEWATERING SHALL BE TREATED IN ACCORDANCE WITH WDNR TECHNICAL STANDARD 1061 PRIOR TO DISCHARGE TO WATERS OF THE STATE, WETLANDS, OR OFFSITE.
8. THE CONTRACTOR IS RESPONSIBLE FOR INSTALLATION OF ANY ADDITIONAL EROSION CONTROL MEASURES NECESSARY TO PREVENT EROSION AND SEDIMENTATION. ALL DISTURBED AREAS ARE TO DRAIN TO APPROVED SEDIMENT CONTROL MEASURES AT ALL TIMES DURING SITE DEVELOPMENT UNTIL FINAL STABILIZATION IS ACHIEVED. DEPENDING ON HOW THE CONTRACTOR GRADES THE SITE, IT MAY BE NECESSARY TO INSTALL TEMPORARY EROSION CONTROL AND/OR SEDIMENT TRAPS IN VARIOUS LOCATIONS THROUGHOUT THE PROJECT. TEMPORARY SEDIMENT TRAPS SHALL BE DESIGNED, INSTALLED, AND MAINTAINED IN ACCORDANCE WITH WDNR TECHNICAL STANDARD 1063.
9. TRACKED MATERIAL TO ADJACENT STREETS SHALL BE COLLECTED AT THE END OF EACH WORKING DAY OR AS REQUIRED BY THE LOCAL MUNICIPALITY.
10. DUST CONTROL SHALL BE PROVIDED AS NECESSARY IN ACCORDANCE WITH WDNR TECHNICAL STANDARD 106B.
11. THE CONTRACTOR IS RESPONSIBLE FOR PROVIDING ALL EROSION CONTROL FACILITIES AND MEASURES NECESSARY TO CONTROL EROSION AND SEDIMENTATION AT THE PROJECT SITE. THESE FACILITIES AND MEASURES MAY OR MAY NOT BE SHOWN ON THE DRAWINGS AND THEIR ABSENCE ON THE DRAWINGS DOES NOT ALLEVIATE THE CONTRACTOR FROM PROVIDING THEM. ANY MEASURES AND FACILITIES SHOWN ON THE DRAWINGS ARE THE MINIMUM ACTIONS REQUIRED.
12. ERODED MATERIAL THAT HAS LEFT THE CONSTRUCTION SITE SHALL BE COLLECTED AND RETURNED TO THE SITE BY THE CONTRACTOR.
13. AFTER FINAL VEGETATION IS ESTABLISHED, REMOVE ALL EROSION CONTROL FACILITIES. RESTORE AREAS DISTURBED BY THE REMOVALS.
14. KEEP A COPY OF THE CURRENT EROSION CONTROL PLAN ON SITE THROUGHOUT THE DURATION OF THE PROJECT.
15. COMPLETE AND STABILIZE SEDIMENT BASINS/TRAPS PRIOR TO MASS LAND DISTURBANCE TO CONTROL RUNOFF DURING CONSTRUCTION. REMOVE SEDIMENT AS NEEDED TO MAINTAIN 3 FEET OF DEPTH TO THE OUTLET, AND PROPERLY DISPOSE OF SEDIMENT REMOVED DURING MAINTENANCE. CONSTRUCT AND MAINTAIN THE SEDIMENT BASIN PER WDNR TECHNICAL STANDARDS.

NOT FOR CONSTRUCTION

GENERAL LANDSCAPE NOTES

- UTILITY WARNING: THE UTILITIES SHOWN HAVE BEEN LOCATED FROM FIELD SURVEY INFORMATION AND/OR RECORDS OBTAINED. THE SURVEYOR MAKES NO GUARANTEE THAT THE UTILITIES SHOWN COMPRISE ALL SUCH UTILITIES IN THE AREA, EITHER IN SERVICE OR ABANDONED. THE SURVEY FURTHER DOES NOT WARRANT THAT THE UTILITIES SHOWN ARE IN THE EXACT LOCATION INDICATED.
- NOTIFY UTILITY OWNERS PRIOR TO BEGINNING ANY CONSTRUCTION. CONTRACTOR IS RESPONSIBLE FOR DETERMINING EXISTENCE, EXACT LOCATION AND DEPTH OF ALL UTILITIES. AVOID DAMAGE TO UTILITIES AND SERVICES DURING CONSTRUCTION. ANY DAMAGE DUE TO THE CONTRACTOR'S CARELESSNESS SHALL BE CORRECTED AT THE CONTRACTOR'S EXPENSE. COORDINATE AND COOPERATE WITH UTILITY COMPANIES DURING CONSTRUCTION.
- THE CONTRACTOR SHALL FOLLOW THE LANDSCAPE PLANS AND SPECIFICATIONS AS CLOSELY AS POSSIBLE. ANY SUBSTITUTION OR ALTERATION SHALL NOT BE ALLOWED WITHOUT APPROVAL OF THE OWNER'S REPRESENTATIVE. OVERALL PLANT QUANTITY AND QUALITY SHALL BE CONSISTENT WITH THE PLANS.
- ALL PLANT MATERIAL SHALL AT LEAST MEET MINIMUM REQUIREMENTS SHOWN IN THE "AMERICAN STANDARDS FOR NURSERY STOCK" (ANSI Z60.1-LATEST EDITION).
- MULCH SHALL NOT BE PLACED AROUND THE COLLAR OF SHRUB OR TREE. PROVIDE A MINIMUM OF 2" BETWEEN MULCH AND COLLAR OF SHRUB OR TREE.
- ALL PLANT MATERIAL SHALL BE GROWN IN ZONE CAPABLE OF WITHSTANDING LOCAL CLIMATE AND GROWING CONDITIONS.
- TREE OR SHRUB SHALL STAND PLUMB. DO NOT ALLOW AIR POCKETS TO FORM WHEN BACK FILLING.
- LIVE PLANTS CAN BE PLANTED IN THE FIELD DURING THE GROWING SEASON FROM SEPTEMBER 1 TO OCTOBER 15 AND PRIOR TO JUNE 1, BUT NOT AFTER CANDLES EXCEED 1 INCH FOR EVERGREENS, DECIDUOUS PLANTS (B&B AND CONTAINER) TO BE INSTALLED AUGUST 15 TO OCTOBER 15 AND IN THE SPRING PRIOR TO JUNE 1. ANY SUGGESTED PLANTING TIMES NOT IN THIS WINDOW SHALL BE APPROVED BY LANDSCAPE ARCHITECT. IF PLANTING OCCURS OUTSIDE OF THIS WINDOW, ADDITIONAL MEASURES MAY NEED TO BE TAKEN (I.E. MULCH) TO ENSURE PLANT SURVIVAL. IN THESE INSTANCES, THE CONTRACT PRICE MAY NEED TO BE ADJUSTED ACCORDINGLY.
- PLANTS SHOULD BE WATERED IN AFTER INSTALLATION TO ENSURE THEIR SURVIVAL. THIS TYPICALLY INVOLVES WATERING AT TIME OF INSTALLATION AND 2 TIMES WEEKLY FOR A ONE MONTH PERIOD OR UNTIL GROUND FREEZE UP IF NATURAL RAINFALLS ARE INSUFFICIENT. A SINGLE WATERING EVENT INVOLVES WATERING THE SOIL IN THE PLANTED AREAS TO THE POINT OF SATURATION BUT STOPPING SHORT OF SOIL DISPLACEMENT. SHOULD VERY DRY CONDITIONS DEVELOP WITHIN ONE YEAR OF PLANTING, ADDITIONAL WATERINGS MAY BE NECESSARY. CONSULTANT OR LANDSCAPE ARCHITECT WILL DETERMINE THIS AND CONTRACT PRICES MAY BE ADJUSTED TO ACCOMMODATE THIS ACTION.
- ALL PLANT MATERIAL SHALL BE SPECIMEN QUALITY, HEALTHY, FREE OF DISEASE AND INSECTS AND SHALL HAVE HEALTHY, WELL-DEVELOPED ROOT SYSTEMS. PLANTS SHALL ALSO BE FREE FROM PHYSICAL DAMAGE OR OTHER CONDITIONS THAT WOULD PREVENT VIGOROUS GROWTH.
- ALL PROPOSED PLANTS SHALL BE LOCATED AS SHOWN ON PLANS. ALL TREES TO BE PLANTED A MINIMUM DISTANCE OF 5 FEET FROM PAVEMENTS AND 6 FEET FROM ALL HYDRANTS.
- CONTRACTOR IS RESPONSIBLE FOR PLANTS AWAITING INSTALLATION AND SHALL PROTECT THEM FROM INJURY AND THEFT.
- THE CONTRACTOR IS RESPONSIBLE FOR VERIFYING ALL PLANT QUANTITIES. GRAPHIC QUANTITIES TAKES PRECEDENCE OVER WRITTEN QUANTITIES.

GENERAL LANDSCAPE NOTES CONT.

- THE OWNER'S REPRESENTATIVE RESERVES THE RIGHT TO INSPECT AND TAG ALL PLANT MATERIAL PRIOR TO SHIPPING TO THE SITE. IN ALL CASES, THE OWNER'S REPRESENTATIVE MAY REJECT PLANT MATERIAL AT THE SITE IF MATERIAL IS DAMAGED, DISEASED, OR DECLINING IN HEALTH AT THE TIME OF ONSITE INSPECTIONS OR IF THE PLANT MATERIAL DOES NOT MEET THE MINIMUM SPECIFIED STANDARD IDENTIFIED ON THE PLANS AND IN THE SPECIFICATIONS. THE CONTRACTOR SHALL COORDINATE WITH THE OWNER'S REPRESENTATIVE FOR INSPECTION AND APPROVAL OF ALL MATERIALS AND PRODUCTS PRIOR TO INSTALLATION.
- THE OWNER'S REPRESENTATIVE MAY ELECT TO UPSIZE PLANT MATERIAL AT THEIR DISCRETION BASED ON SELECTION, AVAILABILITY, OR TO ENHANCE SPECIFIC AREAS OF THE PROJECT. THE CONTRACTOR SHALL VERIFY PLANT MATERIAL SIZES WITH OWNER'S REPRESENTATIVE PRIOR TO PURCHASING, SHIPPING OR STOCKING OF PLANT MATERIALS. SUBMIT CHANGE ORDER REQUEST TO OWNER'S REPRESENTATIVE FOR APPROVAL IF ADDITIONAL COST IS REQUESTED BY THE CONTRACTOR PRIOR TO INSTALLATION. RE-STOCKING CHARGES WILL NOT BE APPROVED IF THE CONTRACTOR FAILS TO SUBMIT A REQUEST FOR MATERIAL CHANGES.
- THE CONTRACTOR SHALL WARRANTY ALL CONTRACTED WORK AND MATERIALS FOR A PERIOD OF ONE YEAR AFTER SUBSTANTIAL COMPLETION HAS BEEN ISSUED BY THE OWNER'S REPRESENTATIVE FOR THE ENTIRE PROJECT UNLESS OTHERWISE SPECIFIED IN THE CONTRACT DOCUMENTS OR SPECIFICATIONS.
- LANDSCAPE MATERIAL LOCATIONS SHALL HAVE PRECEDENCE OVER IRRIGATION MAINLINE AND LATERAL LOCATIONS. COORDINATE INSTALLATION OF IRRIGATION EQUIPMENT SO THAT IT DOES NOT INTERFERE WITH THE PLANTING OF TREES OR OTHER LANDSCAPE MATERIAL.
- THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE FOR ENSURING POSITIVE DRAINAGE EXISTS IN ALL LANDSCAPE AREAS. SURFACE DRAINAGE ON LANDSCAPE AREAS SHALL NOT FLOW TOWARD STRUCTURES AND FOUNDATIONS. MAINTAIN SLOPE AWAY FROM FOUNDATIONS PER THE GEOTECHNICAL REPORT RECOMMENDATIONS. ALL LANDSCAPE AREAS BETWEEN WALKS AND CURBS SHALL DRAIN FREELY TO THE CURB UNLESS OTHERWISE IDENTIFIED ON THE GRADING PLAN. IN NO CASE SHALL THE GRADE, TURF THATCH, OR OTHER LANDSCAPE MATERIALS DAM WATER AGAINST WALKS. MINIMUM SLOPES ON LANDSCAPE AREAS SHALL BE 2%; MAXIMUM SLOPE SHALL BE 25% UNLESS SPECIFICALLY IDENTIFIED ON THE PLANS OR APPROVED BY THE OWNER'S REPRESENTATIVE.
- PRIOR TO INSTALLATION OF PLANT MATERIALS, AREAS THAT HAVE BEEN COMPACTED OR DISTURBED BY CONSTRUCTION ACTIVITY SHALL BE THOROUGHLY LOOSENEED TO A DEPTH OF 8" - 12" AND AMENDED PER SPECIFICATIONS.
- ALL LANDSCAPED AREAS ARE TO RECEIVE ORGANIC SOIL PREPARATION PER RATE IDENTIFIED BY A SOIL TEST OR AS NOTED IN THE TECHNICAL SPECIFICATIONS.
- TREES SHALL NOT BE LOCATED IN DRAINAGE SWALES, DRAINAGE AREAS, OR UTILITY EASEMENTS. CONTACT OWNER'S REPRESENTATIVE FOR RELOCATION OF PLANTS IN QUESTIONABLE AREAS PRIOR TO INSTALLATION.
- THE CENTER OF EVERGREEN TREES SHALL NOT BE PLACED CLOSER THAN 8' AND THE CENTER OF ORNAMENTAL TREES CLOSER THAN 6' FROM A SIDEWALK, STREET OR DRIVE LANE. EVERGREEN TREES SHALL NOT BE LOCATED ANY CLOSER THAN 15' FROM IRRIGATION ROTOR HEADS. NOTIFY OWNER'S REPRESENTATIVE IF TREE LOCATIONS CONFLICT WITH THESE STANDARDS FOR FURTHER DIRECTION.
- ALL EVERGREEN TREES SHALL BE FULLY BRANCHED TO THE GROUND AND SHALL NOT EXHIBIT SIGNS OF ACCELERATED GROWTH AS DETERMINED BY THE OWNER'S REPRESENTATIVE.
- ALL TREES ARE TO BE STAKED AND GUYED PER DETAILS FOR A PERIOD OF 1 YEAR. THE CONTRACTOR SHALL BE RESPONSIBLE FOR REMOVING STAKES AT THE END OF 1 YEAR FROM ACCEPTANCE OF LANDSCAPE INSTALLATION BY THE OWNER'S REPRESENTATIVE. OBTAIN APPROVAL BY OWNER'S REPRESENTATIVE PRIOR TO REMOVAL.
- ALL TREES INSTALLED ABOVE RETAINING WALLS UTILIZING GEO-GRID MUST BE HAND DUG TO PROTECT GEO-GRID. IF GEO-GRID MUST BE CUT TO INSTALL TREES, APPROVAL MUST BE GIVEN BY OWNER'S REPRESENTATIVE PRIOR TO DOING WORK.
- ALL TREES IN SEED OR TURF AREAS SHALL RECEIVE MULCH RINGS. OBTAIN APPROVAL FROM OWNER'S REPRESENTATIVE FOR ANY TREES THAT WILL NOT BE MULCHED FOR EXCESSIVE MOISTURE REASONS.
- EXISTING TURF AREAS THAT ARE DISTURBED DURING CONSTRUCTION, ESTABLISHMENT AND THE MAINTENANCE PERIOD SHALL BE RESTORED WITH NEW SOD TO MATCH EXISTING TURF SPECIES. DISTURBED NATIVE AREAS WHICH ARE TO REMAIN SHALL BE OVER SEEDED AND RESTORED WITH SPECIFIED SEED MIX.
- WHEN COMPLETE, ALL GRADES SHALL BE WITHIN +/- 1/8" OF FINISHED GRADES AS SHOWN ON THE PLANS.
- WHEN PLANTER POTS ARE SHOWN ON PLANS, CONTRACTOR SHALL INCLUDE THE FOLLOWING: PLANTER MIX, ANNUAL FLOWER PLANTING PROGRAM (INCLUDES 2 PLANTINGS FOR THE 1ST YEAR (SPRING AND FALL) AND WINTER HAND-WATERING AS NEEDED. UNLESS OTHERWISE SPECIFIED, CONTRACTOR TO PROVIDE ANNUAL PLANTING SELECTION FOR REVIEW BY OWNER. IRRIGATION FOR PLANTERS TO BE ON SEPARATE ZONE(S). CONTRACTOR TO COORDINATE PLACEMENT OF NECESSARY SLEEVEING PRIOR TO PLACEMENT OF PAVEMENT.
- PRIOR TO THE PLACEMENT OF MULCH AND WEED FABRIC, A GRANULAR, PRE-EMERGENT, WEED CONTROL AGENT SHALL BE ADDED TO ALL PLANTING BEDS IN ACCORDANCE WITH THE MANUFACTURER'S INSTRUCTION, EXCEPT AROUND ORNAMENTAL GRASSES.
- THE CONTRACTOR IS EXPECTED TO KNOW AND UNDERSTAND THE CITY AND COUNTY SPECIFICATIONS FOR LANDSCAPE AND IRRIGATION. IN CASES OF DISCREPANCIES THE HIGHER OF THE TWO STANDARDS SHALL HAVE PRECEDENCE.
- ALL TREES PLANTED WITHIN RIGHT-OF-WAY WILL INCLUDE CITY APPROVED ROOT BARRIERS.

TREE PROTECTION AREA
THE AREA INSIDE A PERIMETER ESTABLISHED AT THE CRITICAL ROOT ZONE (CRZ). THE CRZ IS EQUAL TO THE DRIPLINE, FURTHEST EXTENT OF TREE CANOPY, OR IS EQUAL TO ONE FOOT RADIALLY FROM THE TREE FOR EVERY ONE INCH OF TRUNK DIAMETER AT BREST HEIGHT (DBH = 4.5' ABOVE SOIL LINE), OR WHICHEVER IS GREATER.

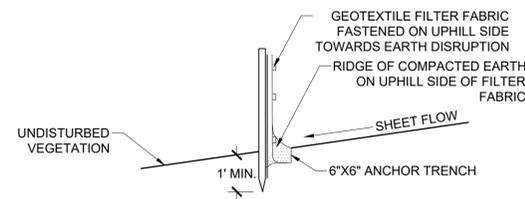

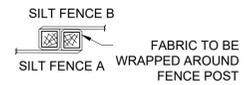

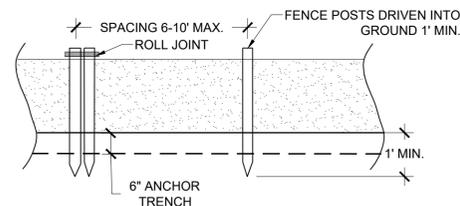

ZONE 2
LOWER CANOPY PROTECTION CONTACT LANDSCAPE ARCHITECT IF ANY PRUNING IS NEEDED PRIOR TO WORK IF POTENTIAL FOR DAMAGE EXISTS.

ZONE 1
DENOTES PERIMETER OF TREE PROTECTION AREA. THE FOLLOWING MUST BE AUTHORIZED BY A REGISTERED LANDSCAPE ARCHITECT PRIOR TO WORK COMMENCEMENT: ANY DIGGING, EXCAVATING, TRENCHING, CHANGING OF GRADE, OR OTHER ACTIONS THAT MAY POTENTIALLY IMPACT THE ROOTING ENVIRONMENT. WORK WITHIN THE CRZ MUST TAKE PLACE IN ACCORDANCE WITH THE CONDITIONS ESTABLISHED BY THE LANDSCAPE ARCHITECT.

ZONE 3
REQUIRED IF CONSTRUCTION OCCURS WITHIN TEN FEET OR LESS (PERMITTED INSIDE THE CRZ ONLY IF EQUIPMENT IS OPERATED EXCLUSIVELY ON EXISTING HARDSCAPE AND NO SOIL COMPACTION TAKES PLACE).

NOTES:
1. DAMAGE TO PROTECTED TREES IS SUBJECT TO PENALTY.
2. THE TREE PROTECTION AREA SHALL NOT BE MODIFIED OR REMOVED PRIOR TO CONSENT OF THE LANDSCAPE ARCHITECT.
3. ENTRANCE TO THE TREE PROTECTION AREA IS NOT PERMITTED WITHOUT CONSENT OF THE LANDSCAPE ARCHITECT.
4. MATERIALS, DEBRIS, EQUIPMENT, AND SITE AMENITIES SHALL NOT BE STORED WITHIN THE TREE PROTECTION AREA.
5. ZONE ONE TREE PROTECTION AREA FENCING SHALL BE "ORANGE SAFETY FENCING," MIN. 48" IN HEIGHT, TOP SECURED TO METAL T-POSTS WITH 14-GAUGE WIRE WOVEN THROUGH TOP OF FENCING FOR ENTIRE LENGTH.
- T-POSTS SHALL BE PLACED SO THAT WIRE & FENCE ARE TAUT.
- CHAIN LINK FENCING IS ALSO ACCEPTABLE.
- "TREE PROTECTION AREA" SIGNS SHALL BE MAINTAINED IN THE CONDITION.

VILLAGE ACTION REPORT

PROJECT: Johnson Health Tech Site Plan Amendment

APPLICANT: Todd Fossum – Johnson Health Tech

PROJECT LOCATION: 1600 Landmark Drive

REPORT DATE: March 12, 2020

PROJECT DESCRIPTION: The applicant is seeking approval of a site plan amendment to create an additional 40 parking spaces in the existing parking lots.

PLAN COMMISSION MEETING: March 11, 2020

STAFF REPORT PROVIDED BY: X Planner, Engineer, Public Works

MOTION: by Pickel (1st), Jushchyshyn (2nd)

The Site Plan Amendment was APPROVED WITH CONDITIONS with the following conditions:

1. Trees and other landscaping features removed to accommodate the parking expansion shall be replaced on the property. Provide a landscaping plan showing removals and new plantings for staff verification.
2. Provide engineering plans as needed by the Village Engineer to verify satisfactory storm water management.
3. The Village Engineer shall verify the design of modified curbs.

VOTE: 6 Aye, 0 Nay, 0 Abstain

APPLICANT COMMENTS:

- (Gary Blazek – Vierbicher & Todd Fossum – Johnson Health Tech) – provided an overview and available for questions.

PUBLIC COMMENTS:

- None

PLAN COMMISSION COMMENTS:

- (Ratcliff) – asked how many employees park on the street now? Fossum estimated 40 to 60.
- (Williams) – asked if there are other options as the company continues to grow. Fossum replied that they currently incentivize employee carpooling and bike commuting. The company continues to review options.

STAFF COMMENTS:

- (Ruth) – see staff report.

RE: Johnson Health Tech Site Plan Amendment

BACKGROUND

Property Owner: Johnson Health Tech

Location: 1600 Landmark Drive

Area: 14.71 acres

Agent: Bret Newcomb – Newcomb Construction
Robin Salzwedel – Johnson Health Tech

Existing Zoning: Planned Industrial

Proposed Zoning: Planned Industrial

Future Land Use Plan: Planned Office/Industrial

OVERVIEW

Johnson Health Tech has been a long-time property owner in the Commerce Park. Through natural growth and interior renovations their existing parking situation has become stressed with many employees forced to park off-site.

Johnson Health Tech is seeking a site plan amendment to create an additional 40 parking spaces which would increase the total on-site from 227 to 267.

LOCATION MAP

COMPREHENSIVE PLAN CONSISTENCY

The property is designated as Planned Office/Industrial in the Comprehensive Plan. The proposed parking expansion is consistent with the plan.

ZONING ORDINANCE CONSISTENCY

The property is zoned Planned Industrial, per 325-41(A).

The additional parking spaces comply with the 10' minimum paved surface setback, per 325-41(A)(7)(b)(6).

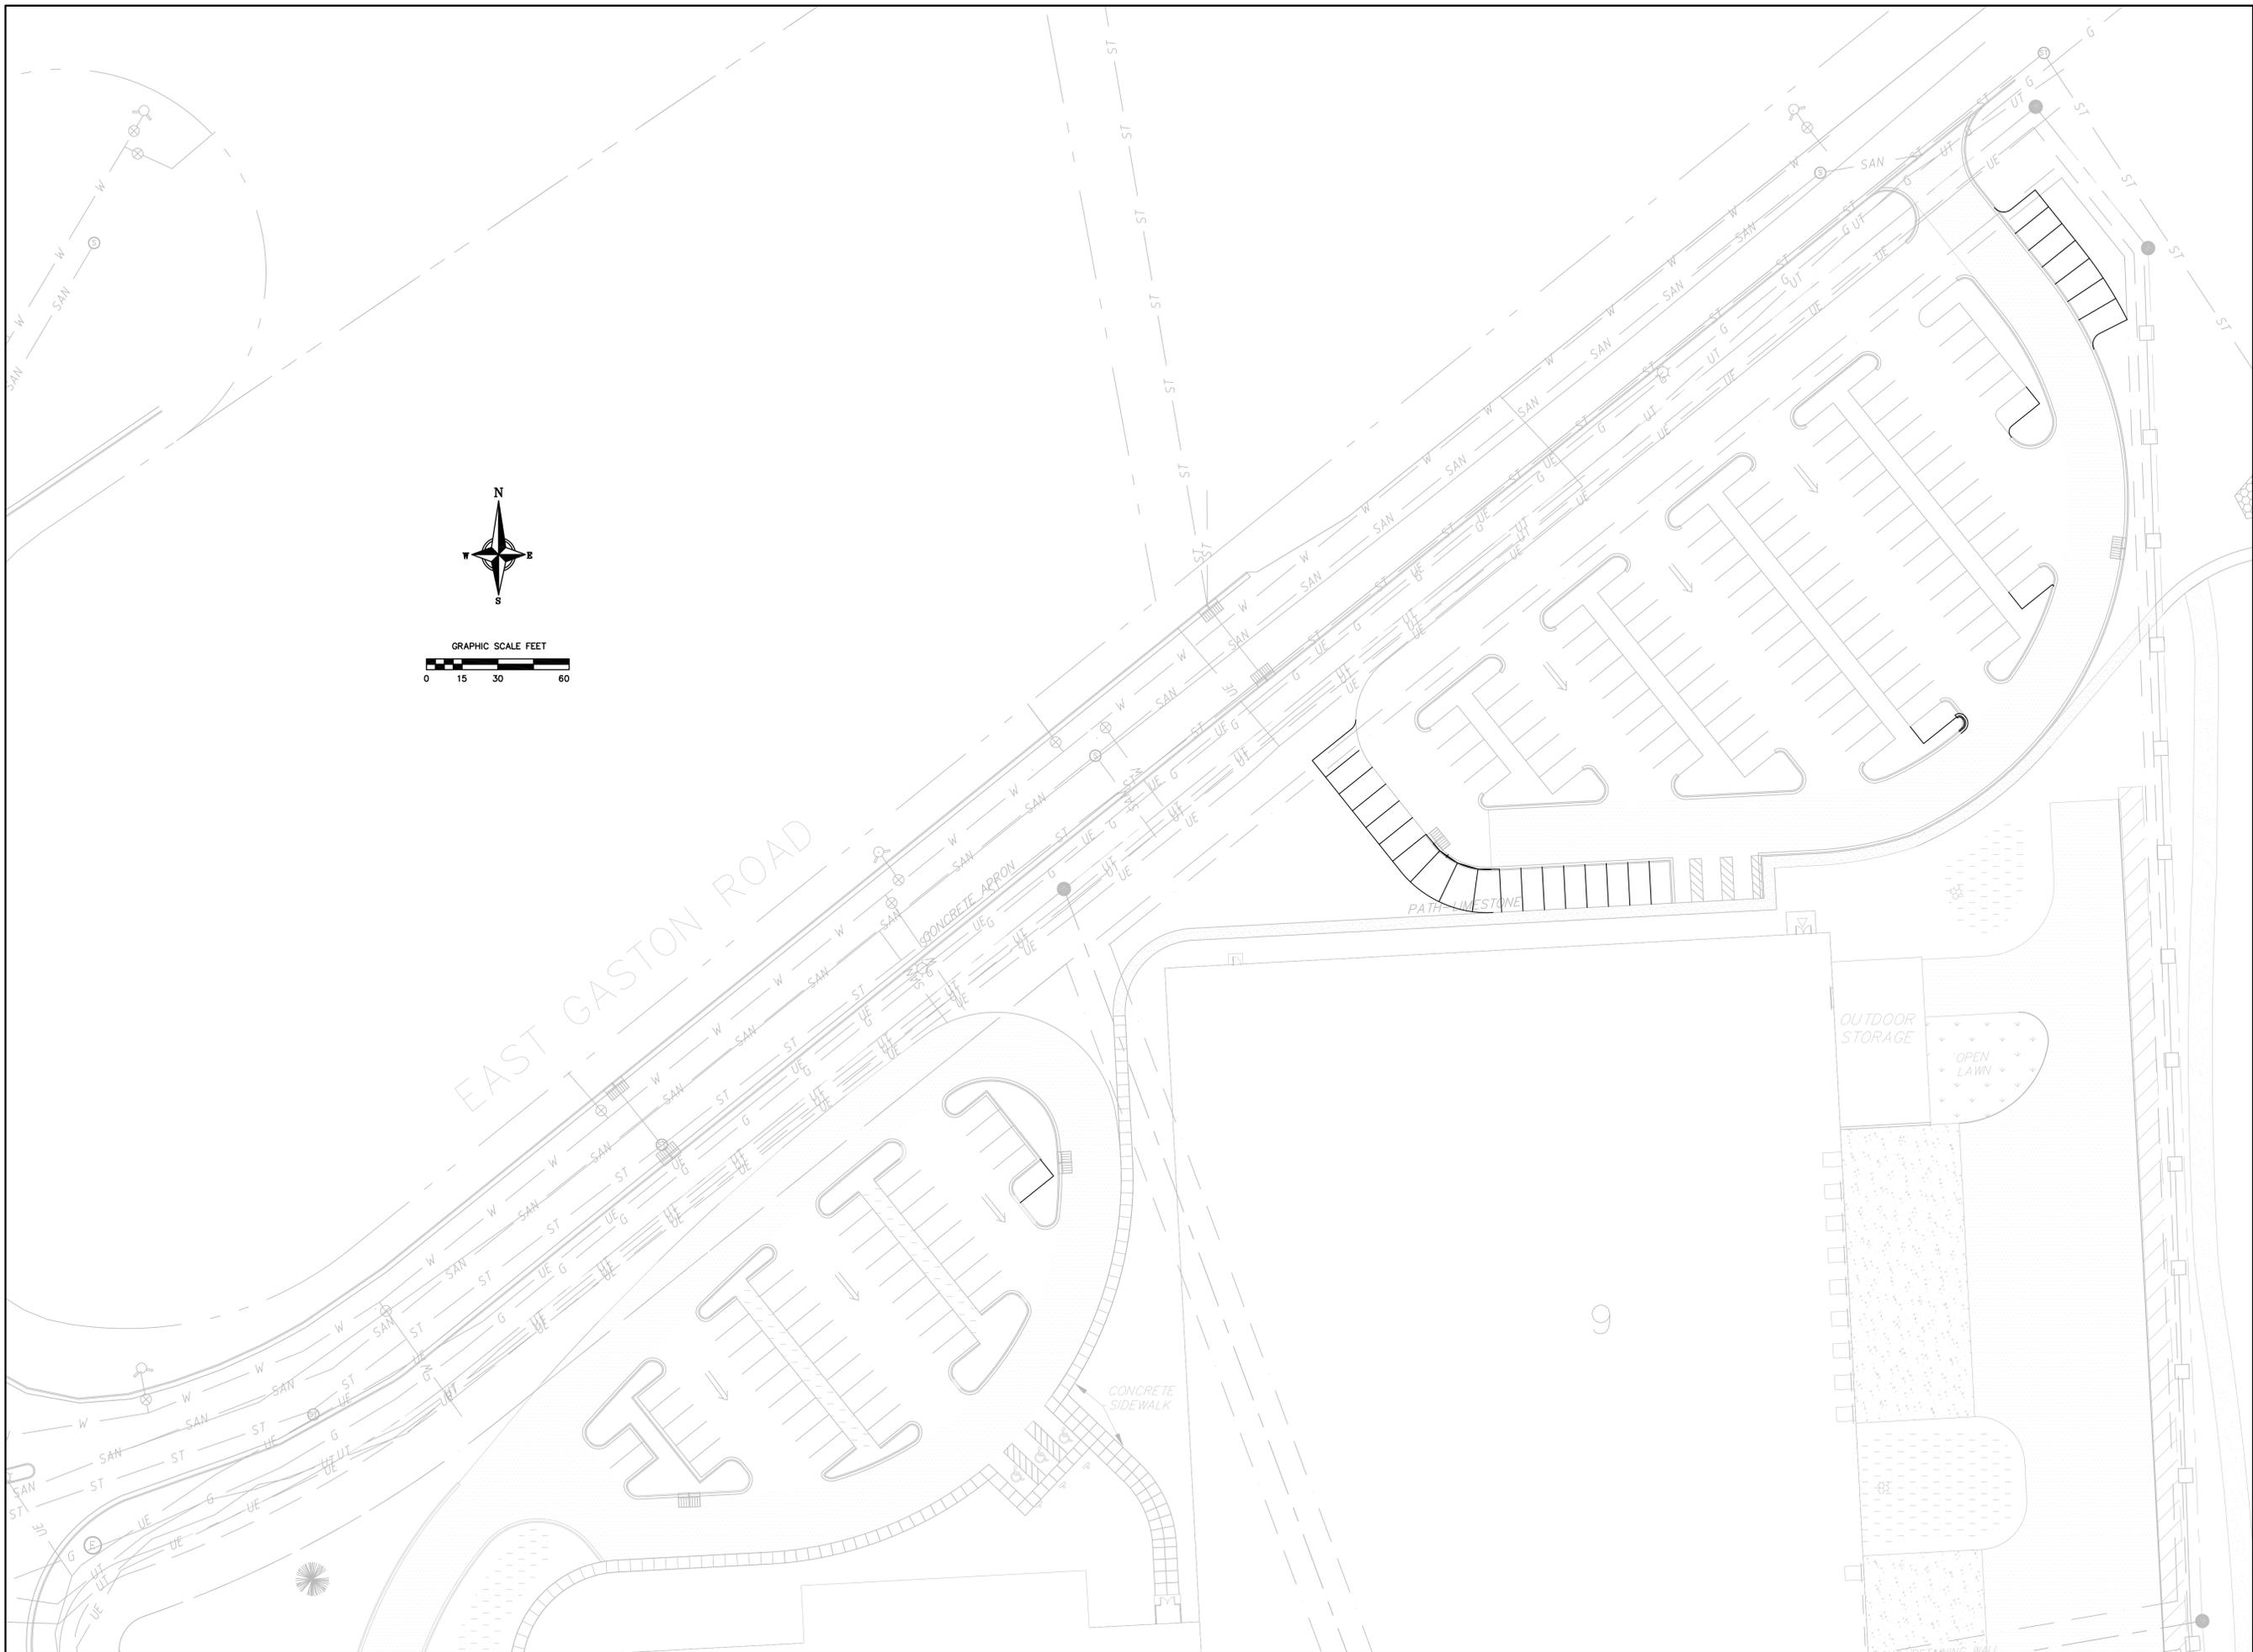

The 40 parking spaces add approximately 6,000 sq. ft. of paved area. This lowers the percentage of pervious green space on the property from approximately 27% to approximately 26%, which remains in compliance with the minimum 20% landscape surface ratio per 325-41(A)(7)(a)(2).

STAFF RECOMMENDATIONS

Staff recommends that the proposed Site Plan Amendment be **APPROVED WITH CONDITIONS**, with the following conditions:

1. Trees and other landscaping removed to accommodate the parking lot shall be replaced on the property. Provide a landscaping plan showing removals and new plantings for staff verification.
2. Provide engineering plans as needed by the Village Engineer to verify satisfactory storm water management.
3. The Village Engineer shall verify the design of modified curbs.

VILLAGE ACTION REPORT

PROJECT: Kennedy Hills ETJ Final Plat

APPLICANT: Dave Riesop - developer

PROJECT LOCATION: NE corner of CTH BB and Kennedy Rd.

REPORT DATE: March 12, 2020

PROJECT DESCRIPTION: The applicant is seeking approval of the final plat for the Kennedy Hills subdivision. The preliminary plat was approved in July 2019.

PLAN COMMISSION MEETING: March 11, 2020

STAFF REPORT PROVIDED BY: X Planner, ___ Engineer, ___ Public Works

MOTION: by Schulze (1st), Jushchyshyn (2nd)

The Final Plat was APPROVED WITH CONDITIONS with the following conditions:

1. Provide map showing any streetlight locations, if applicable.
2. Provide any covenants, deed restrictions, or homeowner's association documents for review prior to certifying the final plat.
3. The Village authorizes lot sizes less than 1 acre, as long as those lot sizes are also approved by the Town of Cottage Grove Board, per 274-32(4).

VOTE: 6 Aye, 0 Nay, 0 Abstain

APPLICANT COMMENTS:

- (Dave Riesop - developer) – provided an overview of the project and available for questions.

PUBLIC COMMENTS:

- None

PLAN COMMISSION COMMENTS:

- (Ratcliff) – has the Town Board and County Board approved the final plat? Riesop replied the Town hasn't yet. It's on an upcoming agenda and Village approval was a condition for Town approval. Riesop replied that the County approved with conditions last year.
- (Ratcliff) – have the necessary development rights been assembled? Riesop replied he has options to purchase pending approvals. Ratcliff asked if they are needed prior to approval. Riesop replied he will need to finalize them prior to recording the plat.

STAFF COMMENTS:

- (Ruth) – asked if the project will have streetlights. Riesop replied he does not intend to have them. They were not required by the Town.

Re Banning Vaping on Municipal Property

The Village of Cottage Grove (Village) requested an opinion as to whether the Village could regulate or ban vaping on open air Village properties. It is our opinion that the Village may regulate or ban vaping on all Village property.

Generally, the Village can enact ordinances regulating conduct on Village property. Wis. Stat. §§ 61.34(1) and (5). Additionally, Wis. Stat. § 101.123 generally governs prohibitions against smoking. The statute lists specific indoor and outdoor areas where smoking is prohibited. In addition, Wis. Stat. § 101.123(4m) provides authority for local governments to further regulate smoking, including in outdoor areas under local government jurisdiction. The statute specifies that it does not limit the authority of local governments to “enact ordinances...that...protect the health and comfort of the public”. The statute limits the scope of ordinances regulating or prohibiting outside smoking “only to the public property under the jurisdiction of the” Village. Although this statute only applies to smoking in the traditional sense, it arguably grants the Village authority to also regulate vaping on public property to “protect the health and comfort of the public”.

Accordingly, neither generally applicable statutes nor statutes specific to tobacco use prohibit the Village from regulating the use of vaping products on Village property. Therefore, it is our opinion that the Village can enact an ordinance prohibiting vaping within Village parks, including outdoor areas under the Village’s jurisdiction.

Village of Cottage Grove POLICE DEPARTMENT

2019 ANNUAL ACTIVITIES REPORT

*Prepared by:
Daniel Layber
Chief of Police*

A NOTE FROM CHIEF LAYBER

It is with a great deal of pride that I present to you the 2019 Village of Cottage Grove Police Department 5th Annual Activities Report. The report is a testament to the work being done by all of our police officers and support staff, which represents a compilation of statistical data and crime prevention programs that were a part of our on-going organizational mission of “Keeping Cottage Grove Safe” throughout 2019. Those efforts would not be possible without the dedicated support we are fortunate enough to enjoy from elected and appointed government officials, as well as the citizens we are proud to serve. Cottage Grove has a lot to be proud of and the police department staff is very experienced and motivated. In May of 2018, we were accredited by the Wisconsin Law Enforcement Accreditation Group (WILEAG) after an onsite inspection from March of 2018. We are one of only 42 cities and counties accredited in the state by WILEAG out of 529 total law enforcement agencies. We also added body worn cameras in 2018 for all officers to wear on duty. The cameras were purchased from Axon on a 5 year payment plan. These cameras are an integral part of our law enforcement mission and we are happy to have this technology available for our use. Our budget was \$1,492,131 for 2019 and we came in under budget at the end of the fiscal year. We instituted a police bicycle patrol program in 2019 which enhanced our profile in the parks and residential areas of the village. We also instituted a police physical fitness and wellness program in late 2019 which will provide officers and all village employees with access to exercise equipment, an Employee Assistance Program, fitness trainer and a dietician to enhance employee well-being and their ability to better serve our community. Please enjoy reading our 2019 department report and feel free to contact me at the police department with any questions or suggestions.

Daniel L. Layber, Chief of Police

MISSION STATEMENT

The members of the Cottage Police Department are dedicated to establishing and developing strong community partnerships, as well as, providing professional service to all in our community. We are an organization that seeks to enhance the quality of life of our community by actively seeking opportunities to work with our community partners in fighting crime and solving identified problems. Furthermore, we seek to prevent crime, reduce the fear of crime and improve the quality of life in our neighborhoods through proactive programming.

Our officers respond to an average of approximately 1,045 documented calls for service a month, or an average of 35 calls for service a day. Fewer than 2% of those calls for service result in a criminal arrest and fewer than 10% result in a citation being issued. These statistics reflect our organizational philosophy that emphasizes solving problems creatively, through citizen cooperation with a focus of improving the quality of life in Cottage Grove through voluntary compliance, rather than mere enforcement of the law. Our safety and success as a police department is largely contingent upon the cooperation we get from our citizens. Their support via established programs in 2019 includes social media programs and community outreach that represent a commitment to active citizen involvement that keeps Cottage Grove safe. It is through our partnership with those we serve that we will be able to continue to keep Cottage Grove safe. As we enter 2020, as Police Chief, I thank all of you for your support of our agency and its Mission and ask you to remain an active partner with us in 2020 as we continue to live the mission of “Keeping Cottage Grove Safe.”

DEPARTMENT DESCRIPTION

The Cottage Grove Police Department is responsible for providing 24 hour police services and protection in the Village of Cottage Grove. The department employs thirteen full-time and two part-time police officers, as well as two full-time administrative service personnel. The police department emphasizes the well-known concept of community policing, which is reflected in our organizational structure and enforcement philosophy. We believe in the critical importance of partnering with our community to identify and solve community problems so that we can maintain and enhance the quality of life in Cottage Grove. The department consists of three different programming areas, each with specialized positions which are subsequently then divided into three different shift teams. The programming areas include police administration, the patrol division and the support services division.

Police Administration: Police Administration consists of the Chief of Police, Daniel L. Layber, and one Lieutenant (implemented March 2016) and a Sergeant of Police created in late 2017. The Chief of Police is responsible for the organization, control and direction of personnel and resources of the department, budget development and maintenance, and under the provisions of Wisconsin State Law, is given authority in matters of operations, discipline, the development and implementation of Department rules and regulations, policy and procedures. The Chief of Police is also the overall supervisor for all three shifts of officers. Chief Layber worked as a Special Agent and Special Agent Supervisor for the Wisconsin Department of Justice, Division of Criminal Investigation for 28 years, and as Chief of the Milton, WI Police Department for 4 years before joining the Cottage Grove Police Department in 2015.

Lieutenant: (Matthew Wagner): This position is responsible for coordinating the day to day operations schedule, training, and staff development of all employees of the police department. The position also serves as the court-liaison officer to municipal court. The position is further responsible for assisting in budget maintenance, equipment and fleet maintenance, and oversees all community outreach programs. The lieutenant also manages the department's state accreditation program through the Wisconsin Law Enforcement Accreditation Group and has oversight of all policy and procedure development for the organization. This position is further responsible for overseeing the field training program, including supervision and policy development in our field training program.

Sergeant: (David Stortz): This position is responsible for the 3rd shift officers that patrol the Village from 10:00 p.m. to 6:00 a.m. daily. Sergeant Stortz is also an evidence tech, a hostage negotiator and a field training officer, and he has been with the department for 20 years.

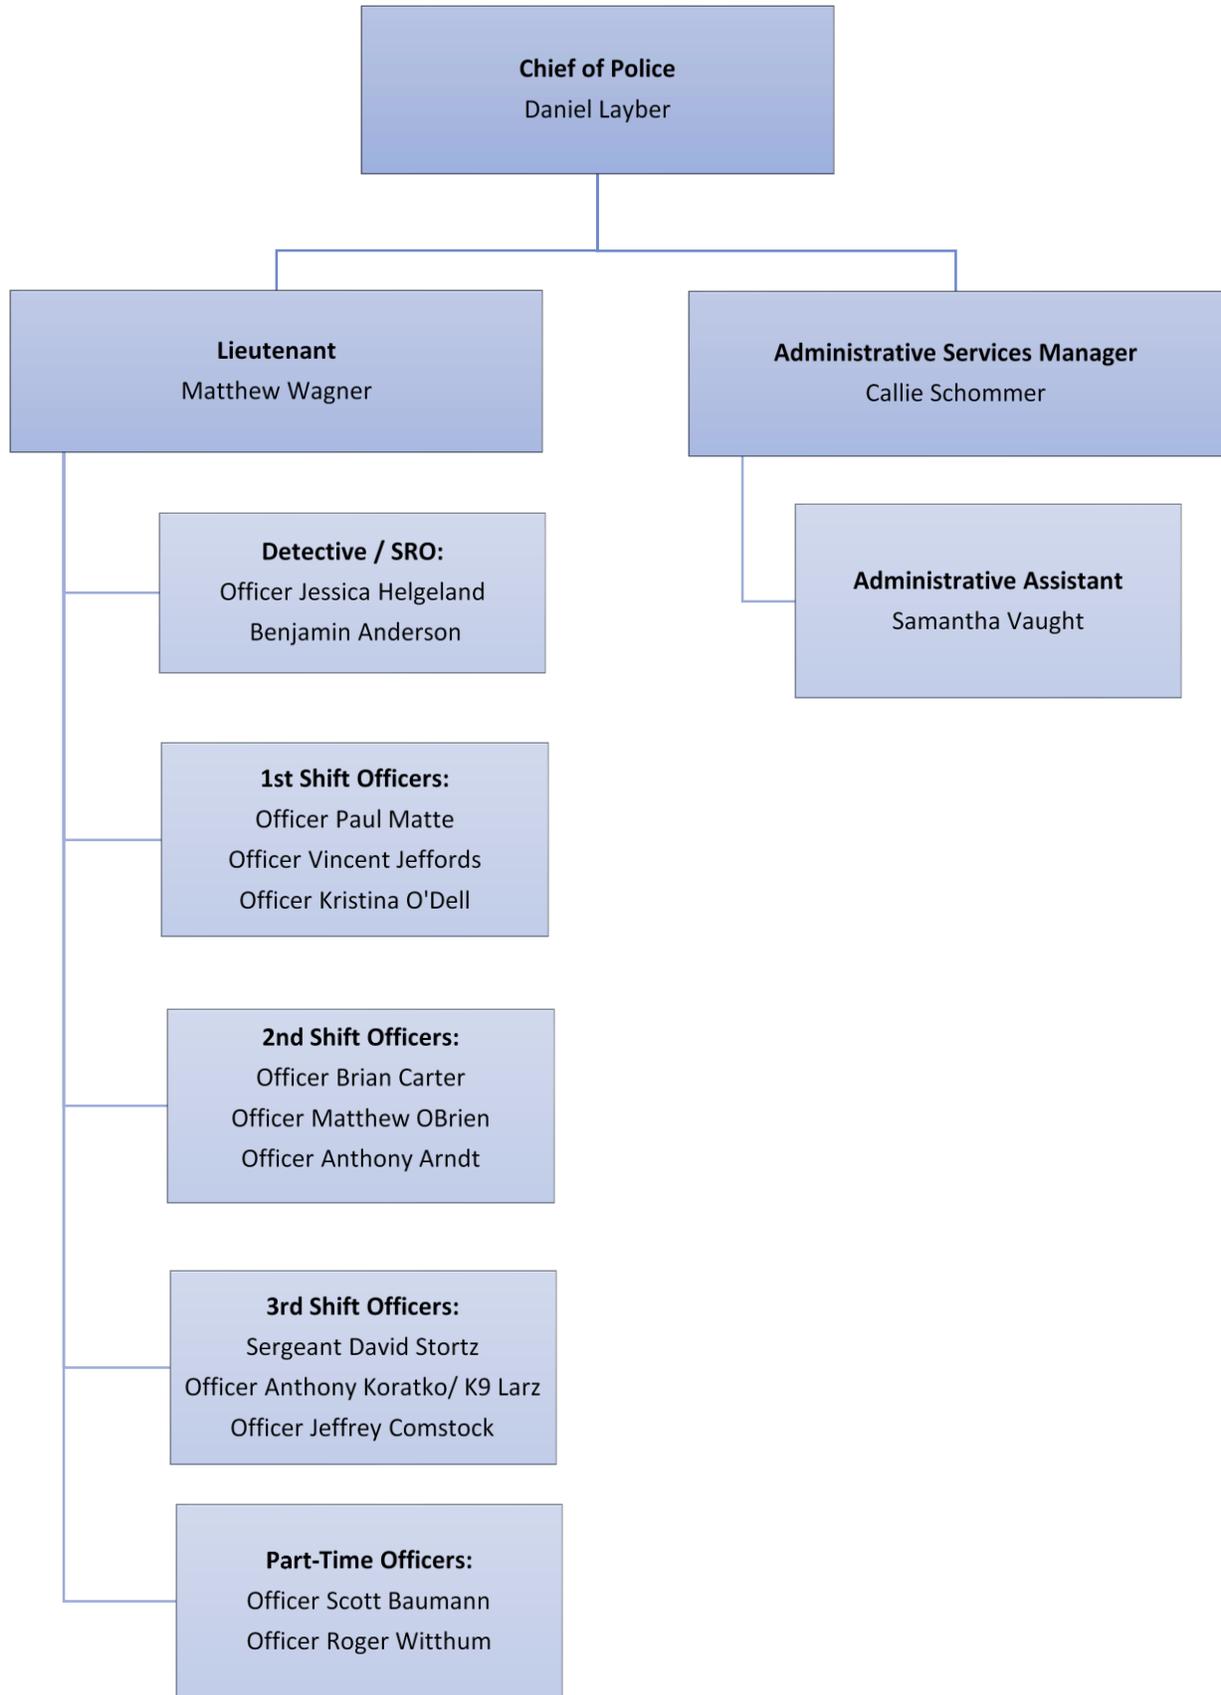

Lieutenant Wagner

Sergeant Stortz

Patrol Division: The patrol division is made up of three (3) teams of officer deployment. Officers are deployed in permanent shifts, which make up the day team (6:00 a.m. – 2:00 p.m.), the afternoon team (2:00 p.m. – 10:00 p.m.) and the night team (10:00 p.m. – 6:00 a.m.). All three shifts have 3 officers assigned on a rotating 6 days on, 3 days off schedule. Each shift has officers with specialized training designed to enhance the service of the police department to our residents. A breakdown of each shift team and specialized training is provided below:

Day Shift Team (School Resource Officer, Detective and Three Full-Time Sworn Officers):

School Resource Officer (Jessica Helgeland): The full-time SRO position is responsible for providing a safe environment for the students, staff and visitors at the three Cottage Grove schools. Officer Helgeland has performed in this position for almost two years. She is an instructor for our department in DAAT, Taser, Tactical Response, Scenarios, and ALICE disciplines. Officer Helgeland has been with the department for 15 years.

Detective (Ben Anderson): The full-time detective position is responsible for follow-up on all criminal investigations reported to the patrol division from all three shifts. Detective Anderson is trained as an instructor in Emergency Vehicle Operations, Vehicle Contacts, Child Forensic Interviewing, and he is a field training officer and an evidence technician. Detective Anderson has been with the department for 18 years.

Patrol Officer / 2nd shift: (Brian Carter): This position is responsible for responding to calls for service on the afternoon team of officers. Officer Carter is a Standardized Field Sobriety Test and OWI instructor. Officer Carter has served with the department for 9 years.

Patrol Officer / 2nd shift: (Matthew OBrien): This position is responsible for responding to calls for service on the afternoon team of officers. Officer OBrien has served with the department for 3 years, completing his probationary period in 2018.

Patrol Officer / 2nd shift: (Anthony Arndt): This position is responsible for responding to calls for service on the afternoon team of officers. Officer Arndt has served with the department for 3 years.

Officer Carter

Officer OBrien

Officer Arndt

Night Shift Team (Three Full-Time Sworn Officers)

Patrol Sergeant: (David Stortz): This position is responsible for responding to calls for service on the night shift team of officers and supervision of the other officers on this shift. Sergeant Stortz is also an evidence tech, a hostage negotiator and a field training officer. Sergeant Stortz has served with the department for 20 years.

Police K9 Patrol Officer: (Anthony Koratko): This position serves as the department K9 coordinator and handler for canine "Larz," a 7 year old German Shepherd trained in tracking, drug detection, apprehensions and patrol techniques. The K9 team averages 100 deployments per year for the Village of Cottage Grove and mutual aid requests in the Dane County area. K9 Larz and Officer Koratko attended Steinig Tal Kennels K9 Academy in Campbellsport, WI in August of 2013 for four weeks, successfully completing the 160-hour handler course. They are certified in drug detection, building and area search, apprehension and article/evidence search. The K9 team attends two maintenance trainings per month, one with the Madison Police Department and the second with Steinig Tal Kennels. Officer Koratko is also a field training officer and a firearms instructor. Officer Koratko has served with the department for 14 years.

Patrol Officer: (Jeff Comstock): This position is responsible for responding to calls for service on the night shift team of officers. Officer Comstock is a drug recognition expert (DRE). Officer Comstock has served with the department for 9 years.

Administrative Services Division (2 Full-Time Civilian Employees)

Administrative Services Manager: (Callie Schommer): This position functions as a principal support staff person to the Chief of Police and provides comprehensive administrative and clerical support services to all police department staff. This position is responsible for coordinating the dictation and oversight of all records and records management. The police department processes over 10,000 records annually, ranging from full incident criminal arrests to written warnings. Proper processing is coordinated with Dane County's shared records management system and the routing of all those records to various agencies requiring them, such as the DA's Office, health and human service departments, as well as outside agency requests, which are processed through this position. This position creates monthly statistical reports on police expenditures and prepares confidential correspondence, as well as generating statistical information and monthly police department activity reports for the Village of Cottage Grove Law Enforcement Committee. Equipment purchases, payroll, personnel issues, budget development and maintenance, answering non-emergency telephone calls during business hours and processing walk-in complaints/payments/inquiries are all among the many responsibilities of this position. This position also schedules and supervises support staff to ensure maximum coverage for clerical support and other duties as assigned by the Chief of Police.

Administrative Assistant: (Samantha Vaught): The Administrative Assistant position is full-time. Sam was hired in August of 2017 to fill this full-time position. She graduated with an Associate Degree in Criminal Justice. Prior to becoming the department's new Administrative Assistant, Sam worked as a dispatcher in Madison for the Capitol Police Department for two years. This position maintains and updates department files, enters data into the records management software, to include arrests, incidents, referral, etc., and also transcribes recorded dictations. Sam also maintains police records in accordance with established procedures, such as filing, scanning and updating reports. This position also answers non-emergency telephone calls during regular business hours and processes walk-in complaints. When you stop down at the police department, Sam is the first face you will see. She will greet you from the front office and assist you in any way she can, either by getting information for you or getting you in touch with the correct officer for your situation.

Admin Mgr. Callie Schommer

Admin Asst. Samantha Vaught

TOTAL CALLS FOR SERVICE 2019

The Cottage Grove Police Department responded to a total of 12,541 calls for service in 2019 compared to 13,988 documented calls for service in 2018. These incidents include not only calls for service, but also officer self-initiated activity. Self-initiated calls can be traffic stops, property checks, foot patrols, or other calls that are proactive in nature instead of reactive responses. The call volume for the police department represents approximately 1,045 calls for service a month, or approximately 35 documented calls for service per day.

CRIME IN COTTAGE GROVE

The following charts detail the crimes that were committed in the Village of Cottage Grove in 2019 as reported by our agency to the Wisconsin Uniform Crime Reporting (UCR) data submission website run by the Wisconsin and U.S. Departments of Justice. UCR reporting is done by law enforcement agencies across the United States so that there is a uniform method of reporting crime for all. Arrests are reported along with crime clearances for the reported crimes. The Village of Cottage Grove has a **low crime rate** and a very **high clearance rate** when comparing state and national averages. When combining violent and property crimes together for cities over 4,000 population in the state of Wisconsin, we are one of the **top 20 safest cities in the state coming in at 16th safest**. We are the 2nd safest city in Dane County, trailing only Cross Plains. The police department is very proud of this ranking; however, we do not take complete credit for this accomplishment. Our community remains at a comparatively low rate year after year, but we would like to think that our crime prevention strategies, community outreach, investigative efforts and patrol strategies have been instrumental in helping with these impressive low rates of crime. Our citizens and businesses are great partners in the fight against crime and together we share credit for making the village safe for all.

The violent crime rate for Wisconsin is 3 per 1,000 residents. The national average is 3.7 per 1,000. In Cottage Grove, our violent crime rate is 0.9 per 1,000 residents.

The property crime rate in Wisconsin is 15.6 per 1,000 residents. The national average is 22 per 1,000 residents. In Cottage Grove, our property crime rate is 3.0 per 1,000 residents. The national solve rate for violent crimes is 46%, and 18% for property crimes. The Cottage Grove Police Department solves violent crimes at 96 %, and property crimes at 55%. The crimes are grouped according to *Crimes Against Persons*, *Crimes Against Property* and *Crimes Against Society*. These categories were developed by the US Department of Justice. Crimes against society are the supposed ‘victimless’ crimes because nobody was assaulted or had their property stolen. At the end of the UCR data tables, you will see a graph showing crime in Cottage Grove for the past 3 years.

ACCREDITATION

Many have heard the term accreditation, but few fully understand its relationship to modern law enforcement. The basic principle of all accreditation processes, regardless of their field of governance, is for an independent body to establish a set of standards by which the operations of entities can be evaluated. The Wisconsin Law Enforcement Accreditation Group (WILEAG) has become this independent evaluating body for law enforcement agencies in the State of Wisconsin.

The WILEAG governing board established its first set of standards in 1995. In 2017, WILEAG published its Fifth Edition which consists of 242 standards that contain 602 separate dimensions. These standards are specifically tailored to address the needs and capabilities of Wisconsin Law Enforcement Agencies.

To become an accredited agency, or to maintain your accredited status, a police department must review and update each of its policies and operating procedures, making certain that they comply with WILEAG standards, every three years. Agencies must also collect “proofs” that document their compliance with every standard and dimension annually. Every

third year, a team of WILEAG evaluators conduct on-site assessments of each agency seeking accreditation. During these assessments, the evaluators examine both the agencies policies and proofs, making certain they comply with each of the established standards. These on-site evaluations generally take three full days and they include facility inspections and public input hearings.

In March of 2018, the Cottage Grove Police Department went through its first on-site assessment. The team of three independent evaluators found the Cottage Grove Police Department to be in full compliance with all relevant WILEAG standards. On May 11, 2018, the Governing Board of the Wisconsin Law Enforcement Accreditation Group awarded the Cottage Grove Police Department with a Certificate of Accreditation.

Lieutenant Matthew Wagner oversees the accreditation process for the Cottage Grove Police Department as the department Accreditation Manager, but the accreditation process is an agency wide project and accomplishment. In 2021, we will need to go through re-accreditation which will require us to show for the past three years that we have been conforming to all standards.

In these challenging times for law enforcement agencies around the nation, the Cottage Grove Police Department will continue to utilize the WILEAG accreditation process to conduct ongoing self-evaluation to maintain the highest quality standards in our operations.

INVESTIGATIONS

Detective Benjamin Anderson is the full time investigator for the Cottage Grove Police Department. Detective Anderson investigated several felony and misdemeanor cases in 2019 and continued to follow up on historical cases. Some of these cases investigated included adult and child sexual assaults, drug cases, missing person cases, reckless homicides cases, child pornography cases, burglary cases, theft cases, child neglect cases, stalking case, counterfeit case, terrorist threats cases (school related), and fraudulent prescription cases. Detective Anderson received the “Chief’s Commanders Commendation Award” for the Kurt Meyer missing person case he worked in 2019.

Detective Anderson also assisted patrol staff with around 35 other cases and responded to calls with patrol when needed. Detective Anderson assisted outside agencies that included Dane County with a drug case, Monona Police Department with a search warrant, Wisconsin DOJ with an elder abuse case, Dane County Sheriff’s Department with a sexual assault, Pleasant Prairie Police Department with a background check, Madison Police Department with a sexual assault, drug investigation, an armed robbery case, Winnebago County Sheriff’s Department with a theft from vehicle case, McFarland Police Department with a drug investigation, and the Minneapolis Police with an invasion of privacy case. Detective Anderson is also currently working a joint sex offense case with the River Falls Police Department.

Detective Anderson also processed over 400+ items of property/evidence as the department’s evidence room custodian, completed over 60 court officer trips to the Dane County District Attorney’s Office, and assisted the Dane County District Attorney’s Office with several follow up requests and video/evidence request. Detective Anderson completed over 50 open records request for public and defense attorneys.

Detective Anderson completed numerous background checks for the parks and rec department, village employee backgrounds, and liquor license checks.

Detective Anderson investigated numerous major cases this year, in which some to note are included below:

MISSING PERSON/DEATH INVESTIGATION CASE-KURT MEYER:

In January of 2019, Detective Anderson was asked to assist and take lead on a missing person complaint. After working numerous hours throughout the day, Detective Anderson reached out to the Wisconsin Department of Justice-Division of Criminal Investigation major crimes unit to assist with the case. Detective Anderson worked with probation and parole to start searching for evidence of Meyer’s disappearance. Detective Anderson initially requested bank records, cellular phone companies, and social media to retrieve a timeline of Meyer’s activities. Detective Anderson interviewed numerous subjects during this investigation. Meyer was later located deceased in the Village of Marshall. At this time, the Wisconsin Division of Criminal Investigation (DCI) took lead on this case due to jurisdiction. Detective Anderson

was asked by the Special Agent that would now lead the investigation with DCI to continue and assist with the case. Numerous hours around the clock were spent on this case.

DEATH INVESTIGATION:

In September of 2018, an adult female was located deceased at her residence in Cottage Grove. After numerous hours of investigation, a suspect was identified in connection to her death. In February of 2019, Detective Anderson worked alongside DCI a drug investigation also involving the suspect. The suspect was eventually arrested for Maintaining a Drug Dwelling, and Possession of Heroin. This suspect was also then later charged by the Dane County District Attorney's Office with 1st Degree Reckless Homicide.

JIMMY NICHOLSON DRUG CASE:

In May of 2019, Detective Anderson worked numerous hours on a drug investigation that involved maintaining a drug dwelling, possession of intent to deliver cocaine, and possession of cocaine. There were numerous complaints of suspicious activity at the residence and calls coming in from citizens. Detective Anderson worked numerous hours conducting surveillance, and other investigative techniques. Detective Anderson later had a search warrant signed by a Dane County Judge and was then executed in the Village of Cottage Grove. Jimmy Nicholson was the suspect in this case and was later arrested during the search warrant and later charged for Possession with Intent to Deliver and Maintaining a Drug Dwelling.

ADRIAN GARDINER CASE: (FEDERAL CASE)

In July of 2019, Detective Anderson was asked to take lead on a child sexual assault case. Detective Anderson worked numerous hours on this case and was also called off-duty to come in and assist with the case. This case involved a joint investigation with the Wisconsin Division of Criminal Investigation and Indiana State Police. A suspect was later identified as Adrian Gardiner from the State of Indiana. 41 year old Adrian Gardiner was later arrested. Detective Anderson and Special Agent Ryan Condon went to Indiana to interview the suspect, in which they later received a confession. Gardiner was later indicted on four federal charges that included Child Pornography and Child Enticement.

THREATS TO SCHOOL:

In October of 2019, Detective Anderson was contacted off-duty two separate times to come in and assist with a threats to school incident. Detective Anderson was asked to assist the School Resource Officer with these cases. After numerous hours of investigation, two juveniles were eventually arrested in connection to the threats. Detective Anderson assisted with interviewing, and drafting search warrants for both cases.

ASSIST MINNEAPOLIS POLICE:

In December of 2019, Detective Anderson was asked to assist Minneapolis Police Detectives with an invasion of privacy case that occurred in Minneapolis, Minnesota. Detective Anderson and DCI met and briefed with Minneapolis Police. Detective Anderson assisted in drafting a search warrant for Minneapolis Police and was later executed on a suspect and suspect residence in the Village of Cottage Grove. Detective Anderson and DCI will continue to investigate this case. DCI has asked Detective Anderson to assist on historical cases that have involved the suspect. This case still remains under investigation.

COTTAGE GROVE TRIAD

We are also members of the Cottage Grove TRIAD, which is a partnership between law enforcement and seniors in the Cottage Grove area. Police personnel attend regular meetings and participate in winter driving inspections of vehicles, presentations on issues importance to seniors such as scams and frauds and helping to keep the seniors in our community up to date on many issues that may affect them. We have a Cottage Grove police officer on the state board of the TRIAD, which has greatly enhanced our contribution to the organization and provided us with more insight on issues facing our senior citizens.

DOMESTIC ABUSE

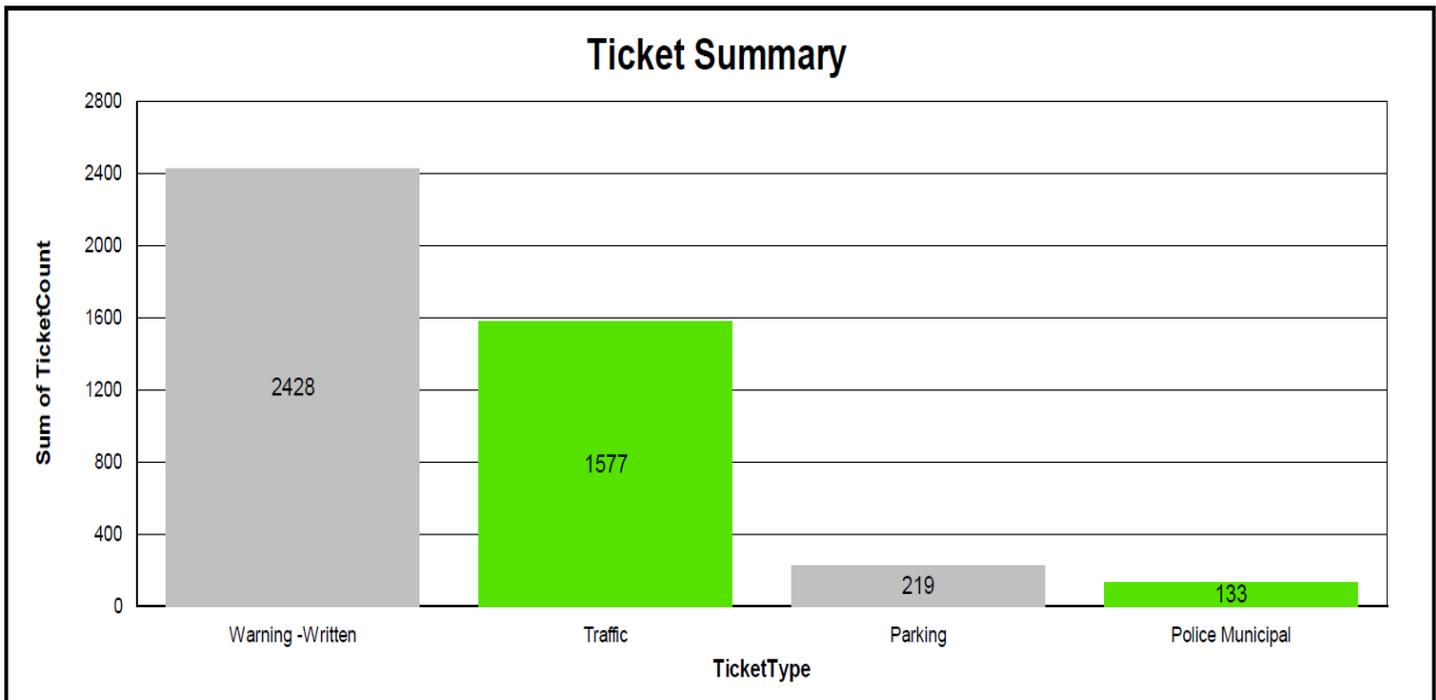

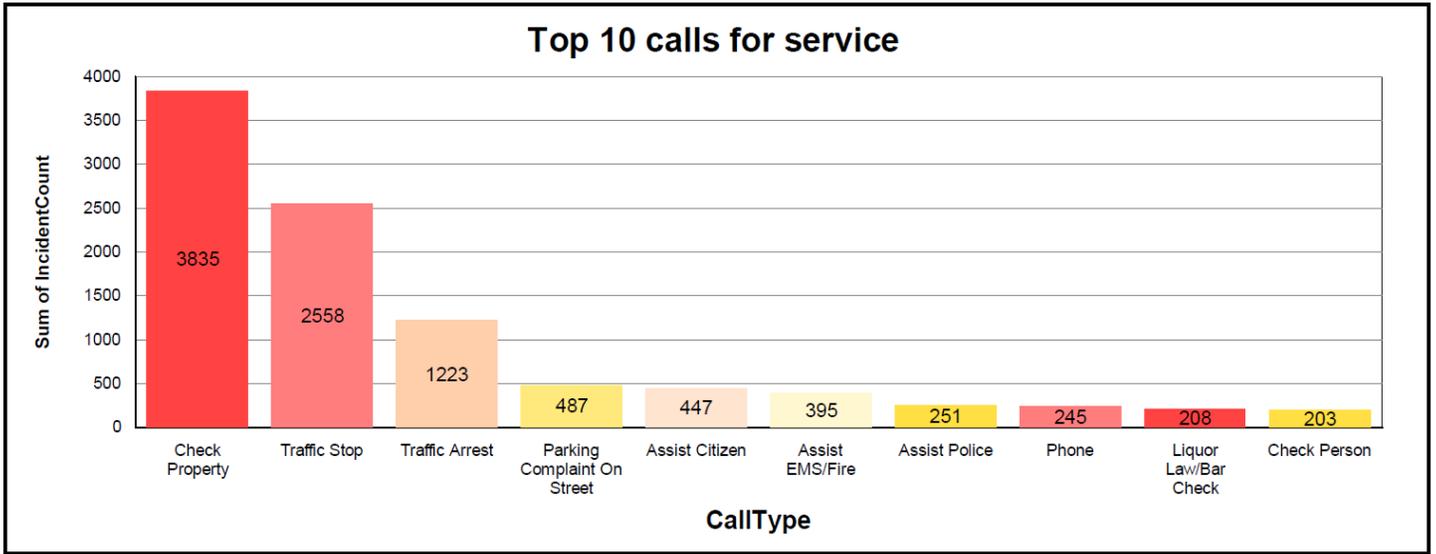

In 2019, we had 38 calls for domestic abuse, 43 calls for domestic abuse in 2018, and 38 domestic abuse cases in 2017. The police department is proactive in this area by responding to residences when a possible conflict may occur (exchange of property) and standing by to preserve the peace, which happened 17 times in 2019. Pursuant to the State of Wisconsin mandatory arrest law, many of these incidents resulted in criminal arrests, which account for 1/3 of all criminal referrals to the Dane County District Attorney's Office. In an effort to prevent future domestic violence incidents from our community, officers actively communicate regional resource availability, such as the private, non-profit, Domestic Abuse Intervention Services (DAIS), which provides crisis intervention and community education and prevention programs, the Dane County District Attorney's Office Domestic Violence Unit, and the YWCA of Dane County to all victims of domestic violence incidents. We also educate victims on the availability of obtaining temporary restraining orders and their victim rights. Numerous members of the Cottage Grove Police Department have attended training offered by the Dane County District Attorney's Office/Domestic Violence Unit and the Dane County Sheriff's Office. The police department will be implementing a Domestic Police Officer program in 2020 to coordinate our efforts with the domestic violence providers in the county. We will receive extra training and will provide intensified services to the victims of domestic violence with the goals being a reduction in violence and a decrease in recidivism.

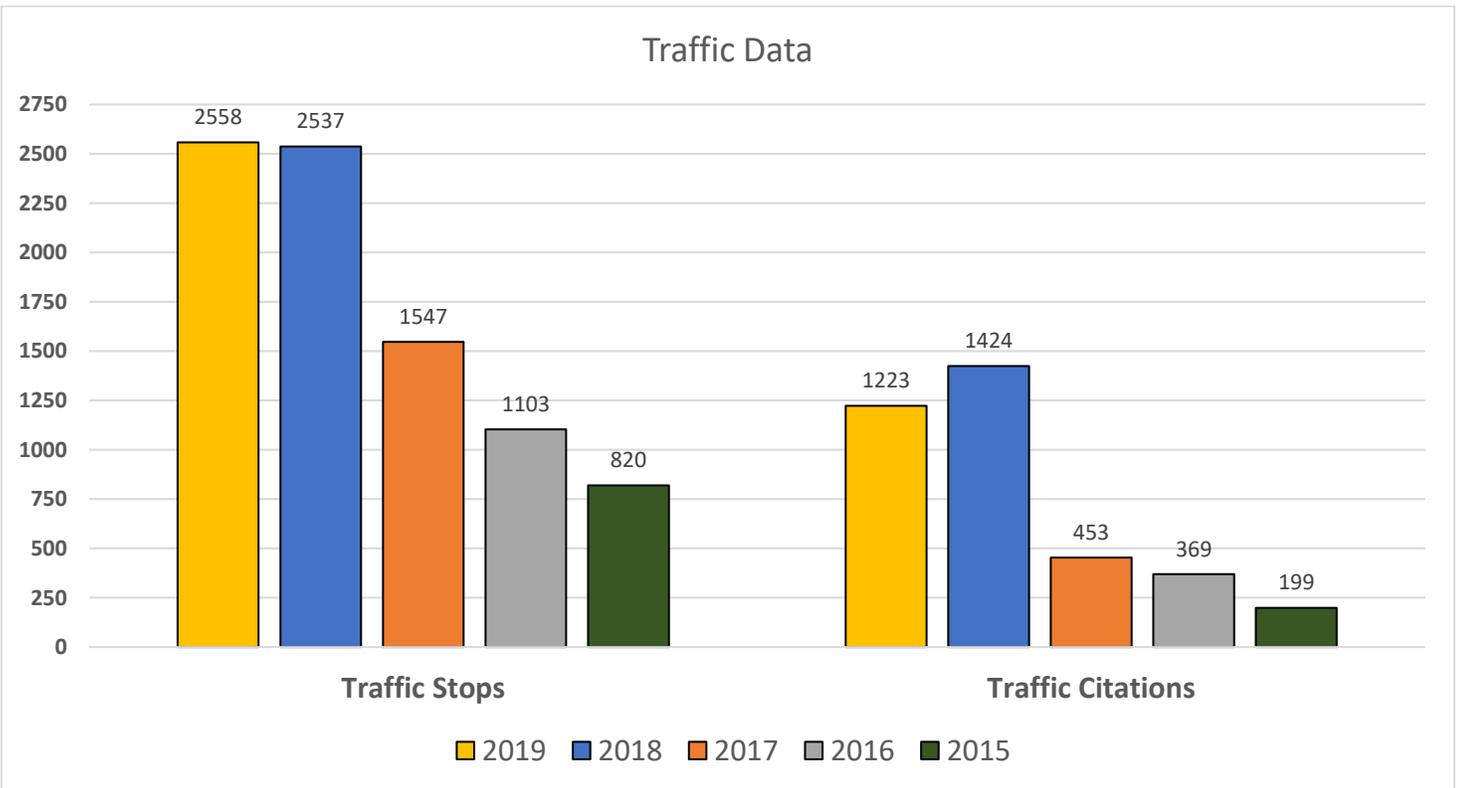

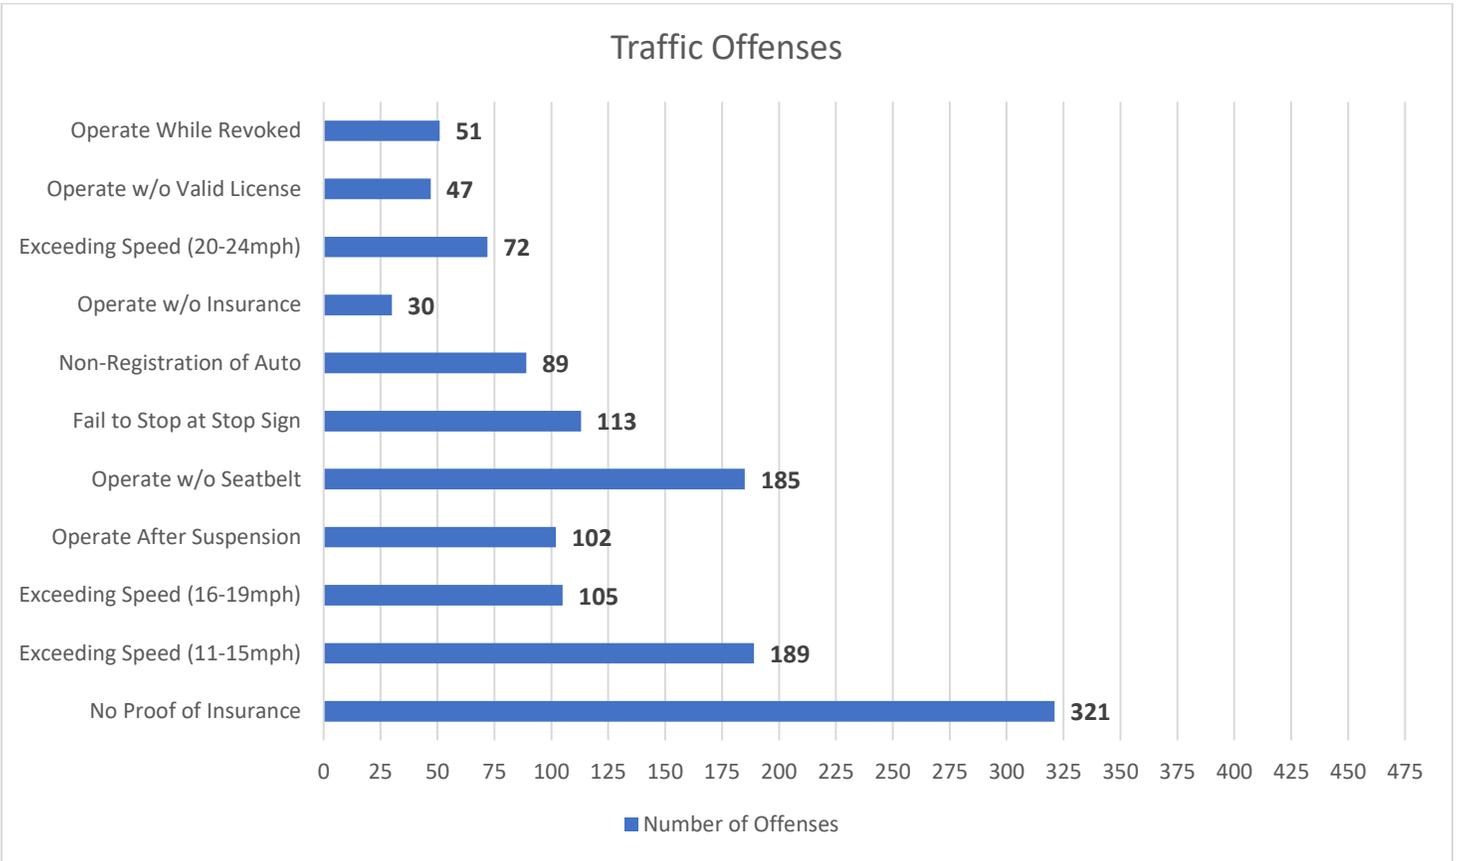

MEDICAL ASSISTANCE

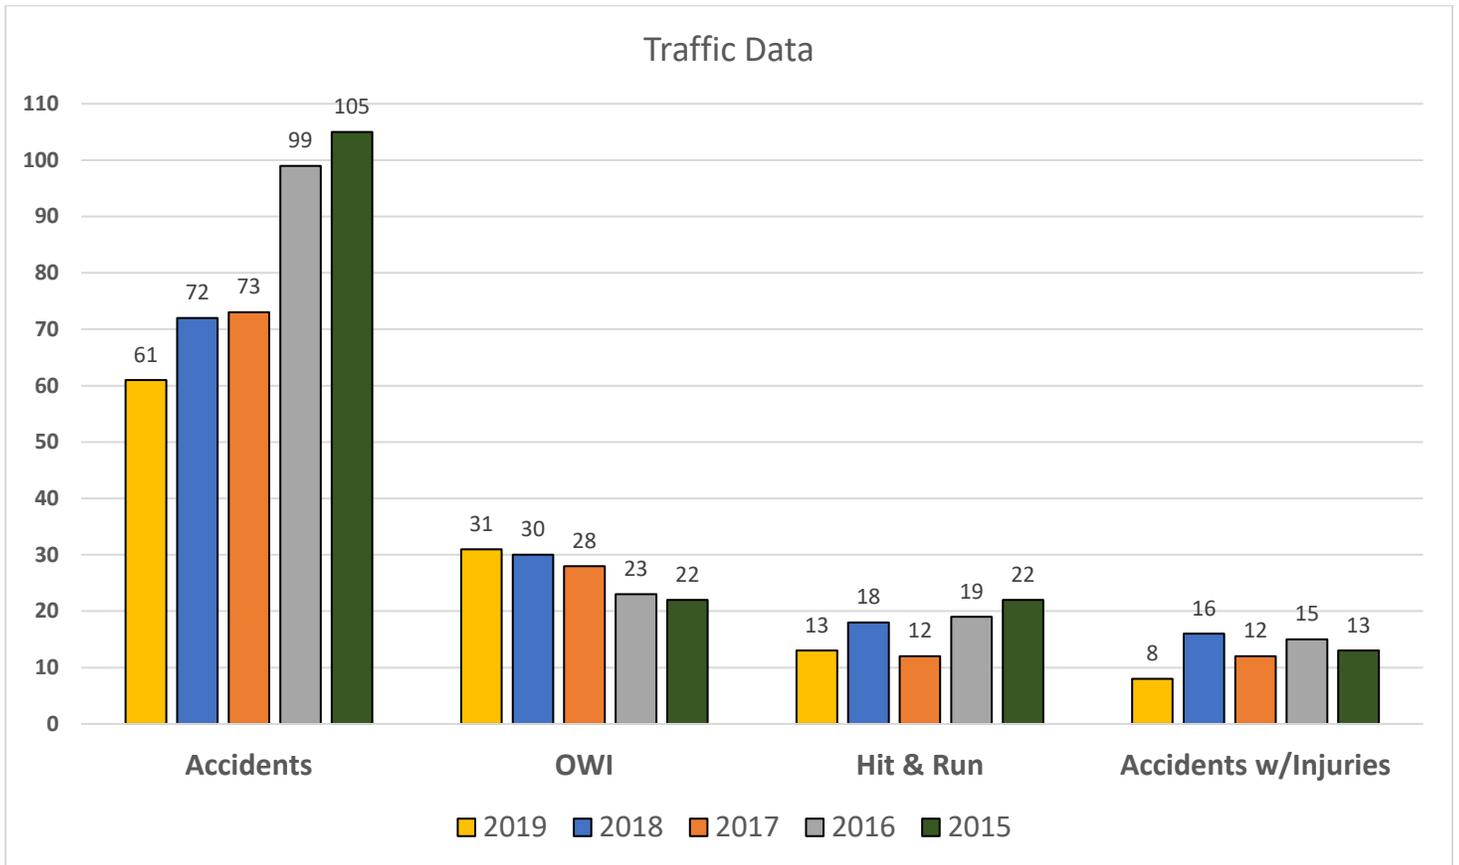

Our officers responded to 395 calls to assist our citizens with medical issues in 2019, and 457 calls to assist our citizens with medical issues in 2018. We assist Deer Grove EMS with their patients, sometimes arriving before EMS personnel do. It is extremely important to have officers on scene so fast to administer basic first aid, comfort the patient, assist the EMS personnel, administer Narcan and provide basic life saving techniques. We have equipped all officers with tourniquets for their own personal use and to stop the bleeding when a citizen may be in need. Deer Grove EMS provides annual training to us in basic first aid and we try to stay up to date with the best practices for first responder first aid. All police squads have AEDs and Narcan for heart attacks and opiate overdoses. We upgrade our AEDs as often as possible to provide the best care for our citizens.

TRAFFIC & PARKING ENFORCEMENT

One of our primary objectives at the Cottage Grove Police Department is to keep our streets safe for pedestrian, bicycle and vehicular travel. This objective is accomplished through proactive patrol and traffic enforcement that is aimed at keeping our streets safe. We don't always issue citations at every traffic stop. Some traffic stops result in warnings, some in citations, or a combination of both. In 2019, we had 2,558 traffic stops that resulted in 1,223 citations. We also issued 2,428 written warnings. The chart below highlights the most frequent, and some of the most serious offenses we cited drivers for in 2019. The next chart compares traffic enforcement efforts and results with previous years. We also issued 219 parking tickets in 2019. Most were during the winter as we try to keep the streets clear for plowing operations.

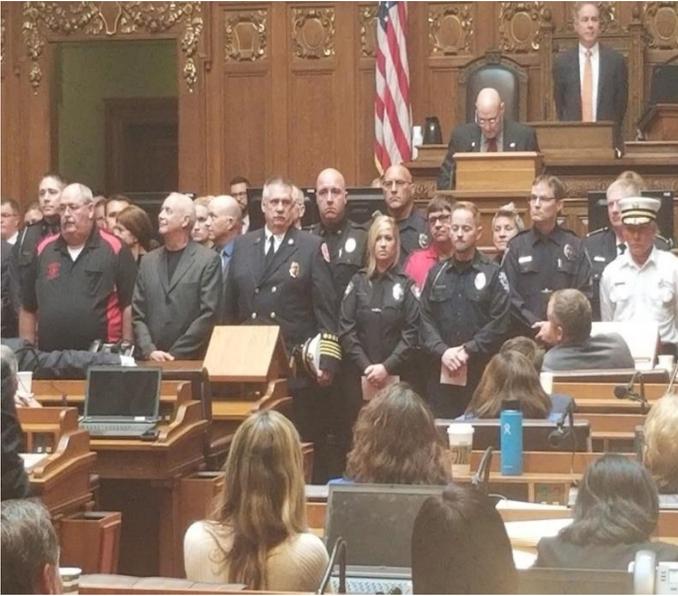

NON-TRAFFIC ORDINANCE VIOLATIONS

We issued 133 municipal citations (non-traffic) in 2019.

SCHOOL RESOURCE OFFICER

Officer Helgeland is our SRO for the Cottage Grove schools. She was a volunteer for this position and she has performed admirably so far. She serves all three Cottage Grove schools but is primarily providing services at Glacial Drumlin Middle School. She stays extremely busy and has numerous interactions with students daily and is truly having an impact on these young people. The role of an SRO is providing safe learning environments in our schools, providing valuable resources to school staff members, fostering positive relationships with youth, developing strategies to resolve problems affecting youth and protecting all students, so that they can reach their fullest potential. An SRO is not only a police officer, they are educators and informal counselors/mentors. Officer Helgeland has taught personal safety and internet safety in the 6th grade health classes. She has taught the children how to be safe when they are home alone, when confronted by a stranger, or other dangers that threaten their safety. Internet safety presentations in regard to inappropriate content and sexting dangers has been a big emphasis for Officer Helgeland as this area has been a huge problem across the country and in our middle school. In October of 2019, Officer Jessica Helgeland was recognized as the first responder of the year for the 46th assembly district. Officer Helgeland, along with other first responders in the state, were recognized for outstanding service to their communities. Thank you to State Representative Gary Hebl for recognizing Officer Helgeland.

PROACTIVE PROGRAMMING

Neighborhood Watch: A Village wide effort is being made to engage more citizens in neighborhood watch efforts. When crimes occur in the Village, we communicate directly with residents by canvassing the neighborhood and making contact with as many victims as possible, and to warn others in the neighborhood about the crimes being committed in their area and what to look for to help the police catch these violators. We also post the crime issue to the department Facebook page, the Village website, the local newspaper and the Cottage Grove Crime Watch website. We receive many tips about these crimes and the feedback we receive from citizens has been very positive when we take the time to educate them about what is occurring in their community.

ALICE training, Building Security Assessments: **ALICE Training** has a solution for your organization. **ALICE** (Alert, Lockdown, Inform, Counter, Evacuate) **Training** instructor led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the **threat** of an aggressive intruder or **active shooter** event. The Cottage Grove Police Department has a certified instructor in this discipline and has provided the training to all of the Cottage Grove Schools along with numerous businesses and groups. We have also provided security assessments to businesses so that they know where their strengths and weaknesses are at. They are provided with a personalized report to use as they see fit.

Caught Wearing a Helmet: We reward children for wearing their helmets when riding their bikes by giving them coupons from various businesses in the community when our officers participate in ‘Caught Wearing a Helmet.’ This program allows officers on patrol to make contact with children they see on the street wearing their helmets by immediately giving them a coupon for a sport drink, a donut, a bottle of water, an ice cream cone and other items of interest to the children. This greatly encourages the children to wear their helmets and gives our community a chance to get to know our officers in a non-threatening environment. Many children now look for our officers in the warmer months to patrol through their neighborhood in anticipation of receiving one of these coupons. We also hand out water bottles, pencils, key chains, chip clips and other novelty items to children and adults at community outreach events with safety tips thereon.

Cottage Grove Police Department Special Needs Awareness Program: As part of our desire to provide the very best police services to our residents, the Cottage Grove Police Department is seeking to enhance its base of knowledge and awareness of the special needs children and adults in our community. As a police department, we regularly have contact with children and adults who have a variety of special needs. While in many instances, we are aware of the individual needs of a particular person with whom we are in contact and how to best help them during a stressful event, at other times we are not familiar with an individual and this can cause difficulty in determining how to best help them. The goal of this program is to coordinate with family members in gaining the valuable knowledge that will help prepare us to assist

an individual in need. We encourage the parents and caretakers of special needs children and adults to participate in the program. To find out more about and/or participate in the program, please contact Officer Helgeland at the police department.

Vehicle Lockouts: We are one of a few remaining police departments that will open a vehicle that has been locked with the keys inside. We provide this as a service to our community members for free and we have received much praise for providing this service. We respond quickly and only ask that the citizen sign a waiver that holds us harmless for any damage caused by attempting to unlock their vehicle.

The Cottage Grove Coalition Cares: Organization made up of law enforcement (CGPD), community members, educators, parents, drug treatment and awareness groups, and other volunteers interested in teaching drug and alcohol abuse prevention to our community and especially our school aged children and young adults. We host drug take back days twice per year at Forward Pharmacy in Cottage Grove and also present seminars to educate the public about the abuse of drugs and alcohol.

Coffee With a Cop at School Grounds Café

IMPROVED COMMUNICATION THROUGH TECHNOLOGY

Facebook: The police department Facebook site has greatly enhanced our communication with the community in this age of the internet being used by so many. The Cottage Grove Police Department currently has 2,554 friends that follow our Facebook page. Many of our press releases are posted on the Village website so that a larger audience can be reached. A link to the Chief of Police's e-mail account is available via the Village of Cottage Grove website so that citizens may contact the department via e-mail to receive updates on cases or reports. Citizens can also submit a crime tip for cash to the Madison Area Crime Stoppers (of which Cottage Grove is part of) on our website. The Cottage Grove Police Department is also fortunate to have a strong relationship with our community's newspaper, the Herald Independent, in that periodic police related news releases and Facebook posts communicate areas of public safety concern in our community.

Nextdoor: The police department is now a full member of Nextdoor and we are currently sharing and receiving information from the almost 1,601 households in 8 neighborhoods who belong to Nextdoor. Nextdoor allows communities to easily create private websites to facilitate communication among neighbors and build stronger neighborhoods. Residents can exchange information about crime and safety issues. We monitor the 8 neighborhood sites and exchange information with concerned neighbors. We sometimes become aware of issues that were not reported to us and residents get information from us they might otherwise not know about. The following are some of the benefits to having the Cottage Grove Police Department on Nextdoor:

1. Residents get to know local police officers or government representatives
2. Stay in the loop about crime and safety issues
3. Be invited to upcoming events, like town halls and “Coffee with a Cop”
4. Organize disaster plans as a community
5. Voice your concerns to government representative
6. Provide feedback on government initiatives

The Cottage Grove Police Department can post messages, polls, or urgent alerts to the neighborhoods in their service area where the information would be relevant. Community members can thank their posts, reply to them, or send a local official a private message. The private message feature has been an efficient method of talking with people about sensitive matters. Again, we encourage people to call us whenever they have a concern. That is what we are here for!

Ring Doorbell Neighbor App: The police department is a member of the Neighborhood app which allows us to share crime information with fellow members and to share videos of events. This is especially helpful when a crime has occurred in our village. The police department sends out a video request for a certain geographic area, date and time. Homeowners with Ring doorbells, and others who have signed up for this app, can share the videos with us if they choose to. We then examine the videos and use them to help solve crimes.

Crime Prevention: The mission of the Cottage Grove Police Department includes crime prevention among its areas of greatest concern. The department is committed to the development and fostering of community based crime prevention efforts. We have a crime prevention coordinator for the department and have developed an associated policy. Specific crime prevention efforts include; Preserve the Peace, in which the police department stands by when a situation may need a police presence to keep the situation from getting out of hand and becoming a crime, vacation checks for our citizens that are out of town, Operation I.D., Crime Stoppers, Safe Night Out, and safety education presentations, such as bicycle helmet awareness, anti-bullying, underage drinking, updates on laws concerning driving, texting, cell phones, and safe use of computers.

Cottage Grove Food Pantry donation program in lieu of paying a parking ticket was launched in December of 2019. Anyone receiving a parking ticket could donate five food items to the pantry and have their parking ticket dismissed. Many took advantage of this program and we delivered five car-loads of food to the pantry in 2019 and early 2020.

EMPLOYEE TRAINING: PROFESSIONAL GROWTH AND DEVELOPMENT

The Cottage Grove Police Department is committed to providing training to its employees so that they maintain their proficiency and learn advanced skills that will advance their knowledge base and improve our police services to the community. Officers are required to receive a bare minimum of 24 hours of training annually to maintain their state law enforcement certifications. In 2019, the department provided 250 hours of training to its officers and supplemented it with over 320 hours of advanced training. That training included mandatory firearms qualification, pursuit training/emergency vehicle operations, and TASER deployment. Officers also received training from the department and outside experts, in less lethal training, vehicle contacts, defense and arrest tactics, room clearing, legal updates, policy and procedure updates, computer and technology updates, dementia recognition and interaction, major case investigation and force transition training. Other specialized training included topics such as interview and interrogation, crisis intervention training, active shooter training, homicide investigation, white collar crime investigation, instructor development, first aid and CPR, diversity training, and de-escalation of dangerous situations. The K9 team participated in 90 hours of training to build up their skills and to maintain proficiency. This does not include the many hours the team must train to maintain their skills on a daily basis.

Re: Village of Cottage Grove Police Department Management Plan

The following is the Village of Cottage Grove Police Department **Goals and Objectives for 2020**.

Goal #1: Maintain Accreditation

The Cottage Grove Police Department is currently accredited by the WILEAG (WI Law Enforcement Accreditation Group). The Department achieved accreditation in May of 2018. The Department will have to continue to maintain the standards of accreditation and prove we are complying every year, including 2020. We will need to re-achieve accreditation in 2021.

Goal #2: Enhance the Bicycle Patrol Program

The Cottage Grove Police Department began the bicycle patrol program in 2019. Bike patrol programs can be useful in addressing crime issues and enhancing community outreach. Officers on bicycles are much more approachable than officers in squad cars. We sent one officer to a bike patrol training program in 2019 and made attempts at getting officers out at special events and in neighborhoods when the weather allowed. In 2020 we will send another officer to the bike training program and try to become even more visible in the community during the warmer weather.

Goal #3: Enhance and Implement a Physical Fitness/Wellness Program for the Police Department

The Department purchased physical fitness equipment in late 2019. The equipment is now fully set up and operational. We have 2 treadmills, an elliptical machine, a stairclimbing machine, a stationary bicycle, free weights, racks for various exercises and a cable machine intended for resistance weightlifting. When weather allows in 2020, we will test the officers who volunteer to participate in the exercise program. For those that can pass the physical fitness standard for recruits, as set by the WI DOJ, they will be rewarded with extra leave days. For those that cannot pass the test, they will be given a program to follow by a trainer that will hopefully get them in position to pass this test. For those that make substantial gains, but still cannot pass the test, they may be rewarded in other ways. We will also bring in a dietician to consult with the officers to get them eating healthier. The physical fitness trainer will also be available for consultation for all members of the department. The goal for 2020 is to have as many officers as possible participating in the wellness program so that we become a healthier department mentally and physically.

Goal #4: Maintain Solve Rate for Violent Crimes and Property Crimes

We currently solve violent and property crimes at rates well above the state of Wisconsin averages. Our goal for 2020 is to maintain these excellent solve rates and to always be on the lookout for better and innovative ways to do so. We have signed up for Ring's Neighborhood portal which allows for us to request videos from citizens with these cameras in specific geographic areas of the village. We have received many videos using this portal and in 2020 we hope to expand the program. We are also members of the Neighborhood app which is generally used for neighbors to share non-crime related news and services. However, there is a crime and neighborhood watch component to this app which we will attempt to expand our use of in 2020. In 2020 we will be on the lookout for new ways to help us reach the community to develop partnerships to help us solve crime and disorder issues.

Goal #5: Develop a Domestic Violence Officer Program

The department applied for a federal COPS grant in March of 2020, which if approved, would give the department the opportunity to hire another officer in 2020 who would focus on becoming a domestic violence officer. The domestic violence officer would partner with the Dane County Victim Witness Unit, and the private entity, Domestic Abuse Intervention Service (DAIS), to provide enhanced services to victims of abuse to hopefully decrease recidivism rates in our community. If we do not receive this grant position, we will send some officers in 2020 to receive more training in this area and deploy them in the community to help the victims. They will coordinate efforts with Dane County Victim/Witness and DAIS to provide proactive efforts at reducing domestic violence in our community.

Re: Village of Cottage Grove Police Department Management Plan

The following is the Village of Cottage Grove Police Department goals and objectives for 2019.

Goal #1: Maintain Accreditation

The Cottage Grove Police Department is currently accredited by the WILEAG (WI Law Enforcement Accreditation Group). The Department achieved accreditation in May of 2018. The Department will have to continue to maintain the standards of accreditation and prove they are in compliance every year.

Achieved – We have all proofs in place for 2019.

Goal #2: Implement a Bicycle Patrol Program

The Cottage Grove Police Department does not currently have a bicycle patrol program. Bike patrol programs are useful in addressing crime issues and community outreach. Officers on bicycles are much more approachable than officers in squad cars. We will attempt to obtain a police patrol bike for free or at a greatly reduced price. We will send at least two officers to a bike patrol training program and make attempts at getting officers out at special events and in neighborhoods when the weather permits.

Achieved – We sent an officer to police bicycle patrol school in 2019 and patrols during the summer months were conducted.

Goal #3: Define, Develop and Implement a Physical Fitness Program for the Police Department

The Department does not currently have any type of physical fitness program for its officers. We believe that employees/officers that are healthy/healthier are better able to perform their job duties with less injuries and absenteeism. There is a cost to the village for unhealthy employees and a physical fitness program could help address these issues. We would need to develop some type of policy, secure funding and implement a program to improve physical fitness. This would need village board approval during the budgeting process for 2020.

Achieved – We received approval from the Village Administrator, the Law Enforcement Committee and the Village Board to implement this program and to use leftover capital funds to pay for the equipment needed. The equipment is housed in the west end of the Municipal Services Building.

Goal #4: Maintain Solve Rate for Violent Crimes

Dedicated to Keeping Our Community Safe Through Partnership and Professional Service

The Department currently solves violent crimes at a 94% rate. This is well above the state rate of 53%. The goal for 2019 is to maintain that solve rate. This may be difficult due to achieve because this rate is well above the state and national averages, but every effort will be made to achieve this goal.

Achieved – We solved 23 out of 24 crimes against persons in 2019, which is a 96% clearance rate.

Goal #5: Maintain Solve Rates for Property Crimes

The department currently solves thefts/property crimes at an 83% rate. This is well above the state rate of solving thefts which was 27% in 2018. The goal for 2019 is to maintain that solve rate which may be difficult due to the high number of car break-ins that we encounter during the summer months that are notoriously difficult to solve, however, every effort will be made to achieve this goal.

Achieved/Not Achieved – We solved 22 out of 40 property crimes in 2019, which did not meet our goal of 83%. This was a 55% solve rate which is double the state average of 27%.

Daniel L. Layber

Chief of Police

2019 Village of Cottage Grove Police Department Annual Report on Use of Force

As required by the Village of Cottage Grove Police Department's "Use of Force" policy, Chief Layber is required to prepare an annual report and analysis of the department's use of force incidents. The report will note any areas needing improvement, and any patterns or trends that could indicate training needs and/or policy modifications.

In 2019 the Cottage Grove Police Department had 4 documented use of force incidents, compared to 9 in 2018, and 6 in 2017.

The first incident involved a 25-year-old male who was operating a motor vehicle in the Village of Cottage Grove. The vehicle was being surveilled by the Madison Police Department because the driver was suspected of having four warrants for his arrest. The Madison Police Department contacted the CGPD and requested one of our on-duty officers stop the vehicle so that identification and possible arrest of the subject could be conducted. Due to the nature of the warrants, the CGPD officer initiated a felony traffic stop of the vehicle and during the stop he briefly pointed his handgun at the vehicle. It was later determined that the subject driving the vehicle was not the wanted subject, however, the passenger was related. The CGPD Use of Force Policy states that pointing a firearm at a subject is a reportable use of force. Many police departments and academics do not classify this as a use of force situation. The driver and passenger were not taken into custody, they were not injured, they made no complaints of injuries or excessive use of force.

The second incident involved a 13-year-old female student at school who was being escorted from the building due to her behavior. While being escorted by the School Resource Officer and another CGPD officer, the officers each grabbed one of her arms to prevent her from fleeing. While walking her to a squad car, she kicked the officers multiple times and had to be directed to the ground twice because of this conduct. While trying to get the female into the squad car she struck the SRO twice in the face. She was eventually placed in handcuffs and restrained for 10 minutes. She calmed down and was released from the handcuffs. Officers had to restrain the female by grasping her arms and legs and holding her down. The female did not complain of any injuries, she did not receive any medical attention, and the officers did not notice any injuries to her. Parents were notified of what occurred and no complaints were received at the police department. The officer that was kicked and punched did experience pain but did not require medical attention.

The third incident involved an 18-year-old male who was causing a disturbance and threatening employees at a gas station in the Village of Cottage Grove. When the CGPD officer arrived on scene, the male left the station and started walking down a nearby street. The officer ordered the subject to stop, however he did not. The officer caught up with the subject and again, asked him multiple times to stop and had to place his hand on the subject's arm. The subject became physically combative with the officer and they fell to the ground while the officer and subject were struggling with each other. At one point in the confrontation, the subject was on top of the officer and tried to grab the officer's gun. The officer tried to use his Taser to control the subject, but it was ineffective. Shortly thereafter, a citizen came to the aid of the officer and physically helped the officer get the subject in handcuffs. EMS was called to the scene because of the Taser deployment and they removed the prongs from the Taser which were in the stomach area of the subject. He was checked by EMS for injuries and evaluated. He refused transport to the hospital and EMS determined that he was not in need of further medical

Dedicated to Keeping Our Community Safe Through Partnership and Professional Service

treatment. He was arrested and subsequently charged with felonies. The officer sustained injuries to his elbow, knee and back. He missed two days of work as a result.

The fourth incident involved a 10-year-old student at a school in Cottage Grove who was being disruptive in class and refused to leave the classroom. The School Resource Office and a staff member of the school had to physically remove the student. The SRO grabbed an arm to escort the student from the class and while the student was struggling, the officer moved the student's arm behind his back as a come-along hold. Once they reached an officer area the student kicked the SRO in the leg. The student was not injured, and no first aid was rendered. There were no complaints received at the police department regarding this incident.

In Chief Layber's review of the incidents, the officer's actions were deemed appropriate in all situations they were faced with. They used the minimum amount of force necessary to control the subjects and no subjects were injured because of the use of force.

Due to the minimal number of police use of force incidents, it is difficult to note any patterns or trends that could indicate training needs and/or policy modifications. It appears that the police officers involved were well trained and applied their training and experience appropriately during these encounters. No follow-up complaints were made to the police department by the subjects or their representatives alleging excessive force was used.

Sincerely,

Daniel Layber
Police Chief
