**VILLAGE OF COTTAGE GROVE
VILLAGE BOARD OF TRUSTEES
Monday, July 6, 2020**

MINUTES

1. Call to order

Village President John Williams called the Village Board of Trustees to order at 6:31 pm. this was a Zoom meeting.

2. Determination of quorum and that the agenda was properly posted.

It was determined that there was a quorum of members present and that the agenda was properly posted. Village Board members present were: John Williams, Troy Allen, Jeff Lennberg, Heidi Murphy, Melissa Ratcliff, Sarah Valencia. Paul VanderVelde was absent and excused. Staff present were Village Administrator Matt Giese, Village Clerk Lisa Kalata, Village Planner Erin Ruth, Public Works Director JJ Larson, Village Treasurer Deb Winter, Parks, Recreation and Forestry Director Sean Brusegar, Village Engineer Kevin Lord, Chief Dan Layber, Lieutenant Matt Wagner and Village Attorneys Larry Konopacki and Rick Manthe.

3. Pledge of Allegiance.

4. PUBLIC APPEARANCES – Public’s opportunity to speak.

None.

5. Discuss and Consider the Minutes of The Regular Village Board Meeting on June 15, 2020.

Motion by Allen to approve the minutes from June 15, 2020 as presented, seconded by Valencia. **Motion** carried with a voice vote of 6-0-0.

6. Unfinished Business

a. Discuss draft of the Village Board's list of priorities.

Giese explained the spreadsheet in the packet and indicated that the top priorities will be incorporated in the budget process or goals of staff. The top six priorities will be discussed as last year at the next several board meetings starting with equity, inclusivity and race being the first priority.

b. Discuss and consider Emergency Preparedness Plan.

Lt. Wagner gave a brief overview of the updated plan that was emailed today, which will put the Village in compliance and staff is recommending going with the option A which would be having a Village only committee. **Motion** by Ratcliff to approve the Emergency Preparedness Plan, seconded by Lennberg. **Motion** carried with a voice vote of 6-0-0.

c. Discuss and consider Ordinance 06-2020 Re: Chapter 36 Emergency Government.

Attorney Manthe explained the revisions to the ordinance and the differences between option A and option B. Option A would have the committee as a Village only committee and Option B would continue to have a joint committee with the Town of Cottage Grove. **Motion** by Valencia to approve ordinance 06-2020 amending Chapter 36 Emergency Government with option A with the addition to section 36-3A appointing the position of Director of Emergency Government, seconded by Murphy. **Motion** carried with a voice vote of 6-0-0.

7. New Business

a. Discuss and consider revised operator license application.

Attorney Manthe explained the changes to the application due to the recent law changes. **Motion** by Ratcliff to approve the operator license application, seconded by Valencia. **Motion** carried with a voice vote of 6-0-0.

b. Discuss and consider Resolution 2020-08 Re: Liquor License Approval Policy.

Attorney Manthe explained the revisions to the liquor license approval policy. **Motion** by Murphy to approve resolution 2020-08 as presented, seconded by Allen. **Motion** carried with a voice vote of 6-0-0.

c. Discuss and consider Wisconsin Election Commission CARES Subgrant.

Kalata explained the requirements of the WEC CARES subgrant. **Motion** by Ratcliff to approve the Wisconsin Election Commission CARES subgrant as presented, seconded by Valencia. **Motion** carried with a voice vote of 6-0-0.

d. Annual review of Village consultants: Village Attorney Stafford Rosenbaum.

Attorney Konopacki gave a brief review of the different legal items they have worked on in the last six months. They have the back log caught up and are working on current contracts. They also indicated that if board members have any requests for issues to be handled differently, they are open to feedback.

e. Discuss and consider Block Party Application for Deborah Trzinski-Becker at 208 Maria Ln.

Motion by Murphy to approve the block party application for Deborah Trzinski-Becker at 208 Maria Ln with the recommendation that they follow the Dane County Public Health Order guidelines, seconded by Allen. **Motion** carried with a voice vote of 6-0-0.

8. Reports from Village Boards, Commissions & Committees

8.I. Parks, Recreation & Forestry Committee

Murphy reported they discussed Music in the Grove, which the July dates has been cancelled and they will continue to monitor as they get closer to August for that date. The next meeting will be July 16th.

8.II. Deer-Grove EMS Commission

Allen reported the calls are down from last year, they discussed how they will get reimbursement for COVID-19 expenses from other municipalities, and they will be discussing the added responsibilities to the Medical Director at the next meeting. The next meeting date will be July 16th.

8.III. Law Enforcement Committee

Williams reported they were updated on COVID 19, the case in Minneapolis and the use of force policy, vandalism issue with a personal car in the parking lot of the Police Department, the SRO contract and how to help landlords with nuisance properties. They also discussed the monthly reports provided by Chief Layber.

8.IV. Joint Review Board

Williams reported that the it was a brief meeting to go over the taxing jurisdictions in the Tax Incremental Districts.

8.V. Library Planning Committee

Ratcliff reported they discussed the survey questions and tabled all the other items. The Cottage Grove Elementary Librarian will be at the next meeting which will be on July 13th.

9. Reports from Village Officers

a. Stafford Rosenbaum

i. Legal briefings/status updates

No report

b. COVID-19 update

Giese reported that the plexiglass is in place at Village Hall, and the vestibule is still being used as well. Chief Layber reported they are operating as normal and all police officers have been tested for COVID 19.

Lieutenant Wagner reported that COVID 19 is still predominant in Dane County and the order has been amended, the percentage did go down today. However, Dane County is a hot spot for the age group of 18-29 and face masks are not mandated but highly recommended.

Larson reported that they have an employee who is waiting on test results and has talked with staff on using the precautions in place. He will keep everyone up to date on what is happening in the department. Brusegar reported that they had one employee that was exposed third hand and has been tested and is negative.

c. Update from Village Clerk on recent Court of Appeals decision on absentee voting and upcoming August 11th Primary.

Kalata gave a brief background on the memo in the packet and indicated the court order has not been mandated yet but is anticipated it will be by July 22nd, so the current law is in place. Kalata also reported that they will be using the same voting process as they used in April for the August Primary with voting happening from outside Village Hall.

10. Communications and Miscellaneous Business

a. Consider approval of vouchers.

Motion by Allen to approve the Village portion of the vouchers in the amount of \$478,080.58, seconded by Valencia. The check sequence goes from check #47262 to check #47350. **Motion** carried with a voice vote of 6-0-0.

b. Correspondence

Williams reported that he had a young person contact him about a flag design for the Village and he has referred him to the Community Development Authority.

c. Upcoming community events.

The fireworks on Friday were done well.

e. Future agenda items- Priorities, Plan Commission items and Baker Tilly will be there to review the audit.

11. Adjournment

Motion by Allen to adjourn at 8:27 p.m., seconded by Valencia. **Motion** carried with a voice vote of 6-0-0.

Lisa Kalata, Clerk
Village of Cottage Grove
Approved:

These minutes represent the general subject matter discussed in this meeting but do not reflect a verbatim documentation of the subjects and conversations that took place.

DRAFT

Staff Report

MEMO DATE: July 17, 2020

TO: Village Board

FROM: Matt Giese – Village Administrator

RE: Village Board Prioritization Process

OVERVIEW

The Board finalized the overall list of priorities at the last meeting. Staff was directed to compile any existing staff performance goals/objectives that may align with the Board’s list of priorities. This process will aid the Board in understanding the work that staff is already doing, which will help Board members determine how much additional effort may be needed to satisfy specific priorities.

Staff was asked to begin this process with the priority “Equity, Inclusivity and Race”, which ranked #4 in the Board’s list. The plan is to cover two of the top priorities over the course of three meetings. The other priority to be discussed tonight is “Village Economy/Economic Development” (ranked #1).

STAFF GOALS/OBJECTIVES AS ASSIGNED DURING 2019 PERFORMANCE REVIEWS

--Staff goals/objectives that may align with “Equity, Inclusivity and Race”

Elections

- Offer evening and weekend absentee voting hours
- Implement Care Facility absentee voting at Aster Assisted Living
- Promote Express Vote to community to get more participation in voting on the equipment

Website Redesign

- Educate the public on website and uses

Willow Run Playground Replacement

- Meet with Park neighbors to design the new playground

Planning & public outreach for bike path project/Clark St rebuild

- Meet with neighbors and other interested stakeholders

ADA Transition Plan

- Ramps/crosswalks identified and planned
- In conjunction with large capital projects, road repaving, and with sidewalk work in areas.

Develop and Achieve Short and Long-Term Goals for the Police Department

- Develop 5-year strategic plans for the department which will enhance the service provided to our citizens
- Set priorities for completing projects such as accreditation, equipment maintenance and modernization

Operational Performance PD

- Recommend and implement law enforcement strategies to reduce crime and disorder
- Ensure staff receives necessary training to maintain and enhance their skills
- Ensure staff has necessary tools to perform law enforcement functions
- Maintain an active presence in the community, in the media and on social media to inform the public of items of mutual interest

Planning

- Research Housing Committees and participate in the creation and work of such a committee, as directed by the Village Board

--Staff goals/objectives that may align with "Village Economy/Economic Development"

Economic Development

- Work with consultants, staff, developers, CDA, and Village Board to accomplish the following TID 10 objectives:
 - Application to CARPC/WDNR for urban service area amendment
 - Based on Greywolf's Masterplan for the NGCP, prepare a phased development plan and financial proposal for funding public improvements in the new Park.
- Maintain a compendium of current and relevant marketing materials including the economic development page on the Village website and printable digital materials, and provide materials to broker community on at least an annual basis
- Receive site search RFP's from MADREP or other sources, and prepare responses in cases where the Village has an appropriate site
- Attend MADREP's quarterly 'Economic Development Pros' meetings
- Coordinate with Village's broker for the Commerce Park regarding inquiries related to the park
- Coordinate with brokers and property owners of other Village properties regarding inquiries that may be appropriate for various sites in the Village

- Maintain relationship with Executive Director of the Chamber of Commerce and provide updates on relevant economic development activity – attend Chamber events in rotation with other Village staff
- Work with CDA to prepare marketing/project plan
- Provide the Board at least monthly updates on development related activities
- Prepare an annual development presentation to the Board

Planning

- Work with applicants to facilitate review and approval procedures for projects as they arise
- As directed by the Village Board, work with the Village Administrator to engage with the City of Madison and/or the Town of Cottage Grove regarding a potential boundary agreement
- Coordinate public requests for Comprehensive Plan amendments, if any
- Periodically review planning and development related Village ordinances and prepare amendments as/if deemed appropriate
- Work with Public Works, Parks and Rec, and Village Engineer on trail projects as needed, including staffing Ad-Hoc Glacial Drumlin Bike Trail Committee
- Participate with project team to redesign the Village website
- Research Housing Committees and participate in the creation and work of such a committee, as directed by the Village Board
- Research Tourism Commissions and participate the creation and work of such a committee
- Perform tasks as needed as the Village's Census 2020 liaison

--The following is what Board members submitted for each of these priorities

---Equity, Inclusivity and Race: Establish an Ad Hoc Committee that works to organize community conversations, perhaps some are facilitated by professionals, on racial biases that exist within the community, and how we can address them. Invite other community stakeholders and organizations to participate/collaborate/partner.(HM) **////** Engagement and communication - Diversity and inclusion education for our community and facilitate a forum, training for board, staff, police and community. (MR) **////** Look for opportunities to promote and increase our community's diversity and inclusion. (JW) **////** Diversity and inclusion -To develop a long term plan that would promote diversity and inclusion within our community. (PV)

---Village's Economy/Economic Development: Encourage more business/retail growth, both existing and new (TA) **////** Support local businesses in recovering from COVID-19 pandemic (SV) **////** Encourage Business and Retail Growth: Pursue opportunities for economic growth that will build upon our desire to meet the needs of current and potential residents, enhancing the character of our community, provide quality local jobs within Cottage Grove and build our tax base. Pursue streetscape improvements with a beautification budget that will promote residents and visitors to spend more time on our main streets. (HM) **////** Residential growth - as it coincides with commercial and economic growth. We need workers of all incomes. Workers of all incomes in our community will entice different types of businesses to come to our community as we will have a base of workers available to them and they don't have to

try to get workers to come to our community from other communities. We need workers of all ages, races, genders. (MR) **///** Support existing businesses and accelerate commercial / retail development to provide citizens with more local options as well as improve our tax base ratio. Support residential development with more diverse options and increase our pace of development. Engage Chamber of Commerce and other key Stakeholders (e.g. Town of Cottage Grove) to market / promote existing businesses. Opportunities to activate TIDs 8, 9, and 10. (JW) **///** Growth and development: hire professional marketing firm and implement an aggressive marketing campaign with goal of seeing Cottage Grove chosen over other surrounding communities. (JL) **///** Business Growth - To provide more amenities that would attract people to Cottage Grove; To help support lowering taxes. (PV)

Questions to ask yourself:

- Are the current staff goals/objectives adequate to meet the Board's priority for this topic?
- Is there further direction you would like staff to pursue and to potentially address in up-coming goal setting during performance reviews?
- Is there anything you feel needs to be addressed in the short term?

August 3rd Board Meeting

Priorities to be discussed: Sustainability and Climate Change (ranked #2); and Village Library (#3)

August 17th Board Meeting

Priorities to be discussed: Fiscal Responsibility (ranked #5); and Housing (#6)

1. How long have you continuously resided in Wisconsin prior to this date? **41 years**
2. Have you ever been convicted of any offenses (other than traffic unrelated to alcohol beverages) for violation of any federal laws, any Wisconsin laws, any laws of any other states or ordinances of any county or municipality? Yes No
If yes, give law or ordinance violated, trial court, trial date and penalty imposed, and/or date, description and status of charges pending. (If more room is needed, continue on reverse side of this form.)
3. Are charges for any offenses presently pending against you (other than traffic unrelated to alcohol beverages) for violation of any federal laws, any Wisconsin laws, any laws of other states or ordinances of any county or municipality? Yes No
If yes, describe status of charges pending.
4. Do you hold, are you making application for or are you an officer, director or agent of a corporation/nonprofit organization or member/manager/agent of a limited liability company holding or applying for any other alcohol beverage license or permit? Yes No
If yes, identify. _____
(Name, Location and Type of License/Permit)
5. Do you hold and/or are you an officer, director, stockholder, agent or employe of any person or corporation or member/manager/agent of a limited liability company holding or applying for a wholesale beer permit, brewery/winery permit or wholesale liquor, manufacturer or rectifier permit in the State of Wisconsin? Yes No
If yes, identify. _____
(Name of Wholesale Licensee or Permittee) (Address By City and County)

6. Named individual must list in chronological order last two employers.

Employer's Name Self	Employer's Address 4667 Meadowlark St Collings Grove	Employed From 1993	To Present
Employer's Name	Employer's Address	Employed From	To

READ CAREFULLY BEFORE SIGNING: Under penalty provided by law, the undersigned states that each of the above questions has been truthfully answered to the best of the knowledge of the signer. The signer agrees that he/she is the person named in the foregoing application; that the applicant has read and made a complete answer to each question, and that the answers in each instance are true and correct. The undersigned further understands that any license issued contrary to Chapter 125 of the Wisconsin Statutes shall be void, and under penalty of state law, the applicant may be prosecuted for submitting false statements and affidavits in connection with this application. Any person who knowingly provides materially false information on this application may be required to forfeit not more than \$1,000.

(Signature of Signed Individual)

Alcohol Storage and Serving areas for Gaston School Gallery/Schoolgrounds Café

Long term/General alcohol storage at Schoolgrounds is located in the basement of the facility in the office area behind locked doors and/or in the sandwich station cooler on the main level of building.

For reference, there are two ways one can access the basement of the building: the first is the stairway inside the building on the main level on the east side of the building. The second is the back stairwell on the northwest side of the building. This is our direct, outside access and delivery stairwell. Description will be given for both access points and titled "Main Floor" and "Back Stairs" henceforth.

- ❖ Main floor: When one descends the stairs from the main level of the building, one turns around the corner to the left, past the bathroom on the left hand side and through the door between the storage area and the bakery/baking area. Once one passes through the door and into the bakery/baking area, one turns to the left and within 2-3 steps is our small office area with rack shelving that houses our alcohol. The long term storage alcohol is found on the first and second (lower) shelves of the racks on the left and right.
- ❖ Back stairs: As one descends the back stairwell and is entering the basement storage area, one would walk one of two ways, slight left past a row of refrigerator/freezers and then turn right or slight right past 2 freezers and shelving then past the sanitation area on the right. Either way, one faces the door to the bakery/baking area and can then follow the direction listed in the main floor access description.
- ❖ Main level: Once chilled, longer term alcohol storage will be in the sandwich station and related refrigeration units on the main level of the building behind the counter/register. The sandwich station cooler is located on the west wall/furthest access point from the entrance of the counter/register area. It is stainless steel and has a reach in area/flip top and doors below. Long term cooled storage of alcohol is located in the storage area below the reach in/flip top. Adjacent refrigeration units behind the main counter will also be used for temporary overflow and event capacity on an occasional basis as need arises.

Short term storage alcohol (wine and beer that we would serve for an event) is housed in several refrigerators or coolers as needed. These are located in the basement, main floor behind the register, the deck, future beer garden and the patio in front.

- ❖ Basement location: In the main storage area of the basement, there is a long row of refrigerators and freezers. Alcohol that is used during open hours, special events and private parties will be found in the following places: It will be located in the refrigerators on the left in that same row. One refrigerator is stainless steel and the other refrigerator has a glass front. Alcohol will go from locked area in bakery to refrigerators for open hours or event and returned to locked area when completed.
- ❖ Main floor: Alcohol served during business hours, for special events and private parties will be located behind the counter area in the cooler/sandwich station on the west wall of the building. It will either be in the reach in area on top or the refrigerated area below during open hours/events and long term storage of chilled items is in the coolers below the reach in area. Alcohol will go from locked area in bakery to refrigerators for open hours or event and returned to locked area when completed. Adjacent refrigeration units behind the main counter will also be used for temporary overflow and event capacity on an occasional basis as need arises.

- ❖ When the deck is open, there may be coolers/buckets of ice to keep alcohol cold for serving during open hours and events. These would be located on the west side of the deck near the access door from the building along the building's exterior wall north or south of the door. Alcohol will go from locked area in bakery to refrigerators for open hours or event and returned to locked area when completed. This storage will only be for the length of open hours/events that located there and then returned to our long term storage areas.
- ❖ Alcohol may also be stored during events in coolers in the beer garden on the south end of the building between the building and parking lot. Alcohol will go from locked area in bakery to refrigerators for open hours or event and returned to locked area when completed. This storage will only be for the length of open hours/events that located there and then returned to our long term storage areas.
- ❖ Alcohol may also be stored on the patio area located on the west side of the building just to the west side of the entrance ramp. Alcohol will go from locked area in bakery to refrigerators for open hours or event and returned to locked area when completed. This storage will only be for the length of open hours/events that located there and then returned to our long term storage areas.

Alcohol Serving Areas:

Alcohol will be served in the following areas of Schoolgrounds Café: For any area of alcohol service, the alcohol will be taken from the locked area in the bakery, transported to one of the designated listed below and returned to the locked area in bakery at end of day/event.

- ❖ Main level: During open hours and special events/private parties, alcohol will be served on the main level of the building. The main level includes the area between the west/ramp access door, the southeast door and the deck door on the east side.
- ❖ Mezzanine/2nd floor: During open hours and special events/private parties, alcohol will be served on the mezzanine/2nd floor level of the building which is located up the spiral staircase on the southeast side of the main floor
- ❖ Deck: During open hours and special events/private parties, alcohol will be served on the deck of the building which is located on the east side. Access point to the deck include a doorway from the main level of the building and a staircase from ground level on the north side of the deck.
- ❖ Beer Garden: A beer garden is planned for the front lawn area on the south side of the building under the maple tree between the parking lot and building. This area will be enclosed with a fence and alcohol will be served in this area during open hours, special events and private parties.
- ❖ Patio: The small patio that is built off the ramp access on the west side of the building will also be a place alcohol is served during open hours, special events and private parties.
- ❖ Alcohol may be transported or consumed between serving areas, i.e.) on sidewalk between deck and beer garden, on ramp between patio and main building or lawn in front of patio in the event of large crowds.

VILLAGE OF COTTAGE GROVE
SOUND AMPLIFICATION PERMIT

PERMIT DATE(S): 8-15-2020

NAME OF EVENT: Reception

I (WE) hereby, make application for a Sound Amplification Permit, subject to the Municipal Code of the Village of Cottage Grove. (If an organization, list the President, Chairperson, Party or Parties responsible for application.) **APPLICANT(S) INFORMATION**

Name: Kelsie Andrews
Address: 954 Rockefeller Ln, Madison
Phone: 513 543 7311
Email: andrews.kelsie2@gmail.com

Name: Austin Barlow
Address: 954 Rockefeller Ln, Madison
Phone: 615-719-5101
Email: barlowa02@gmail.com

Other individual(s) having authority for the event: _____

OVERSIGHT OF THE EVENT

Person(s) responsible for conducting the proposed use of the permit (Must be 18 years of age):

Name: SAME
Address: _____
Phone Number: _____
Email: _____

Name: SAME
Address: _____
Phone Number: _____
Email: _____

Starting Time: ~~4:00 PM~~ 2 PM

Ending Time: 8 PM

Location at which the sound amplification device(s) will be used: Community Park

The proposed use, described in detail, for which the sound amplification permit is requested: music and announcements at a reception

The proceeding information is correct to the best of my knowledge. I have received a copy of the Village of Cottage Grove Noise Ordinance (Section 219-1) and agree to abide by all the regulations and policies set forth for the use of the sound amplification permit. I acknowledge overall supervision of and responsibility for this event. By offering this permit, the Village of Cottage Grove does not accept any responsibilities, expressed or implied for any damage arising out of the use of this permit, and I acknowledge the Village of Cottage Grove has no responsibilities, expressed or implied for any damages arising out of, or connected in any way with the use of this permit.

I further agree to indemnify, save, and hold harmless the Village of Cottage Grove and each and every one of its elected and appointed officials, officers, employees, agents, representatives, successors, heirs, and assigns from and against any and all claims, damages, liability, expenses, costs, judgements, actions, demands, and responsibility of whatsoever kind or nature.

**PUBLIC WORKS &
PROPERTIES COMMITTEE**

Tuesday, July 7, 2020

6:00 PM

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please join the meeting from your computer, tablet or smartphone by visiting <https://zoom.us/j/93125346236>. You can also participate via phone by dialing 1-312-626-6799 and use Meeting ID: 931 2534 6236 # When asked for your Participant ID, just press #.

You may also choose to participate by providing public comment prior to the meeting via email to the Director of Public Works & Utilities, JJ Larson at jjlarson@village.cottage-grove.wi.us.

AGENDA

- 1) **Call Meeting to Order**
- 2) **Quorum and roll call**
- 3) **Public Appearances** – Public’s opportunity to speak about any subject that is not a specific agenda item.
- 4) **Old Business**
 - a. Update on Stormwater Management Intern progress.
 - b. Update on Glacial Drumlin Bike Path project.
 - c. Update on Clark St. reconstruction project.
 - d. Update on the Buss Road/CTH BB project.
- 5) **New Business**
 - a. Discuss and consider adding No Parking signs on Corporate Ct.
 - b. Discuss and consider approval of task order for the infiltration analysis of the vacant Commerce Park lots.
 - c. Discuss potholes on Taylor Street.
- 6) **Engineer’s report**
- 7) **Director’s report**
- 8) **Approve the minutes of the June 2, 2020 Public Works & Properties Committee meeting.**
- 9) **Set tentative date for next meeting**
- 10) **Future Agenda Items**
- 11) **Adjournment**

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action

Engineer's Report

A Review of Projects in the Community

Village of Cottage Grove, WI

PREPARED BY: Kevin Lord PE/PLS

DATE: July 2020 Report

klord@msa-ps.com

BUSS ROAD / COTTAGE GROVE ROAD INTERSECTION PLAN – MSA is working on the plan development for the site including a concept for the complete improvements of Buss Road in order to plan for overall stormwater and right-of-way needs. Future discussions will occur with respect to pedestrian crossings and site improvements within the corridor. The design is to be completed during the fall/winter of 2020 for 2021 construction.

5TH ADDITION TO WESTLAWN ESTATES – Concrete curb and gutter and sidewalk has mainly been completed. Contractor currently working on curb ramps and then will finish with street paving and restoration. The Contractor did make changes to the outfall in the southeast corner of the development based on recommendations from the Town Engineer.

COTTAGE GROVE COMMONS – Miscellaneous concrete and restoration work being completed to obtain occupancy for a portion of the site.

VILAS ROAD BIKE PATH CREEK CROSSING – Project is progressing. Pavement is planned for the first days of July followed by restoration.

VILAS ROAD SEWER AND WATER – Project is contracted and start dates have not been determined.

WEST PARKVIEW LRIP – Project is complete and LRIP request for funding was completed by JJ.

GLACIAL DRUMLIN PATH/CLARK STREET – MSA is working on plans for the grant funded portion in order to keep that portion of the project moving on the WisDOT timeline. MSA has been reviewing alternative routes near the intersection of Clark Street and Grove Street for the meeting on July 9th. Plans and exhibits will be created for the PIM in late July. MSA has looked at crossing alternatives for the crossing of CTH N. MSA is working to internally schedule the required test pits for stormwater evaluation of the site. Utility estimates have yet to be received and may be included with the project and will be discussed with Public Works.

MAIN STREET BIKE PATH PARC GRANT – MSA checked in with Dane County on the PARC Grant funding. Due to the current economic hardship of Covid 19, they said it was doubtful this will be included in next year's budget. They told me to check in later this summer as they start preparing budgets for next year.

QUARRY RIDGE ESTATES – MSA has been working on the necessary sidewalk pours with the Contractor and coordinating the relocation of a light pole.

CONSTRUCTION STANDARDS – MSA began working on completing some construction standards for the public infrastructure for Contractors in the Village. The final specifications will be shared with Public Works along with some finalizing questions specific to the Village.

NORTH SIDE BUSINESS PARK – MSA has been working with the Village on the USA amendment on the North side of the Interstate. Upon completion of a developer's agreement design requests may be necessary for utility extensions and roadway improvements along the County roads.

PROJECT UPDATE

MGSD UTILITY AND ROADWAY EXTENSIONS – MSA received information from the engineer of the school property including utility extensions and possible future roadway locations. MSA will review and report if anything is necessary for Public Works.

EROSION CONTROL CHECKS – MSA has provided erosion control checks following rainfalls on specific sites in the Village including Cottage Grove Commons and the Storage Buildings.

Village of Cottage Grove

Department of Public Works

Director's Monthly Report to the Public Works & Properties Committee

July 7th, 2020

Vilas Rd. Creek Crossing

- RG Huston making good progress as of this writing grading was being done on path portion.

Street maintenance for 2020

- Street crack fill work completed
- Chipseal tentatively set for mid-July
- Patching work scheduled for July 17th and 20th
- Crack filling of bike paths was able to fit in the budget & will happen this summer as well
- Working on plan for 2021.

Sidewalk maintenance

- Saw cut work completed
- Removal and replacement over half completed as of this writing

Camera at Public Works Shop

- Camera and signage installed

Stormwater Intern position

- Began work June 1st
- Every outfall in the Village has been inspected
- Maintenance work being completed
- Education/Outreach/Information

**VILLAGE OF COTTAGE GROVE PUBLIC WORKS & PROPERTIES COMMITTEE
MEETING MINUTES OF JUNE 2, 2020**

1. **Call to Order at the Former Public Works Building.** The meeting was called to order at 6:02 p.m. by John Williams.
2. **Determine that a quorum is present and that the agenda was properly posted.**
It was determined that a quorum was present and that the agenda had been properly posted. Committee members present were Andy Eberhardt, Mike Hackel, Larry Kieck, and John Williams (chair). Scott Schuerman was absent and excused. Also present were Public Works Director JJ Larson, Utility Clerk Kristen Krause, Village Engineer Kevin Lord of MSA and one member of the public.
3. **Public Appearances – Public’s opportunity to speak to Committee Members about any item that is not a specific agenda item.**
None.
4. **Old Business**
 - a. **Update on Glacial Drumlin Bike Path project.**
Larson stated that the Ad Hoc Bike Path Committee would be meeting this week to discuss the next steps in the project, which include reaching out to the community and gathering input from residents, especially those that reside along the path. Lord stated that the Hazmat document had been signed by Larson and that the public involvement meeting is planned for July. This grant-required public involvement meeting could occur through various means such as a Zoom meeting, a pre-recorded message soliciting comments, in-person or through mailings. Committee members felt that this would be a good opportunity to get the community engaged in the project and possibly have the meeting held in-person (or through video) starting at the park and walking along the bike path. The meeting would promote the path as a connection to Madison. Lord has ordered documents to share at the public meeting. No formal action was taken.
 - b. **Update on Clark Street reconstruction project.**
The reconstruction project would involve rebuilding Clark Street from CTH N to the west, just short of Vilas Road and rebuilding Grove Street to the park entrance and grading and pulverizing the remainder of the street up the hill. Some initial cost estimates for this work are: approximately \$1 million to urbanize Grove Street through the park entrance area and add parking on both sides; approximately \$100,000 to pulverize and relay Grove Street from the park up the hill; and approximately \$1 million for improvements on Clark Street from Bass Street west to the Village limits. Larson commented that the estimated costs presented are in line with the financial management plan. Lord will continue to work with Larson to update preliminary costs. Larson also contacted the Town of Cottage Grove about the possibility of working with them to complete the last, small stretch of Clark Street between the Village and Vilas Road. The grant-funded portion of the bike path along Clark Street will move forward as there are set deadlines and funding.
5. **New Business**
 - a. **Discuss and consider Task Order Contract with MSA for work related to the Buss Road/CTH BB project.**
The task order would include work on CTH BB from Damascus Trail to Buss Road, and on Buss Road from CTH BB up to the new school. Many entities will be involved in this project and the Village’s portion is currently estimated at around 15% of the total cost. Lord explained that if the Shady Grove development does not move forward, the Village’s cost portion may increase. Hackel is concerned about the upgrades on CTH BB if Shady Grove isn’t a part of the funding for improvements. Williams explained that the Village is still awaiting an approved agreement from the Shady Grove developers. **Motion** by Hackel, seconded by Kieck, to approve the Task Order Contract with MSA for work related to the Buss Road/CTH BB project. Motion carried with a unanimous voice vote of 4-0-0.

b. Discuss and consider format for next month's meeting.

Larson explained that if the committee decides to go to in-person meetings, the only venue available for appropriate spacing would be Village Hall. After a brief discussion, committee members agreed that continuing Zoom meetings would be fine. Lord said the only reason an in-person meeting would be preferred is if plans needed to be reviewed. **Motion** by Hackel, seconded by Kieck, to approve continuing the monthly committee meetings via Zoom unless Williams, Larson or Lord have items that need to be shared and/or reviewed in person. Motion carried with a unanimous voice vote of 4-0-0.

6. Engineers Report

Buss Road/Cottage Grove Road Intersection Plan

MSA has prepared a task order outlining the proposed work for the design to be completed during the fall of 2020 for 2021 construction. MSA has completed a majority of the survey starting back in 2019 along CTH BB along with conceptual drawings.

5th Addition to Westlawn Estates

Reviewed the site with JJ following a rainfall and observed some flooding. Homburg is working with the homeowners affected to clean up and fix the problem. Working on roadway work as weather allows.

Cottage Grove Commons

Curb and gutter and the binder pavement have been installed. Sidewalk, the final asphalt, storm sewer improvements and restoration are being finished to finalize the public improvements.

Vilas Road Bike Path Creek Crossing

Project has begun and the Contractor has installed the stream diversion for the project. Recent wet weather had slowed the beginning of the project, but it is now underway.

Vilas Road Sewer and Water

The project is being contracted but start and end dates have not yet been determined.

Sanitary System Flows

The flow monitoring equipment will be taken out on June 1st. MSA will analyze the information with respect to the flows to determine pipe capacity and also with respect to I&I (inflow and infiltration) to determine specific sanitary sheds that should be targeted for future reviews of I&I.

West Parkview LRIP

Project is complete.

Glacial Drumlin Path/Clark Street

MSA is working on plans for the grant funded portion in order to keep that portion of the project moving on the Vis DOT timeline. MSA has been reviewing the environmental areas of the project and developing a public involvement plan for July. MSA has done preliminary cost estimates for the additional Village portions of the project and will be looking for feedback on timing and extents of these improvements. Utility estimates have yet to be received and may be included with the project and will be discussed with Public Works. Larson has set up a meeting with the Bike Path committee for June 4th to discuss the public involvement plan and to provide an update on the project. Due to the funding, the project is on a tight timeframe to meet the planned bid letting but can be achieved if reviews are completed timely (which is a bit unknown considering the current situation).

Main Street Bike Path PARC Grant

MSA is awaiting the next round of PARC Grant funding in order to apply for the additional funds to extend the path from Northlawn Drive to the interstate.

Quarry Ridge Estates

MSA has been working on the necessary sidewalk pours with the Contractor.

Erosion Control Checks

MSA has provided erosion control checks following rainfalls on specific sites in the Village. The Madison Window Cleaners is waiting for grass establishment where the storage buildings and the school site are in different stages of construction.

Business Park Soil Report

The soil report is done and available for viewing. A lot of the soil was found to be in need of excavation before lots would be developed.

7. Directors Report

COVID-19

The Municipal Services Building (MSB) and Village Hall re-opened their doors to the public on May 27th. Capacity limits, social distancing, the use of plexiglass at the MSB and the vestibule window at Village Hall are being utilized.

Vilas Road Creek Crossing

R.G. Huston crews began work last week. Rain in the forecast has been slowing the progress a bit.

Street Maintenance for 2020

The street crack fill work has been completed. Chip seal and patching contracts are signed, and we are awaiting schedule confirmation. Currently working on getting pricing on crack fill for sections of the bike path, which will be covered by any leftover funds.

Sidewalk Maintenance

Saw-cut work was postponed due to rain but should be happening this week. Removal and replacement are set for early June as the schedule allows. Public Works staff will assist with the removal process.

Camera at Public Works Shop

A camera was installed last week at the Public Works Shop compost drop off site to help identify violators. New signage has also been installed at the compost site to clearly outline what is and isn't accepted at the site.

Stormwater Intern position

Intern began work on June 1st. With this position, we will be far ahead of where we were last year in regard to meeting stormwater reporting requirements. Updates from the intern will be shared with the committee.

8. Approve the minutes of the May 5, 2020 Public Works & Properties Committee meeting.

Motion by Kieck, seconded by Eberhardt, to approve the May 5, 2020 Public Works and Properties Committee meeting minutes as presented. Motion carried with a voice vote of 4-0-0.

9. Set tentative date for next meeting.

The next virtual Zoom meeting is tentatively scheduled for Tuesday, July 7, 2020 at 6:00 pm.

10. Future Agenda Items

- Update on Glacial Drumlin Bike Path project.
- Update on the Buss Rd/CTH BB project.
- Discuss Taylor Street potholes.

11. Adjournment

Motion by Eberhardt, seconded by Kieck, to adjourn at 7:01 pm. Motion carried with a voice vote of 3-0-0.

Respectfully submitted by Kristen Krause, Utility Clerk.

Approved on: / /20

These minutes represent the general subject matter discussed in this meeting but do not reflect a verbatim discussion of the subjects and conversations that took place.

Professional Services Agreement

This AGREEMENT (Agreement) is made today July 20, 2020 by and between VILLAGE OF COTTAGE GROVE, WISCONSIN (OWNER) and MSA PROFESSIONAL SERVICES, INC. (MSA), which agree as follows:

Project Name: Village of Cottage Grove Interstate Commerce Park Infiltration Investigation

The scope of the work authorized is: See Attachment A

The schedule to perform the work is: Approximate Start Date: 7/20/2020
Approximate Completion Date: 9/1/2020

The estimated fee for the work is: \$10,000

All services shall be performed in accordance with the General Terms and Conditions of MSA, which is attached and made part of this Agreement. Any attachments or exhibits referenced in this Agreement are made part of this Agreement. Payment for these services will be on a time and expense basis.

Approval: Authorization to proceed is acknowledged by signatures of the parties to this Agreement.

**Village of Cottage Grove
Interstate Commerce Park Infiltration Investigation
MSA Project #00094103**

Project Name: Interstate Commerce Park Infiltration Investigation
Cottage Grove, Dane County

Project Description

The Interstate Commerce Park was initially constructed in the early 2000's and included regional stormwater management ponds that are capable of providing peak discharge rate control and stormwater quality treatment in accordance with the regulatory standards at the time. Sometime later, the State of Wisconsin implemented Administrative Code NR151, which required additional stormwater management practices for infiltration. The County and Village were subsequently required to incorporate infiltration requirements into their ordinances. Because infiltration is not provided by the regional ponds serving the park, it needs to be provided on-site for each prospective development.

Current regulations do allow certain sites to be 'exempted' from on-site infiltration requirements if site conditions are not suitable (clayey soils, high groundwater, or shallow bedrock conditions). Many, but not all, of the currently developed sites within the commerce park have been found to be exempt from infiltration requirements. Because infiltration practices necessitate 'setting aside' a portion of the site to construct an infiltration BMP (or alternatively, require very expensive underground BMPs) this affects the overall attractiveness of the parcel from a development standpoint. In recent months, the Village has dealt with a number of challenges related to uncertainties with development potential because the suitability of current vacant lots for infiltration practices are not known.

In consultation with Village staff and WDNR regulatory professionals, MSA has developed a plan to pre-screen currently vacant sites in the Commerce Park to determine whether any sites can be conclusively shown to be exempt from infiltration so that the Village may market those sites as not needing on-site infiltration practices to meet Village, County, and State infiltration practices. This document presents the scope of work and cost estimate to complete an investigation of the infiltration potential for the currently remaining vacant properties in the Commerce Park.

Scope of Work

a.) Preliminary Infiltration Field Assessment

MSA will conduct an on-site visual analysis of soil textures using hand-auger techniques in accordance with WDNR technical standard 1002 Site Evaluation for Stormwater Infiltration. Up to 24 borings will be collected to a depth of no more than eight (8) feet. Borings will be spaced uniformly throughout the undeveloped parcels labeled A and H, as indicated on the attached map.

b.) Infiltration Suitability Mapping

MSA will prepare a map describing our opinion regarding the suitability of each site for implementing infiltration BMPs. This opinion will be based on soil texture data collected in activity (a) as well as through previously conducted geotechnical investigations.

MSA will provide a copy of the infiltration-suitability map to the WDNR (Eric Rortvedt, P.E.) for their review and concurrence, with a desired outcome being an agreement regarding which of the vacant lots are entirely unsuitable for infiltration, or which are suitable for infiltration – in whole or in part.

Those parcels found to be entirely unsuitable for infiltration will be classified as exempt from infiltration. Note however, that rain garden practices will still be required per the Commerce Park covenants (required rain gardens are comparatively small, and there is no performance standard identified in the covenants).

Those parcels found to be at least partially suitable for infiltration will need further investigation which can either be left to prospective developers or which can be further investigated by MSA in a follow-up study. The cost for such a study will be dependent on the area found suitable for infiltration and would be difficult to estimate prior to the completion of this current study.

c.) Final Documentation

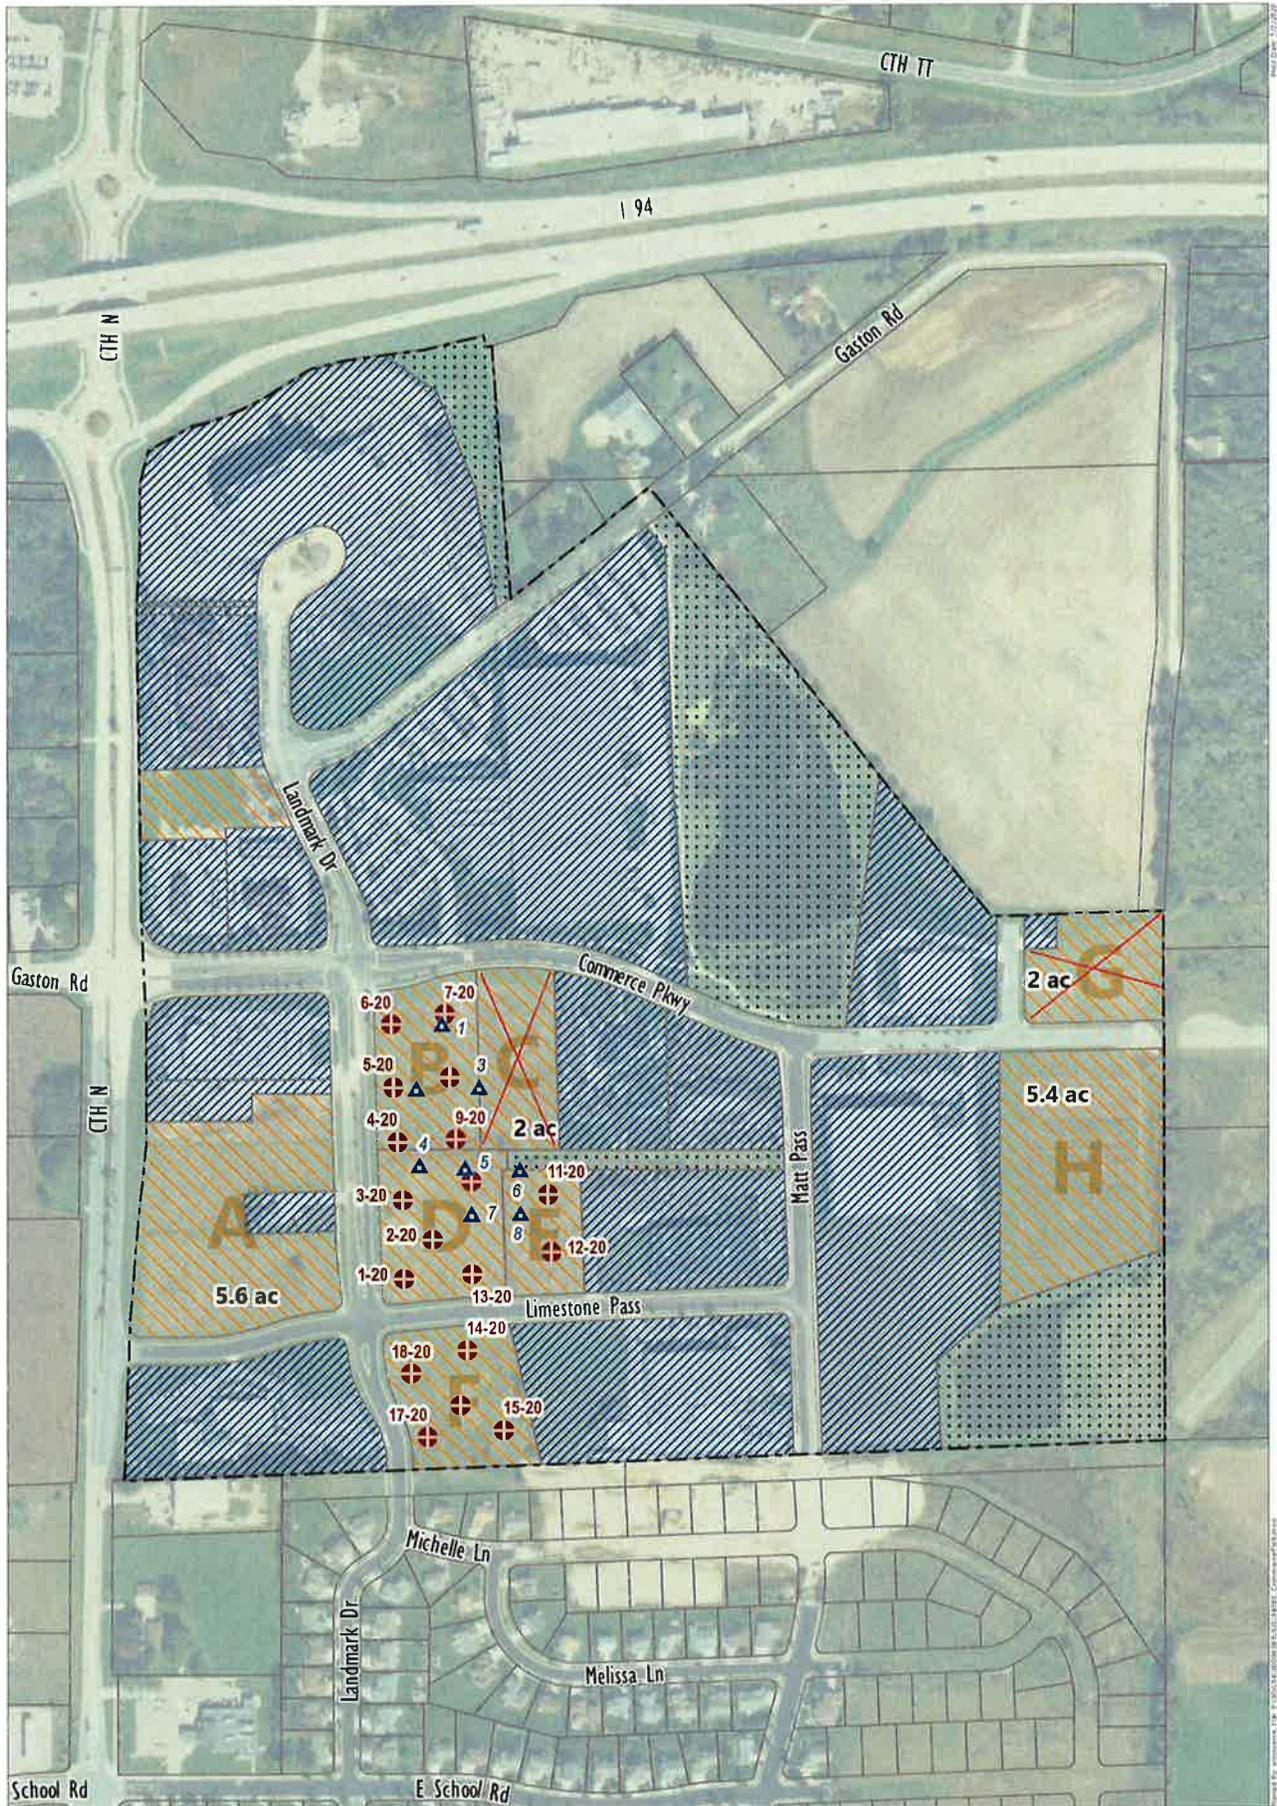

MSA will prepare a brief technical memorandum with supporting approvals, and a map documenting the undeveloped areas within the commerce park where infiltration practice will be required, and where they will not.

Engineering Cost

MSA will complete the activities in this scope of work for a fee of \$10,000

Schedule

MSA will complete the activities in this scope of work prior to September 1, 2020.

**MSA PROFESSIONAL SERVICES, INC. (MSA)
GENERAL TERMS AND CONDITIONS OF SERVICES (PUBLIC)**

1. **Scope and Fee.** The quoted fees and scope of services constitute the best estimate of the fees and tasks required to perform the services as defined. This agreement upon execution by both parties hereto, can be amended only by written instrument signed by both parties. For those projects involving conceptual or process development service, activities often cannot be fully defined during initial planning. As the project progresses, facts uncovered may reveal a change in direction which may alter the scope. MSA will promptly inform the OWNER in writing of such situations so that changes in this agreement can be made as required. The OWNER agrees to clarify and define project requirements and to provide such legal, accounting and insurance counseling services as may be required for the project

2. **Billing.** MSA will bill the OWNER monthly with net payment due upon receipt. Past due balances shall be subject to an interest charge at a rate of 12% per year from said thirtieth day. In addition, MSA may, after giving seven days written notice, suspend service under any agreement until the OWNER has paid in full all amounts due for services rendered and expenses incurred, including the interest charge on past due invoices.

3. **Costs and Schedules.** Costs and schedule commitments shall be subject to change for delays caused by the OWNER's failure to provide specified facilities or information or for delays caused by unpredictable occurrences including, without limitation, fires, floods, riots, strikes, unavailability of labor or materials, delays or defaults, by suppliers of materials or services, process shutdowns, acts of God or the public enemy, or acts of regulations of any governmental agency. Temporary delays of services caused by any of the above which result in additional costs beyond those outlined may require renegotiation of this agreement.

4. **Access to Site.** Owner shall furnish right-of-entry on the project site for MSA and, if the site is not owned by Owner, warrants that permission has been granted to make planned explorations pursuant to the scope of services. MSA will take reasonable precautions to minimize damage to the site from use of equipment, but has not included costs for restoration of damage that may result and shall not be responsible for such costs.

5. **Location of Utilities.** Consultant shall use reasonable means to identify the location of buried utilities in the areas of subsurface exploration and shall take reasonable precautions to avoid any damage to the utilities noted. However, Owner agrees to indemnify and defend Consultant in the event of damage or injury arising from damage to or interference with subsurface structures or utilities which result from inaccuracies in information of instructions which have been furnished to Consultant by others.

6. **Professional Representative.** MSA intends to serve as the OWNER's professional representative for those services as defined in this agreement, and to provide advice and consultation to the OWNER as a professional. Any opinions of probable project costs, reviews and observations, and other decisions made by MSA for the OWNER are rendered on the basis of experience and qualifications and represents the professional judgment of MSA. However, MSA cannot and does not guarantee that proposals, bid or actual project or construction costs will not vary from the opinion of probable cost prepared by it.

7. **Construction.** This agreement shall not be construed as giving MSA, the responsibility or authority to direct or supervise construction means, methods, techniques, sequence, or procedures of construction selected by the contractors or subcontractors or the safety precautions and programs incident to the work of the contractors or subcontractors.

8. **Standard of Care.** In conducting the services, MSA will apply present professional, engineering and/or scientific judgment, and use a level of effort consistent with current professional standards in the same or similar locality under similar circumstances in performing the Services. The OWNER acknowledges that "current professional standards" shall mean the standard for professional services, measured as of the time those services are rendered, and not according to later standards, if such later standards purport to impose a higher degree of care upon MSA.

MSA does not make any warranty or guarantee, expressed or implied, nor have any agreement or contract for services subject to the provisions of any uniform commercial code. Similarly, MSA will not accept those terms and conditions offered by the OWNER in its purchase order, requisition, or notice of authorization to proceed, except as set forth herein or expressly agreed to in writing. Written acknowledgement of receipt, or the actual performance of services subsequent to receipt of such purchase order, requisition, or notice of authorization to proceed is specifically deemed not to constitute acceptance of any terms or conditions contrary to those set forth herein.

9. **Construction Site Visits.** MSA shall make visits to the site at intervals appropriate to the various stages of construction as MSA deems necessary in order to observe, as an experienced and qualified design professional, the progress and quality of the various aspects of Contractor's work.

The purpose of MSA's visits to, and representation at the site, will be to enable MSA to better carry out the duties and responsibilities assigned to and undertaken by MSA during the Construction Phase, and in addition, by the exercise of MSA's efforts as an experienced and qualified design professional, to provide for OWNER a greater degree of confidence that the completed work of Contractor will conform in general to the Contract Documents and that the integrity of the design concept of the completed Project as a functioning whole as indicated in the Contract Documents has been implemented and preserved by Contractor. On the other hand, MSA shall not, during such visits or as a result of such observations of Contractor's work in progress, supervise, direct or have control over Contractor's work nor shall MSA have authority over or responsibility for the means, methods, techniques, sequences or procedures of construction selected by Contractor, for safety precautions and programs incident to the work of Contractor or for any failure of Contractor to comply with laws, rules, regulations, ordinances, codes or orders applicable to Contractor's furnishing and performing the work. Accordingly, MSA neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform its work in accordance with the Contract Documents.

10. **Termination.** This Agreement shall commence upon execution and shall remain in effect until terminated by either party, at such party's discretion, on not less than thirty (30) days' advance written notice. The effective date of the termination is the thirtieth day after the non-terminating party's receipt of the notice of termination. If MSA terminates the Agreement, the OWNER may, at its option, extend the terms of this Agreement to the extent necessary for MSA to complete any services that were ordered prior to the effective date of termination. If OWNER terminates this Agreement, OWNER shall pay MSA for all services performed prior to MSA's receipt of the notice of termination and for all work performed and/or expenses incurred by MSA in terminating Services begun after MSA's receipt of the termination notice. Termination hereunder shall operate to discharge only those obligations which are executory by either party on and after the effective date of termination. These General Terms and Conditions shall survive the completion of the services performed hereunder or the Termination of this Agreement for any cause.

This agreement cannot be changed or terminated orally. No waiver of compliance with any provision or condition hereof should be effective unless agreed in writing and duly executed by the parties hereto.

11. **Betterment.** If, due to MSA's error, any required or necessary item or component of the project is omitted from the construction documents, MSA's liability shall be limited to the reasonable costs of correction of the construction, less what OWNER'S cost of including the omitted item or component in the original construction would have been had the item or component not been omitted. It is intended by this provision that MSA will not be responsible for any cost or expense that provides betterment, upgrade, or enhancement of the project.

12. **Hazardous Substances.** OWNER acknowledges and agrees that MSA has had no role in generating, treating, storing, or disposing of hazardous substances or materials which may be present at the project site, and MSA has not benefited from the processes that produced such hazardous substances or materials. Any hazardous substances or materials encountered by or associated with Services provided by MSA on the project shall at no time be or become the property of MSA. MSA shall not be deemed to possess or control any hazardous substance or material at any time; arrangements for the treatment, storage, transport, or disposal of any hazardous substances or materials, which shall be made by MSA, are made solely and exclusively on OWNER's behalf for OWNER's benefit and at OWNER's direction. Nothing contained within this Agreement shall be construed or interpreted as requiring MSA to assume the status of a generator, storer, treater, or disposal facility as defined in any federal, state, or local statute, regulation, or rule governing treatment, storage, transport, and/or disposal of hazardous substances or materials.

All samples of hazardous substances, materials or contaminants are the property and responsibility of OWNER and shall be returned to OWNER at the end of a project for proper disposal. Alternate arrangements to ship such samples directly to a licensed disposal facility may be made at OWNER's request and expense and subject to this subparagraph.

13. **Insurance.** MSA will maintain insurance coverage for: Worker's Compensation, General Liability, and Professional Liability. MSA will provide information as to specific limits upon written request. If the OWNER requires coverages or limits in addition to those in effect as of the date of the agreement, premiums for additional insurance shall be paid by the OWNER. The liability of MSA to the OWNER for any indemnity commitments, or for any damages arising in any way out of performance of this contract is limited to such insurance coverages and amount which MSA has in effect.

14. **Reuse of Documents.** Reuse of any documents and/or services pertaining to this project by the OWNER or extensions of this project or on any other project shall be at the OWNER's sole risk. The OWNER agrees to defend, indemnify, and hold harmless MSA for all claims, damages, and expenses including attorneys' fees and costs arising out of such reuse of the documents and/or services by the OWNER or by others acting through the OWNER.

15. **Indemnification.** To the fullest extent permitted by law, MSA shall indemnify and hold harmless, OWNER, and OWNER's officers, directors, members, partners, agents, consultants, and employees (hereinafter "OWNER") from reasonable claims, costs, losses, and damages arising out of or relating to the PROJECT, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom but only to the extent caused by any negligent act or omission of MSA or MSA's officers, directors, members, partners, agents, employees, or Consultants (hereinafter "MSA"). In no event shall this indemnity agreement apply to claims between the OWNER and MSA. This indemnity agreement applies solely to claims of third parties. Furthermore, in no event shall this indemnity agreement apply to claims that MSA is responsible for attorneys' fees. This agreement does not give rise to any duty on the part of MSA to defend the OWNER on any claim arising under this agreement.

To the fullest extent permitted by law, OWNER shall indemnify and hold harmless, MSA, and MSA's officers, directors, members, partners, agents, consultants, and employees (hereinafter "MSA") from reasonable claims, costs, losses, and damages arising out of or relating to the PROJECT, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom but only to the extent caused by any negligent act or omission of the OWNER or the OWNER's officers, directors, members, partners, agents, employees, or Consultants (hereinafter "OWNER"). In no event shall this indemnity agreement apply to claims between MSA and the OWNER. This indemnity agreement applies solely to claims of third parties. Furthermore, in no event shall this indemnity agreement apply to claims that the OWNER is responsible for attorneys' fees. This agreement does not give rise to any duty on the part of the OWNER to defend MSA on any claim arising under this agreement.

To the fullest extent permitted by law, MSA's total liability to OWNER and anyone claiming by, through, or under OWNER for any cost, loss or damages caused in part or by the negligence of MSA and in part by the negligence of OWNER or any other negligent entity or individual, shall not exceed the percentage share that MSA's negligence bears to the total negligence of OWNER, MSA, and all other negligent entities and individuals.

16. **Dispute Resolution.** OWNER and MSA desire to resolve any disputes or areas of disagreement involving the subject matter of this Agreement by a mechanism that facilitates resolution of disputes by negotiation rather than by litigation. OWNER and MSA also acknowledge that issues and problems may arise after execution of this Agreement which were not anticipated or are not resolved by specific provisions in this Agreement. Accordingly, both OWNER and MSA will endeavor to settle all controversies, claims, counterclaims, disputes, and other matters in accordance with the Construction Industry Mediation Rules of the American Arbitration Association currently in effect, unless OWNER and MSA mutually agree otherwise. Demand for mediation shall be filed in writing with the other party to this Agreement. A demand for mediation shall be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event shall the demand for mediation be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations. Neither demand for mediation nor any term of this Dispute Resolution clause shall prevent the filing of a legal action where failing to do so may bar the action because of the applicable statute of limitations. If despite the good faith efforts of OWNER and MSA any controversy, claim, counterclaim, dispute, or other matter is not resolved through negotiation or mediation, OWNER and MSA agree and consent that such matter may be resolved through legal action in any state or federal court having jurisdiction.

17. **Exclusion of Special, Indirect, Consequential and Liquidated Damages.** Consultant shall not be liable, in contract or tort or otherwise, for any special, indirect, consequential, or liquidated damages including specifically, but without limitation, loss of profit or revenue, loss of capital, delay damages, loss of goodwill, claim of third parties, or similar damages arising out of or connected in any way to the project or this contract.

18. **State Law.** This agreement shall be construed and interpreted in accordance with the laws of the State of INSERT STATE.

19. **Jurisdiction.** OWNER hereby irrevocably submits to the jurisdiction of the state courts of the State of INSERT STATE for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement. OWNER further consents that the venue for any legal proceedings related to this Agreement shall be, at MSA's option, Sauk County, Wisconsin, or any county in which MSA has an office.

20. **Understanding.** This agreement contains the entire understanding between the parties on the subject matter hereof and no representations, inducements, promises or agreements not embodied herein (unless agreed in writing duly executed) shall be of any force or effect, and this agreement supersedes any other prior understanding entered into between the parties on the subject matter hereto.

UTILITY COMMISSION

Wednesday, July 8, 2020

5:00 PM

AGENDA

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please join the meeting from your computer, tablet or smartphone by visiting <https://zoom.us/j/95542739179>. You can also participate via phone by dialing 1-312-626-6799 and use Meeting ID: 955 4273 9179 #. When asked for your Participant ID, just press #.

You may also choose to participate by providing public comment prior to the meeting via email to the Director of Public Works & Utilities, JJ Larson at jl Larson@village.cottage-grove.wi.us

- 1) **Call Meeting to Order**
- 2) **Quorum and roll call**
- 3) **Public Appearances** – Public’s opportunity to speak about any subject that is not a specific agenda item.
- 4) **Old Business**
 - a. Update on water and sewer extension along Vilas Rd.
 - b. Update on lead and copper testing.
 - c. Update on MMSD charges and sampling.
- 5) **New Business**
 - a. Discuss and consider Utility Easement Agreement for 1002 Crysta Trl.
 - b. Discuss and consider writing off utility charges from 4/1/20 to 4/14/20 for account 2415.00.
 - c. Discuss utility connections for Vilas Rd.
- 6) **Engineer’s report.**
- 7) **Director’s report.**
- 8) **Approve vouchers for payment.**
- 9) **Approve the minutes of the June 10, 2020 Utility Commission meeting.**
- 10) **Set date for next meeting.**
- 11) **Future Agenda Items**
- 12) **Adjournment**

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action

PUBLIC WORKS STAFF REPORT

MEMO DATE:	June 30 th , 2020
MEETING DATE:	July 8 th , 2020
TO:	Utility Commission
FROM:	JJ Larson, Director of Public Works & Utilities
RE:	Easement Agreement

BACKGROUND

The owners of 1002 Crysta Trl. were proactive in reaching out to private utility companies and the Village in preparing to put an addition on their home. There is an existing sanitary sewer main running through the backyards of this block of Crysta Trl. and this planned addition will encroach on the Village's easement for this sewer line.

OVERVIEW

This unique main and easement are likely to be abandoned at some point in the future when the Village develops further. The main is made of PVC, relatively new, and it is unlikely to suffer the type of failure requiring excavation to repair. The property owners attended a Utility Commission meeting last year, at which time the Commission determined that granting permission would be acceptable given an agreement could be drafted and agreed to that protected the Village from any additional costs related to private property repairs and/or damage.

The property owners agreed to pay the associated costs to have our Attorney draft the agreement language.

Our Village Attorney drafted language that protects the Village from extra costs in the event a repair does become necessary. Also, the agreement will be filed with the Dane County Register of Deeds to run with the property, until such time that the Village abandons the sewer and easement.

STAFF RECOMMENDATION

I recommend approval of the Utility Easement Agreement for the property located at 1002 Crysta Trl.

Utility Easement Agreement

This agreement (“Agreement”) between the Village of Cottage Grove (“Village”), a municipal corporation, and Kristine and Michael Kreuger (“Kreugers”) is entered into this ___ day of _____, 2020.

In consideration of the mutual promises, obligations, and benefits provided hereunder, the receipt and adequacy of which are hereby acknowledged, the Village and the Kreugers agree as follows:

1. The Village grants the Kreugers permission to construct, at the Kreugers’ expense, a deck and enclosed porch (the “Encroachments”) that extend into the sanitary sewer utility easement located at 1002 Crysta Trail, Cottage Grove, WI 53527 (the “Easement”).
2. The Village does not anticipate the need for and will make all reasonable efforts to avoid disturbance to the Encroachments in the future.
3. If the Village determines, in its sole discretion, that removal of the Encroachments is necessary for work to be performed in the Easement, the Encroachments shall be removed at the Kreugers’ expense upon receipt of notice by the Kreugers from the Village, and such removal shall be completed by the date contained in the notice. If the Kreugers do not remove the Encroachments by the date specified in the notice, the Village may cause the Encroachments to be removed. Should the Village exercise its right to remove the Encroachments, the Kreugers shall reimburse the Village for the reasonable costs of removal. If the Kreugers do not reimburse the Village for removal costs upon request, the Village may collect these costs from the Kreugers as provided by law and may record a lien against the Kreugers’ property for said costs until paid.
4. If the Village determines that removal of the Encroachments is necessary, as provided in paragraph 3, the Village will make all reasonable efforts to give the Kreugers a reasonable time frame within which to remove the Encroachments, unless the Village determines, in its sole discretion, that specific or exigent circumstances require otherwise.
5. The Kreugers release, covenant not to sue, discharge, and hold harmless the Village and its employees, agents, or representatives, of and from any and all claims, including all liabilities, actions, damages, costs or expenses of any kind arising out of or relating to placing the Encroachments in the Easement or removal of the Encroachments, whether conducted by the Kreugers or the Village. This release includes any claims based on the actions, omissions, or negligence of the Village and its employees, agents, or representatives. This release does not include any claims based on the intentional actions of the Village and its employees, agents, or representatives.
6. This Agreement shall run with the land and shall be binding upon the heirs, successors, transferees, and assigns of the Kreugers. The Village shall, at the Kreugers’ expense, record this Agreement with the Dane County Register of Deeds. This agreement is voided if the Village abandons the Easement

The parties hereto have executed this Agreement as of the year and date first set forth above, and by so signing this Agreement, certify that they have been duly authorized to execute this Agreement.

Engineer's Report

A Review of Projects in the Community

Village of Cottage Grove, WI

PREPARED BY: Kevin Lord PE/PLS

DATE: July 2020 Report

klord@msa-ps.com

MGSD SITE PLAN – MSA received information from the engineer of the school property including utility extensions and possible future roadway locations on the northeast side of the site. MSA will review and report if anything is necessary for Utility Commission.

5TH ADDITION TO WESTLAWN ESTATES – Concrete curb and gutter and sidewalk has mainly been completed. Contractor currently working on curb ramps and then will finish with street paving and restoration. The Contractor did make changes to the outfall in the southeast corner of the development based on recommendations from the Town Engineer.

COTTAGE GROVE COMMONS – Miscellaneous concrete and restoration work being completed to obtain occupancy for a portion of the site.

VILAS ROAD SEWER AND WATER – Project has been awarded. Awaiting anticipated schedule from Contractor however have been told a July/August start timeframe.

SANITARY SYSTEM FLOWS – The flow monitoring equipment has been removed. MSA is analyzing the information with respect to flows to determine pipe capacity and also with respect to I&I (inflow and infiltration) to determine specific sanitary sheds that should be targeted for future reviews. MSA completed a preliminary report to the Village identifying that the farm interceptor is not an immediate need. (See Attached.)

GLACIAL DRUMLIN PATH/CLARK STREET – MSA will discuss water system utility extensions if Grove Street is included within the Village portion of the project. Costs are being prepared by the utilities to bury the overhead along Clark Street.

CONSTRUCTION STANDARDS – MSA began working on completing some construction standards for the public infrastructure for Contractors in the Village. The final specifications will be shared with the Utility Commission along with some finalizing questions specific to the Village.

NORTH SIDE BUSINESS PARK – MSA has been working with the Village on the USA amendment on the North side of the Interstate. Upon completion of a developer's agreement design requests may be necessary for utility extensions/lift station and roadway improvements along the County roads.

Village of Cottage Grove

Department of Public Works
Director's Monthly Report to the Utility Commission
July 8th, 2020

AMI

- Some in-person training on software took place last week.
- Most issues have been worked out in the last month, of the dozen or so meters not reading initially, only a problem with one as of this writing.

MMSD charges up in Q1

- MMSD did additional testing for us on the influent line at the Vilas Rd. Lift Station
- Results showed the same increasing numbers (CBOD, TSS, TKN, TP)
- As of this writing, I have reached out to their team to see if they'd help with additional testing out in the system. Also, shared the data with MSA for any thoughts they may have.
- The Sewer Utility is healthy financially and can handle the increased treatment costs for this year, but as we get into budget discussions this will need to be addressed.

Lead & Copper testing

- DNR moved sampling timeframe back.
- Initial letters mailed to sampling sites last week.

VILLAGE OF COTTAGE GROVE UTILITY COMMISSION

MEETING MINUTES OF JUNE 10, 2020

1. **Call to Order.** The meeting was called to order by Chairperson Charlie Rogers at 5:03 p.m. This meeting was held on Zoom.
2. **Determine that a quorum was present and that the agenda was properly posted.** Roll call was taken, and it was determined that a quorum was present and that the agenda had been properly posted. Present were Charlie Rogers (chair), Bruce Halverson, Heidi Murphy, Mike Hackel, Village Engineer Kevin Lord, Public Works Director JJ Larson and one (1) member of the public. Absent and excused was Joanna Williams.
3. **Public Appearances – Public’s opportunity to speak about any subject that is not a specific agenda item.** None.
4. **Old Business**
 - a. **Update on water and sewer extension along Vilas Rd.**

Lord gave an update on the status of the project. Contracts are signed, contractor is looking at a July or August start on that project. They have 90 days to substantial completion so it will be a fall completion.
 - b. **Update on lead and copper testing.**

Larson said the plan is to begin reaching out to residents in July to get the samples collected.
 - c. **Update on MMSD charges and sampling.**

Larson stated that first quarter costs for sewage treatment were up significantly and that MMSD staff reported it was due to higher numbers of solids, phosphorus, and other measurables in the wastewater samples. There was an issue with a pump in the wet well at Vilas being out of service for a period of time, the pump is located right where the sampler pulls for testing, Larson stated his theory is that is impacting the sample results because there is no obvious change in what’s going to the system. MMSD staff will be installing a sampler in another location to see if the issue is related to the wet well sampler location or there is something changing in our wastewater.
5. **New Business**
 - a. **Discuss and consider 2019 Compliance Maintenance Annual Report (CMAR).**

Larson presented the report and explained that it’s an annual report to the DNR on our Sanitary Sewer Utility’s financials and maintenance activities. **Motion** by Murphy, seconded by Hackel to approve the 2019 Compliance Maintenance Annual Report. Motion carried with a unanimous voice vote 4-0-0.
 - b. **Discuss and consider the continuation of PSN fee absorption for online utility bill payments.**

Larson explained how the Utility opted to absorb the online payment fees when the Safer at Home order was issued; in order to encourage customers to pay online versus mailing or dropping off payments. Larson discussed how utilities are now allowed under PSC rules to absorb the fees for online bill payment outside of a rate case. In the packet was a summary of the cost so far and an estimate for costs moving forward to continue to absorb these fees. Larson stated that in order for a Utility to capture that revenue it does have to be a part of a full rate case, but that the Utility’s operating budget would easily absorb the fees for the next year and that the plan had been to seek a full rate case at some point in 2021 at which time these costs could be accounted for in the rates. **Motion** by Hackel,

seconded by Halverson, to continue absorbing fees for online payment. Motion carried with a unanimous voice vote of 4-0-0.

6. Engineer's report.

MGSD Site Plan – MSA was working with the Village on verifying the public utility extensions required for the school district property for the Developers Agreement that was recently signed and approved. Nothing new on the development portion northeast of the school site.

Miracle Field – MSA was working with the site engineer to verify the site utilities in order for the Village to maintain these in the future. Engineer working on revising the site plan to allow the water extension at a later time.

5th Addition to Westlawn Estates – Utility work was completed and progress is being made on the roadway work. MSA is working with MMSD on deed restrictions for future phases at this time.

Cottage Grove Commons – Public utility work completed and also working on roadway work as weather permits.

Vilas Road Sewer and Water – Project has been awarded. Awaiting anticipated schedule from Contractor.

Sanitary System Flows – The flow monitoring equipment has been taken out of the system as of June 1st. MSA will analyze the information with respect to flows to determine pipe capacity and also with respect to I&I (inflow and infiltration) to determine specific sanitary sheds that should be targeted for future reviews. MSA completed a preliminary report to the Village identifying that the Farm Interceptor is not an immediate need.

Glacial Drumlin Path/Clark Street – MSA will discuss water system utility extensions if Grove Street is included within the Village portion of the project. Costs are being prepared by the utilities to bury the overhead along Clark Street.

7. Director's report.

COVID-19

Still no two in a vehicle and staff staying with same vehicle as much as possible. The Municipal Services Building re-opened with limited capacity and plexiglass at the counter.

AMI

Final in-person training still on hold.

MMSD charges up in Q1

Possible aberration in their test results; or the Village wastewater composition is changing. Larson reached out to their Collection System Team to discuss and troubleshoot. MMSD staff got back to Larson and will be doing some increased and varied sampling in the coming weeks.

Lead & Copper

DNR moved sampling timeframe back; will be mailing letters to approved sites.

Vilas Water/Sewer

Agreement reached between Village and land-owners, contract awarded, no word as of this writing on timing of construction.

8. **Approve vouchers for payment. Motion** by Rogers, seconded by Halverson, to approve payment of the vouchers in the amount of \$69,182.56. Motion carried by a unanimous voice vote of 4-0-0.
9. **Approve the minutes of the May 13, 2020 Utility Commission meeting. Motion** by Hackel, seconded by Murphy, to approve the minutes of the May 13, 2020 meeting as presented. Motion carried by a unanimous voice vote of 4-0-0.
10. **Set date for next meeting.** The next meeting of the Utility Commission will be held on Wednesday, July 8, 2020 at 5:00 p.m.
11. **Future Agenda Items**
 - Sanitary system flows
 - Services along Vilas Rd.
 - MMSD charges
 - Lead and copper testing
 - UCMR results
12. **Adjournment. Motion** by Rogers, seconded by Hackel, to adjourn the meeting at 5:30 p.m. Motion approved by unanimous voice vote, 4-0-0.

Respectfully submitted by JJ Larson, Director of Public Works.

Approved on: ____/____/____

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action

**AD HOC GLACIAL DRUMLIN BIKE PATH
COMMITTEE**

Thursday, July 9, 2020

4:30pm

This meeting will take place in the Village-owned lot on Clark St. at the intersection with Bass St. (near Lion's Shelter).

You may also choose to participate by providing public comment prior to the meeting via email to the Director of Public Works & Utilities, JJ Larson at jjlarson@village.cottage-grove.wi.us.

AGENDA

- 1) Call Meeting to Order**
- 2) Quorum and roll call**
- 3) Public Appearances** – Public's opportunity to speak about any subject that is not a specific agenda item.
- 4) Approve the minutes of the June 4, 2020 meeting**
- 5) Old Business**
 - a. Discuss plan for Public Involvement meeting
 - b. Discuss timeline and next steps
- 6) New Business**
 - a. Discuss and consider recommending approval of the Relocation Order along Clark Street for the Glacial Drumlin Path project
 - b. Discuss and consider bike path route
- 7) Set tentative date and format for next meeting**
- 8) Future Agenda Items**
- 9) Adjournment**

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action

**AD HOC GLACIAL DRUMLIN BIKE PATH
COMMITTEE**

Thursday, June 4, 2020

4:30pm

Due to the COVID-19 pandemic, this meeting took place virtually via Zoom.

MINUTES**1) Call Meeting to Order**

Larson called the meeting to order at 4:30pm. Sarah Valencia was nominated and unanimously selected as Chair.

2) Quorum and roll call

Present were Sarah Valencia, Melissa Ratcliff, Charlie Rogers, Jay Kiefer, Chris Nelson, Village Engineer Kevin Lord, Director of Public Works JJ Larson, Director of Parks, and Recreation & Forestry Sean Brusegar.

3) Public Appearances – Public’s opportunity to speak about any subject that is not a specific agenda item. None**4) Old Business****a. Overview of project history.**

Larson gave an overview of the project history; the planned Village project is a small piece of a larger picture to make the connection between the Village and the City of Madison with an off-road bike path. The connection will ultimately require projects by the City of Madison, Dane County, DNR, and the Village. This Committee was formed to guide the Village’s portion making the connection between the trailhead of the Glacial Drumlin Trail west to Vilas Rd. where it will ultimately connect to the Dane County portion. Larson explained that given the importance of the connection to the overall east-west State Trail System, the Village scored very well and was awarded TAP grant funding through the DOT.

Village Engineer, Kevin Lord, presented the preliminary plan showing the proposed route of the path addition as well as potential improvements to Clark St. and Grove St. that the Village is planning to do as concurrent projects.

Questions were asked about the proposed path running along the west side of Grove St. before entering into the park. Rogers and Nelson recalled discussion of that path staying on the east side of Grove and crossing into the park south of the home there. There was discussion about keeping the path along Clark St. past the property and then turning it south into the park. Lord said he would discuss these potential options with the team at MSA and bring it back for the next meeting.

5) New Business**a. Discuss Public Involvement Plan.**

Village Engineer, Kevin Lord discussed the required public involvement for a project with DOT funding. The Committee discussed options and it was decided that a plan would be formulated to have the public meeting near the project location, outside, weather permitting. And that a virtual meeting would be the backup plan. This meeting will be held on Thursday, July 30th at 6pm utilizing the Village parking lot on Clark St. and/or the Lions Park Shelter.

b. Discussion of project timeline and next steps.

Lord discussed the steps required of the grant-funded project; timing of environmental document submission, 30, 60 & 90% plans, throughout the summer and fall. Final plans are due in January of 2021, with project letting set for March of 2021 and construction in the summer.

6) Set tentative date and format for next meeting

The next meeting will be held on Thursday, July 9th at 4:30 pm. In the Village parking lot along Clark St.

7) Future Agenda Items

Determine final route of the path.

8) Adjournment

Motion by Rogers, seconded by Ratcliff to adjourn at 5:30pm

Respectfully submitted by JJ Larson, Director of Public Works.

Approved on:

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action

ITEM
69

RELOCATION ORDER

LPA1708 08/2011 (Replaces LPA3006)

Project 00094102	Road name VILLAGE OF COTTAGE GROVE, CLARK STREET (VILAS ROAD - CTH N)	Highway LOCAL STREET	County DANE
Right of way plat date XX/XX/XXXX	Plat sheet number(s) 1 - 2	Previously approved Relocation Order date N/A	

Description of termini of project:

Beginning at a point APPROXIMATELY 1229 feet south of and 688 feet west of the N 1/4 corner of Section 16, T-7-N, R-11-E, Village of Cottage Grove, Dane County, Wisconsin, thence easterly to a point APPROXIMATELY 1173 feet south of and 78 feet west of the N 1/4 corner of Section 16, T-7-N, R-11-E, Village of Cottage Grove, Dane County, Wisconsin as shown on the right-of-way plat or a copy thereof marked:

VILLAGE OF COTTAGE GROVE, CLARK STREET
(VILAS ROAD - CTH N)
LOCAL STREET DANE COUNTY

The same being sheets 1 - 2 of said plat.

To properly establish, lay out, widen, enlarge, extend, construct, reconstruct, improve, or maintain a portion of the highway designated above, it is necessary to relocate or change and acquire certain lands or interests in lands as shown on the right of way plat for the above project.

To effect this change, pursuant to authority granted under Section 61.34(3), (3m) and 61.36, Wisconsin Statutes, the Village of Cottage Grove orders that:

1. The said road is laid out and established to the lines and widths as shown on the plat.
2. The required lands or interests in lands as shown on the plat shall be acquired by: Village of Cottage Grove
3. This order supersedes and amends any previous order issued by the: Village of Cottage Grove

Village President

RELOCATION ORDER

LPA1708 08/2011 (Replaces LPA3006)

Project 00094102	Road name VILLAGE OF COTTAGE GROVE, CLARK STREET (VILAS ROAD - CTH N)	Highway LOCAL STREET	County DANE
Right of way plat date XX/XX/XXXX	Plat sheet number(s) 1 - 2	Previously approved Relocation Order date N/A	

Description of termini of project:

Beginning at a point APPROXIMATELY 1229 feet south of and 688 feet west of the N 1/4 corner of Section 16, T-7-N, R-11-E, Village of Cottage Grove, Dane County, Wisconsin, thence easterly to a point APPROXIMATELY 1173 feet south of and 78 feet west of the N 1/4 corner of Section 16, T-7-N, R-11-E, Village of Cottage Grove, Dane County, Wisconsin as shown on the right-of-way plat or a copy thereof marked:

VILLAGE OF COTTAGE GROVE, CLARK STREET
(VILAS ROAD - CTH N)
LOCAL STREET DANE COUNTY

The same being sheets 1 - 2 of said plat.

To properly establish, lay out, widen, enlarge, extend, construct, reconstruct, improve, or maintain a portion of the highway designated above, it is necessary to relocate or change and acquire certain lands or interests in lands as shown on the right of way plat for the above project.

To effect this change, pursuant to authority granted under Section 61.34(3), (3m) and 61.36, Wisconsin Statutes, the Village of Cottage Grove orders that:

1. The said road is laid out and established to the lines and widths as shown on the plat.
2. The required lands or interests in lands as shown on the plat shall be acquired by: Village of Cottage Grove
3. This order supersedes and amends any previous order issued by the: Village of Cottage Grove

Notice of Public Meeting

COMMUNITY DEVELOPMENT AUTHORITY

Monday, July 13, 2020

5:30 p.m.

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please join the meeting from your computer, tablet or smartphone by visiting <https://zoom.us/j/91351618492?pwd=bm53L0lEUm8wQ1Y1T2FzaEFRVXhHdz09>.

You can also participate via phone by dialing 1 312 626 6799 and use Meeting ID: 913 5161 8492 # When asked for your Participant ID, just press #

You may also choose to participate by providing public comment prior to the meeting via email to Village Clerk Lisa Kalata: ikalata@village.cottage-grove.wi.us

1. Call to order
2. Determination of quorum and that the agenda was properly posted.
3. PUBLIC APPEARANCES- Public's opportunity to speak about any subject that is not a specific agenda item.
4. Discuss and Consider Approval of Minutes Of The March 9, 2020 CDA Meeting.
Documents: [3-9-2020 CDA MINUTES.PDF](#)
5. Discuss Status Of TID 10 Urban Service Area Amendment.
Documents: [CG CDA USAMEMO 2020-07-08.PDF](#)
6. Development Overview.
Documents: [CDA MARKETING 2020-07-08.PDF](#)
7. Development overview.
8. Future agenda items
9. Adjournment

This agenda has been prepared by Staff and approved by the Chair of the Community Development Authority for use at the meeting as listed above. Any item on the agenda is subject to final action. Notice: Persons needing special accommodations should call 608-839-4704 at least 24 hours prior to the meeting. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

AD-HOC SUSTAINABILITY COMMITTEE

Tuesday, July 14th

6:00 p.m.

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please join the meeting from your computer, table or smartphone by visiting,

<http://zoom.us/j/96042800654https://zoom.us/j/91607526115?pwd=N2NhMIBOTEU4dVBZM2xQc2NoRC9MUT09>.

You can also participate via phone by dialing, 1-312-626-6799, and use Meeting ID: 916 0752 6115. When asked for your participant ID, just press #.

You may also choose to participate by providing public comment prior to the meeting via email to Village Clerk Lisa Kalata: lkalata@village.cottage-grove.wi.us

1. **Call To Order**
2. **Quorum:** determination of quorum and that agenda was properly posted
3. **Public Appearances:** public's opportunity to speak about any subject that is not a specific agenda item
4. **Discuss and consider the minutes from June 9th, 2020.**
5. **Project Updates & Next Steps:**
 - a. Current Sustainability Projects - Heidi, John and J.J.
 - b. Building Energy Inventory – Catie Malcheski & J.J. Larson
 - c. Sustainability Website/Facebook Posts – Nick Hess & Jenny Rogers
6. **Future Agenda Items**
 - a. Consider a Sustainability Goal for Cottage Grove – Nick
 - b. Developing a Comprehensive Sustainability Plan for Cottage Grove - Nick
 - c. Canopy Program - Heidi
 - d. Free Standing Charging Station - Jenny
 - e. Prospect of Cottage Grove Joining Alliant Energy's Second Nature Program - Nick
7. **Adjournment**

Any item on the agenda is subject to final action. Notice: Persons needing special accommodations should call 608-839-4704 at least 24 hours prior to the meeting. It is possible that members of and possibly a quorum of members of other government bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice.

Village of Cottage Grove
DRAFT Minutes Ad-Hoc Sustainability Committee
Tuesday, June 9, 2020

1. **Call to Order:** Nicholas Hess called the meeting to order at 6:08. This was a Zoom meeting.
2. **Quorum:** It was determined that there was a quorum and that agenda was properly posted. Committee members present were Nicholas Hess, John Williams, Heidi Murphy, Catie Malcheski and Jenny Rogers. Staff present were Public Works Director JJ Larson.
3. **Public Appearances:** public's opportunity to speak about any subject that is not a specific agenda item. No members of the public present.

4. **Discuss and consider the minutes from March 10, 2020.**

Motion to approve minutes as presented by Williams, seconded by Murphy. **Motion** carried with a voice vote 5-0-0.

5. **Discuss and consider future committee meetings utilizing zoom or in-person meeting.**

Motion to continue zoom calls for Ad Hoc Sustainability Committee until further notice and to watch re-opening phases for guidance by Williams, seconded by Malcheski. **Motion** carried with a voice vote 5-0-0.

6. **Vision Statement:** Discussed formulation of this committee's vision statement

Inspire to develop Cottage Grove as a forward thinking, sustainable and ecologically mindful community for residents to enjoy tomorrow and beyond.

Motion to approve vision statement as presented above by Williams, seconded by Malcheski. **Motion** carried with a voice vote 5-0-0.

7. **Mission Statement:** Discussed formulation of this committee's mission statement

To educate and enhance the Village of Cottage Grove for a future sustainable community.

Motion to approve mission statement as presented above by Murphy, seconded by Williams. **Motion** carried with a voice vote 5-0-0.

8. **Introduction of Actionable List Spreadsheet:**

The spreadsheet from the packet was presented as a reference and guide for future meetings. Members can submit email request to Nicholas Hess for items to add to this sheet and then will be included for discussion at meetings. The sheet will be used to develop goals, measure progress in meeting those goals, measure and quantify completed items. Each meeting we could take up and assign 2-3 items for research. We will add categories such as education and parks. John Williams will work to gather information about items already in progress or completed this year.

Example for today is update on the solar panels for the Municipal Services Building. A roofing maintenance company will be back again this summer to give an assessment about roof longevity. More information needs to be gathered to present a plan for solar panels and to create a benchmark

energy inventory for all Village owned properties so progress can be measured over time. JJ Larson will work with Catie Malcheski on gathering that information for next meeting.

9. **Website/Social Media Presence:**

The Ad Hoc Sustainability Committee discussed adding a sustainability page linked to the main Village of Cottage Grove website. It would include information and resources related to sustainability and energy conservation. The Committee also discussed implementing a hashtag for committee members/residents to post examples of themselves and others helping the community become more sustainable. It was noted that staff is currently working on an update of the website.

Motion to have staff work with the Committee to develop a Sustainability page on the Village website by Murphy, seconded by Williams. **Motion** carried with a voice vote 5-0-0.

10. **Adjournment**

Motion to adjourn by Murphy at 6:52 pm, seconded by Williams. **Motion** carried with a voice vote 5-0-0.

PLAN COMMISSION

Wednesday, July 15, 2020

6:30 P.M.

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please join the meeting from your computer, tablet or smartphone by visiting

15. Adjournment

This agenda has been prepared by Staff and approved by the Village President as Chair of the Plan Commission for use at the meeting as listed above. Any item on the agenda is subject to final action. Notice: Persons needing special accommodations should call 608-839-4704 at least 24 hours prior to the meeting. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

ORDINANCE 07-2020
AN ORDINANCE TO ADOPT THE AMENDMENTS TO THE
VILLAGE OF COTTAGE GROVE COMPREHENSIVE PLAN

The Village Board of the Village of Cottage Grove, Wisconsin does ordain as follows:

SECTION 1. The Village of Cottage Grove is authorized to prepare and adopt a comprehensive plan as defined in sections 66.1001(1) and 66.1001(2) of the Wisconsin Statutes.

SECTION 2. The Village has adopted and followed written procedures designed to foster public participation in every state of the preparation of a comprehensive plan as required by section 66.1001(4)(a) of the Wisconsin Statutes.

SECTION 3. The Plan Commission of the Village of Cottage Grove, by a majority vote of the entire commission recorded in its official minutes, has adopted a resolution recommending to the Village Board the adoption of the document entitled *Village of Cottage Grove Comprehensive Plan* containing all of the elements specified in section 66.1001(2) of the Wisconsin Statutes.

SECTION 4. The Village of Cottage Grove has held at least one public hearing on this amendment, in compliance with the requirements of section 66.1001(4)(d) of the Wisconsin Statutes and per its adopted public participation procedures.

SECTION 5. The Village Board of the Village of Cottage Grove, Wisconsin does, by enactment of this ordinance, formally adopt the changes identified as Exhibit A pursuant to section 66.1001(4)(c) of the Wisconsin Statutes.

SECTION 6. This ordinance shall take effect upon passage by a majority vote of the members of the Village Board and publication/posting as required by law.

Adopted this July 20, 2020.

John Williams, Village President

RE: **Comprehensive Plan Amendment**

PROPOSED AMENDMENTS

Planned Neighborhood #6

The text under the heading for Planned Neighborhood #6 on page 5-25 shall be amended to read as follows:

The multi-family portion of this neighborhood should be located near Vilas Road. The number of units should not exceed 10% of the total units in the neighborhood. These would likely be comprised of townhomes or small multiplexes in this neighborhood. A small number of duplexes may be incorporated into the single-family areas, not to exceed 10% of the total number of units.

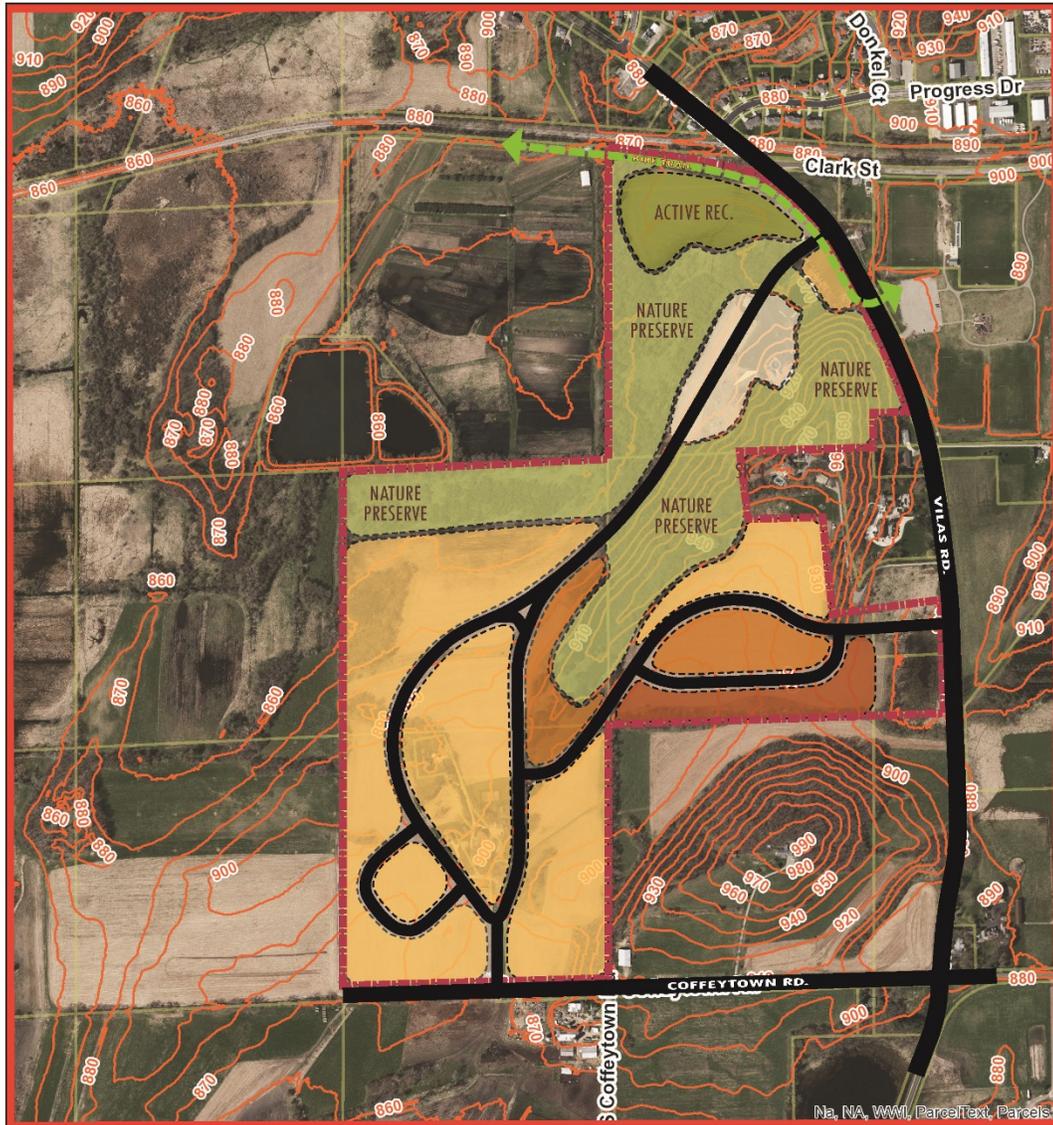

A variety of single-family residential lot sizes are proposed throughout the neighborhood, with smaller lots near the multi-family area and larger lots in the northern portion of the neighborhood. This mix may be achieved through the application of SR-4 and SR-6 zoning or by developing the neighborhood as a Planned Unit Development. A Planned Unit Development may consider lots smaller than those allowed by SR-6 zoning in exchange for open preservation and amenities.

The Glacial Drumlin Trail shall be accommodated through this development as needed and treated as a design feature. A neighborhood bike/pedestrian trail should link the Glacial Drumlin Trail to Coffeytown Road through the neighborhood. The use of the active recreation area in the north end of the neighborhood should be coordinated with the Parks Department. The neighborhood features large areas of wetlands, woodlands, and steep slopes. These areas should generally be protected and used as a design feature.

The road network shown is a suggestion and may be altered following more extensive design and engineering work. The final alignment should include no less than the three neighborhood access points shown (two on Vilas and one on Coffeytown Road). Any necessary public improvements to Coffeytown Road should be coordinated with the Town of Cottage Grove as they have a Transfer of Development Rights (TDR) receiving area shown on their Comprehensive Plan immediately to the west of this neighborhood that would also make use of Coffeytown Road.

Also, the map of Planned Neighborhood #6 shall be replaced with the following (next page):

LEGEND

- | | | | |
|-------------------------------------------------------------------------------------|---------------------------------|-------------------------------------------------------------------------------------|-------------------|
|  | LARGE LOT SINGLE-FAMILY RES. |  | NATURE PRESERVE |
|  | STANDARD LOT SINGLE-FAMILY RES. |  | ACTIVE RECREATION |

ORDINANCE 08-2020
AMENDING CHAPTER 274
VILLAGE OF COTTAGE GROVE MUNICIPAL CODE

The Village Board for the Village of Cottage Grove, Dane County Wisconsin, does hereby ordain as follows:

SECTION I. – BACKGROUND RATIONALE

The Village of Cottage Grove intends to alleviate confusion about the deadline for recording approved Certified Survey Maps (CSM). Currently the Village Subdivision Ordinance requires a CSM to be recorded within 30 days of Village Board approval while Wisconsin Statute requires recording within 12 months.

The Village Plan Commission felt the 30 day deadline was unnecessarily burdensome on land dividers and voted 7-0 to amend the Village Subdivision Ordinance as follows to align with Wisconsin Statute.

SECTION II. – CURRENT LANGUAGE

Section 274-22(E) currently reads:

“The Subdivider or Land Divider shall record the map with the County Register of Deeds within 30 days of its approval by the Village Board.”

Section 274-22(E) shall be amended to read as follows:

“The Subdivider or Land Divider shall record the map with the County Register of Deeds within ~~30 days of its approval by the Village Board~~ the deadlines established by the applicable Wisconsin Statutes.”

SECTION III. - CONFLICT AND SEVERABILITY

SECTIONS 1-10 and 1-11 of the MUNICIPAL CODE OF THE VILLAGE OF COTTAGE GROVE shall apply to this ordinance.

SECTION IV. - EFFECTIVE DATE

This ordinance shall take effect upon compliance with the publication/posting requirements of the Wisconsin Statutes.

Adopted this 20th day of July, 2020.

BY ORDER OF THE VILLAGE BOARD
VILLAGE OF COTTAGE GROVE

John Williams, Village President

RE: **Subdivision Ordinance Amendment Related to CSM Recording Deadlines**

BACKGROUND

The Village recently received an inquiry from Homburg Equipment regarding deadlines for recording a certified survey map. The Homburgs had three CSMs in Coyle South approved last April, but they had not recorded the document.

There were two applicable deadlines, 12 months in the Wisconsin Statutes and 30 days in the Village Subdivision Ordinance, both of which had passed. The Village Board renewed its approval so those CSMs could be recorded.

OVERVIEW

In staff's opinion, the 30-day deadline in the Village Ordinance seems unnecessarily strict given the 12-month deadline in the Wisconsin Statute per Wis. Stat. 236.34(2). Therefore, staff recommends amending the Subdivision Ordinance as follows:

274-22(E) – Recordation. The Subdivider or Land Divider shall record the map with the County Register of Deeds within ~~30 days of its approval by the Village Board~~ the deadlines established by the applicable Wisconsin Statutes.

STAFF RECOMMENDATION

Staff recommends approval of the proposed amendment.

Village of Cottage Grove

PARKS, RECREATION and FORESTRY COMMITTEE

Thursday, July 16, 2020

5:00 P.M – NOTE TIME CHANGE

Due to the COVID-19 pandemic, this meeting will take place virtually via Zoom. Please joining the meeting from your computer, tablet or smartphone by visiting <https://zoom.us/j/95850725031> You can also participate via phone by dialing 1-312-626-6799 and use Meeting ID: 958 5072 5031# When asked for your Participant ID, just press #

You may also choose to participate by providing public comment prior to the meeting vial email to the Director of Parks, Recreation & Forestry Sean Brusegar sbrusegar@village.cottage-grove.wi.us

AGENDA

1. Call to order.
2. Roll call and confirm that the meeting was properly posted.
3. **Public appearances:** Public’s opportunity to speak.
4. Miracle Field update with Bill Schultz.
5. Discuss and consider a new Bakken Park sign.
6. Discuss and consider The Ride cycling event using Community Park as a rest stop on September 27th , 2020.
7. Discuss and consider awarding Willow Run Playground contract.
8. Discuss and consider programming and shelter reservations.
9. Update on Bakken Park shelter and splash pad.
10. COVID-19 Parks & Recreation Update
11. Discuss and consider August Music In The Grove events.
12. Approve the minutes of the June 18, 2020 meeting.
13. Future Agenda Items
14. Adjournment.

Notice:

1. Persons needing special accommodations should call 839-4704 at least 24 hours prior to the meeting.
2. It is possible that members of and possibly a quorum of members of other governmental bodies may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.
3. Any item on the agenda is subject to final action.

Parks, Recreation & Forestry STAFF REPORT

MEMO DATE: July 16, 2020

MTG. DATE: July 16, 2020

TO: Village of Cottage Grove Board of Trustees

CC: Matt Giese

FROM: Sean Brusegar, CPRP Director of Parks, Recreation & Forestry

RE: Willow Run Park Playground Replacement Project Award

OVERVIEW: Request for proposals for replacement of the Willow Run playground structure were sent out to 6 playground companies. All proposals were evaluated by some neighbors of Willow Run Park. Although every proposal was good, the group selected the playground that will be supplied by BCI Burke and installed by Lee Recreation. BCI Burke is a Wisconsin based company and Lee Recreation is a Cambridge based installer. Most of the playgrounds in the Village are BCI Burke. Their product is outstanding, and their customer service is exceptional. The overall cost of the product is \$80,000. \$77,000 for the play structure. \$3,000 for the concrete. The concrete will be done by a local contractor, K&R Concrete, Inc. The play structure includes something that the Village does not have. A 75' zipline.

Per the 2020 Financial Management Plan, the Park Development Fund will be used to purchase the playground.

STAFF RECOMMENDATION:

Staff recommends selecting BCI Burke as the playground supplier and Lee Recreation as the playground installer.

On July 16, 2020, the Parks, Recreation & Forestry Committee voted 5-0-0 to Approve Lee Recreation to install the playground equipment at Willow Run Park as presented.

*****ANY ITEM IS SUBJECT FOR ACTION*****

By: Greg Frutiger, Commission Chairperson

Submitted July 10, 2020

It is possible that members of and a possible quorum of members of other governmental bodies of the municipalities may be in attendance at the above-stated meeting to gather information; no action will be taken by any other governmental body at the above-stated meeting other than the governmental body specifically referred to above in this notice.

Please Note: Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact the Deer-Grove EMS Chief at 608-839-5658.

**DEER-GROVE EMS COMMISSION MEETING
COTTAGE GROVE EMERGENCY SERVICES BUILDING
THURSDAY, JUNE 18, 2020
Minutes**

Present: In Person: Kris Hampton, Remote: Troy Allen, Greg Frutiger, Kristi Williams, Sarah Valencia and Gary Wieczorek.

Also present: In Person: Chief Eric Lang, Remote: Office Manager Mandy Cysiewski, Lt. Jerry McMullen, Deputy Chief Lisa Antoniewicz and Paramedic Matt Mickelson.

Frutiger called the meeting to order at 6:36 p.m.

Public Appearances: None.

Approval of minutes from previous meeting(s): Motion by Williams/Allen to approve minutes from the May 21, 2020 as written. Motion carried 6-0.

Discuss and consider approval of May Financial Reports: Motion by Hampton/Williams to approve the May financial reports as presented. Motion carried 6-0.

Discuss and consider approval of Bills for Budgeted/Approved Expenses: Motion by Frutiger/Valencia to approve payment of bills as presented. Motion carried 6-0.

Discuss and consider approval of Write Offs and Aging of Accounts: Motion by Williams/Allen to approve the aging of accounts as presented. Motion carried 6-0.

Staff Report: There were 81 calls in May, including 7 missed calls. This is down from 92 calls in the same month last year. Volunteers provided 614 hours in May, up from 592 hours in the previous month and up from 536 hours during May 2019. In addition to what is in the written report, the following was discussed:

- Chief Lang stated M78 had a coolant leak in the Demers conversion similar to a leak repaired in M80. The repair was completed and was covered by Pomasl, who will then be reimbursed by Demers under their extended vehicle warranty.
- M80 hit another deer at the end of May. Chief Lang stated an upgraded bumper had been ordered for M78 so instead it was diverted to M80. M80 has already been repaired and returned to service.
- High performance CPR is a Dane County-wide initiative to provide the highest quality CPR to all those in cardiac arrest. Chief Lang stated the new Lucas devices will be used within this concept, with training to limit the pause in chest compression while it is being placed.

Correspondence: Chief Lang showed a Facebook post from a family member of a patient recently transported by Lt McMullen. Chief Lang also showed artwork provided by local Girl Scouts when they dropped off cookies at the station.

Update on COVID-19 (Coronavirus) response: Chief Lang gave the following updates:

- There has been no recommended PPE usage change.
- PAPR devices should arrive anytime, and Chief Lang is hoping for a July 1 deployment.
- Some hospitals, such as St Mary's Madison and Sun Prairie Emergency Center have returned to normal operations. Meriter is the only ER with COVID-specific entrances.
- Each of our buildings have been opened for more department activities but is still closed to the public. This will allow for an in-person session in June.

Discuss and consider funding arrangement for monies allocated under the "Routes to Recover Grants" program using CARES Act dollars and administered by the State of Wisconsin: Chief Lang stated this came about during a discussion with Cottage Grove Police Department Matt Wagner, who is handling the Village of Cottage Grove's Grant application. The communities are allocated the specified amount of funding through the

granting program, and Lt Wagner asked if the Deer-Grove EMS Commission had a recommendation on how the expenses should be dispersed. Chief Lang stated Deer Grove EMS is applying for all possible funding sources to recover funds for lost revenue and extra expenses. Allen asked how much Deer Grove has spent in relation to lost revenue. Officer Manager Cysiewski reported additional expenses of around \$40k, \$2,300 in lost revenue for special events and CPR courses and \$6,100 in additional staffing expenses. Motion by Wieczorek/Hampton to use the attached percentages to allocate the appropriate expense to each community for their applications to the Routes to Recovery Granting process. Motion carried 6-0.

Discuss and consider process for evaluation and selection of medical direction:

Chief Lang stated Dr. Stier has been the medical director since August 2011 which is considered a long time. Chief Lang stated there should be a defined contract time period. He also would like to see the medical director doing ride alongs with crews from time to time as well as QA review for major calls, including trauma and those with serious intervention. Chief Lang would like to see what other groups could offer to us. Hampton asked about cost of a new medical director. Chief Lang stated it will not be less than we are paying right now, and he guesses we'll double what we're paying right now with a potential to pay \$12-33k. Hampton questioned if Dr. Stier is willing to fill role. Chief Lang stated he spoke with him and he is not willing to step up to this role, but he will remain on as our medical director until DGEMS can find a suitable replacement. Frutiger stated having the doctor more involved can protect Deer Grove and he thinks we need someone more involved. Gary asked if there are issues with not fulfilling what's in the current agreement. Chief Lang stated the current agreement calls for 7 total hours per month, which is subdivided into three different categories. Dr Stier has not completed a monthly allocation of hours in quite some, so it is unclear how many hour DGEMS has not received. Chief Lang wants to talk to other two groups and come back at the next meeting with an answer and someone to start 1/1/2021. Wieczorek stated due to the pandemic DGEMS may need more advice/assistance from a medical director. Commission members agreed Chief Lang can do due diligence in reaching out to Madison Emergency Physicians and UW ALS Consortium. Chief Lang stated the doctors within both organizations are EMS doctors.

Discuss and consider return to in-person meetings: Commission members agreed to meeting in person in Cottage Grove or somewhere with sufficient space for social distancing, but it is a personal decision as the virtual option will remain. The public must be virtual. Frutiger will also look into locations in Deerfield with sufficient space for social distancing.

Set next commission meeting date and location: The next meeting will be held on Thursday, July 16, 2020 at the Cottage Grove Emergency Services Building with a remote call in option beginning at 6:30 P.M.

Agenda items for next commission meeting: COVID Update, Update on medical direction, budget impact of reduced calls and events.

Adjournment: Motion by Hampton/Williams to adjourn. Motion carried 6-0. The meeting ended at 7:13 P.M.

Yelk-Meinholz, Amy	Paramedic

*= Currently on Leave of Absence

**= Part-Time Office/Accounts Manager

Vehicle Maintenance Notes:

- M78 was taken to Badger Motors for running rough at idle and an activated 'service engine soon' light
 - Random misfire found in several cylinders and fuel filter was found to be clogged
 - Code was cleared and routine PM completed, it has run normally since
- M78 had a new set of tires installed.
 - We only needed to purchase four tires, as we still had the two from the M80 take-off
 - A front-end alignment was also completed

Vehicle	Beginning Mileage	Ending Mileage	Beginning Hours	Ending Hours
M78	51,843	53,327	2396	2461
M80	69,269	70,818	3282	3351
M81	150,859	151,384	8263	8292
C79	45,455	45,970		

Deputy Chief's Report

Training Report:

The membership met in person for June training to cover the skills component of high-performance CPR. July training will be largely conducted while on shift and anyone unable to complete the training while on shift will attend on the usual training time on July 27th. July training will be skill competencies.

Upcoming training sessions:

Autism Training – Jan 25 – Deerfield

Training Center:

No classes were taught in June due to the pandemic.
Hydrite Chemical has tentatively scheduled First Aid/CPR classes for August (Hybrid format).

Public Relations/Special Events:

Nearly all in person public events were either canceled or postponed. We continue to participate in small community birthday/graduation parades when requested.

Upcoming events:

ARCA Race – Aug 7
The Ride - Sept 27

Chief's Report

- All invoices related to the Plymovent system have been submitted to FEMA and payments have been received.
 - Payment to the Town of Cottage Grove to cover exhaust modification to the fire trucks will be made.
 - The system used was less expensive than proposed in the grant application. Because of this, there were funds available to purchase a high-fidelity CPR mannequin and operating system
- Participated in a meeting with the WI EMS Office. They are proposing state-wide EMS protocol.
 - These would not be mandatory, but would be an easy pre-approved option for agencies choosing to use them
 - There were no sample documents available
- The work on the health data exchange (HDE) is mostly complete.
 - Data is flowing in a bi-directional fashion for all patients we transport to St. Mary's facilities
 - We only need to fine tune the outcomes data portions of this process and set a format giving the staff the most valuable data/information
- In cooperation with Dane County Emergency Management, the Cottage Grove Emergency Services Building was the host for a COVID-19 drive-thru testing site.
 - This event specifically targeted those in public safety throughout the area.
 - A total of 35 individuals were tested
 - More pop-up testing sites will be conducted throughout the county and DGEMS Members will assist with those
- Because of the projected arrival of the Bullard PAPR devices, our Exposure Control and Respiratory Protection Plans both needed to be reviewed. This document is rather large and is currently in the review process
 - Created a PAPR competency and medical questionnaire, all as part of OSHA requirements
 - Created SOP 8.3 Bullard Powered Air Purifying Respirator Use
- We have welcomed our first paramedic student from Madison College as part of their field internship experience
 - The student will complete the field experience with those to volunteer to be preceptors

- Current large projects Chief Lang has in progress:
 - Department structure review with possible reorganization and addition of officer positions
 - Establish a defined and comprehensive field training officer program
 - Investigation of possible new patient care report writing software
 - Replacement, heavy duty bumper for M78 (deer and cow proof aren't options in this market)

Cerry Schrader of LifeQuest on 06/05/2020:

Hi Chief,

I performed the attached Base Rate Audit, not only identifying what kind of calls have been generated over the years, but also taking a look at the change in payor mix, since that tends to have an impact on revenue. The most notable change is in your Commercial and Private Pay buckets.

I also show that you are down approximately 60 runs so far this year, which will definitely impact revenue. I don't have a perfect way of predicting final numbers, however if I were to take an educated guess, I would predict your end of year revenue to be around \$535,000.

Cerry Schrader of LifeQuest on 07/08/2020:

I pulled a report that shows the first half of the year, year over year, and it appears what the issue is, is not necessarily the number of runs billed out, but the bucket they are currently in. Please see the attached report, and refer to the second page. Last year at this time, you had 109 calls billed to commercial insurance, but this year 86, therefore 23 less calls to the "highest" payor, Medicaid, the lowest payor has 14 more calls this year over last, and private pay has 20 calls more than last year. This could simply be a timing issue, slowed down by COVID, but it is part of the picture.

Also, with respect to TRIP payments, the Department of Revenue extended the filing time this year due to COVID, which is also extending your timeframe of collecting TRIP funds, due to the slower process of individuals filing claims. None of these are definitely the total answers, but certainly each are part of the answer of slower recovery.

Charges = ANY call that has a charge applies to it in the month range for the year
 Credits = ANY call that has a credit applied to it in the month range for the year
 Adjustments = Credits with a Report Category of Adjustments
 Cash Credits = Credits - Adjustments
 Mandatory Adjustments = Adjustments that have a Credit Code ID of 8, 9, 16, 8*, IO, 190, 466, 486, 778, 804, 958, 518, 1126, 794a, 1218, FIRE, CVA, IHMO, 223, or 1277.
 Rate 1 = (Cash Credits/Charges)*100
 Rate 2 = ((Cash Credits)/(Charges-Mandatory Adjustments))*100
 Total Runs = all calls logged into LifeQuest billing software within the date range.
 Billable Runs = Runs that have a total charge greater than zero.
 Billable GY Runs = Billable Runs not considered medically necessary (GY).
 Total GY % = (Billable GY run / Billable runs)*100
 On Scene Care Only = runs that are On Scene Care Only (A0998) with a total charge greater than Zero
