- ◆ ATTENTION: Your property may be subject to private "DEED RESTRICTIONS". These are requirements/limitations often created by the Developer of your area. You probably received a copy of these at the time you purchased your property. Private deed restrictions are in addition to and separate from any Village of Cottage Grove requirements. The Village of Cottage Grove has no involvement with private deed restrictions.
- ◆ Provide drawing of fence location on site map.
- ◆ Does fence encroach on any Village or Utility Easements? Yes _____ No _____
If yes, please provide location of easement on site map and attach approval from Easement Holder to encroach on the easement. Permit will not be issued until written documentation is provided.
- ◆ Type of fence: _____ (wood, plastic, metal)
- ◆ Style of fence: _____ (privacy, split rail, chain link, wall, partition)

Restrictions: Fences cannot encroach in easements or designated waterways or drainage ways. No fence shall be erected in the Village until a permit has been granted by the Building Inspector. Please review Section 325-88 Fences and Hedges of the Zoning Ordinance for additional restrictions and requirements. **PERMIT FEE IS \$ 25.00 for a permanent fence and \$5.00 for a temporary fence.**

NOTE: Fences must be installed per the manufacturer's specifications.
